Sturm, 2001 The first edition provides descriptions of folktales and references to more than 700 published sources of folktales The new edition covers folktales from 1983 1999 Both editions include thorough indexing by subject motif title ethnic group and country of origin and a comprehensive bibliography **The Art of the Story-teller** Marie L. Shedlock, 1951-01-01 A master storyteller shows storytelling as a literary form of communication teaches how to tell stories and get effects and lists selected stories **Logic, Language, and Computation** Martin Aher, Daniel Hole, Emil Jeřábek, Clemens Kupke, 2015-05-04 This book constitutes the refereed proceedings of the 10th International Tbilisi Symposium on Logic Language and Computation TbiLLC 2013 held in Gudauri Georgia in September 2013 The conference series is centered around the interaction between logic language and computation The contributions represent these three fields and the symposia aim to foster interaction between them The book consists of 16 papers that were carefully reviewed and selected from 26

submissions Each paper has passed through a rigorous peer review process before being accepted for publication The volume also contains two summaries of the tutorials that took place at the symposium the one on admissible rules and the one on the formal semantics of aspectual meaning from a cross linguistic perspective **The Storyteller's Daughter** Cameron Dokey, 2008-06-30 ONCE UPON A TIME IS TIMELESS In a faraway kingdom a king has been betrayed Deeply hurt and bitterly angry he vows never to be deceived again Unfortunately the king's plan to protect himself will endanger all of the realm's young women unless one of them will volunteer to marry the king and surrender her life To everyone's relief and horror one young woman steps forward The daughter of a legendary storyteller Shahrazad believes it is her destiny to accept this risk and sacrifice herself On the night of her wedding to the king Shahrazad begins to weave a tale Fascinated the king lets her live night after night Just when Shahrazad dares to believe that she has found a way to keep her life and an unexpected love a treacherous plot will disrupt her plan Now she can only hope that love is strong enough to save her
