England, 2018-01-01 Public Privates focuses on public and private acts and spaces in media to explore the formation of geographies Situated at the intersections of cultural geography feminist geography and media studies Marcia R. England's study argues that media both reinforce and subvert traditional notions of public and private spaces through depiction of behaviors and actions within those spheres Though popular media contribute to the erosion of indistinct edges between spaces they also frequently reinforce the traditional dualism through particular codings that designate the normed and gendered socio spatial actions appropriate in each sphere producing geographical imaginations and behaviors England applies her immensely readable construction to a diverse and wide ranging array of media including Buffy the Vampire Slayer The Fast and the Furious J Horror sitcoms Deglassi and reality TV By examining the gendered representations of public and private spaces in media and how images influence imagined and lived geographies England shows how popular culture specifically visual media transmits ideologies that disintegrate the already blurred boundaries between public and private spaces **Buffy Goes Dark** Lynne Y. Edwards, Elizabeth L. Rambo, James B. South, 2014-01-10 Buffy the Vampire Slayer earned critical acclaim for its use of metaphor to explore the conflicts of growth power and transgression Its groundbreaking stylistic and thematic devices boldness and wit earned it an intensely devoted fan base and as it approached its zenith attention from media watchdog groups and the Federal Communications Commission The grim and provocative evolution of the show over its final two seasons polarized its audience while also breaking new ground for critical and philosophical analysis The thirteen essays in this collection divided into the perspectives of feminist cultural auteur and fan studies explore the popular series conclusion providing a multifaceted examination of Buffy's most controversial two seasons
