Sleeping Where I Fall 1st Edition Inscribed:

Actual Proof of My Existence Signed Don Christie, 2003-03 This book is designed to show some of the strongest proof that the scriptures are the inspired Word of God and do it in the most simple way The book starts out by showing about 18 Psalms that accurately predicted all of the major events of the 20th century by landing in the Psalm number that is the same year of the event some even on the correct verse numbers of the month also The Psalms are the 19th book of the Bible so Psalm 46 becomes 1946 with He makes wars to cease one year after 1945 and WWII Psalm 87 as 1987 Saddam Hussein's month long Babylonian party with musicians invited from all over the world where Babylon is mentioned in Psalm 87 4 I will make mention of Rahab and Babylon Psalm 87 7 with As well the singers as the players on instruments shall be there Other events predicted events are the Y2K problem of 1999 in Psalm 99 8 thou tookest vengeance of their inventions the WTC attack El Nino Gulf War and on and on even future events are explored Psalm 103 as 2003 talks about the eagles and those that are oppressed just like America the eagles setting the oppressed free in Operation Iraqi Freedom This book also shows that all of our modern day science constants are encoded in the Psalms by a key phrase in the Psalm of the same number Psalm 19 electricity heat sun circuit Psalm 27 light and 10 27 power is a photon of light Psalm 29 creation fire Psalm 31 speedy electron and the net Psalm 38 heavy gravity and on up to 23 Psalms not one misses This book goes deep into the Tabernacle of Moses and the Ark of the Covenant showing that these Bible structures are actual models of modern day science This book shows upwards of 600 key scriptures where the verse numbers equal the meaning of the verse There is much more in the book as well as these subjects about the Bible's numbers The book is guaranteed to please and show powerful proof that the scriptures are the inspired Word of God because this is a book of facts not speculation All of modern day history and science will unravel from the Psalms in just the first 2 chapters alone all landing on the correct verse numbers Imagine playing a lotto where you have to get 40 numbers correct out of 150 numbers on the first try because this is what the Psalms did 3 000 years ago The odds are about 10 40th power to 1 40 zeroes that all of the proper key expressions keep landing in the Psalm of the same number as the year or a science constant number I know that you will enjoy the book and be blown away by the proof Don Christie Matters of Inscription Christina A. León, 2024-08-13 A compelling exploration of materiality and semiotics in Latinx inscriptions Writers and artists from Cuba Puerto Rico and Latinx New York operate under the pressures of inscription the material and semiotic entanglement of making a mark as a marked artist By employing layered material tropes and figures such as stone dust viscera and animality their works do not represent a singular Latinx experience and instead must be read at the margin of language and matter Matters of Inscription explores feminist and queer inscriptions of Latinidad encompassing the intersections of materiality and semiotics in art performance poetry plays and fiction By delving into these figural matters Christina A. León highlights how writers and artists such as Zilia Sánchez Ana Mendieta Manuel Ramos Otero Mar a Irene Forn s Justin Torres and Roque Salas Rivera forge

material inscriptions that transcend individual lives and call for a broader analytical perspective unmoored from biographical anchors The book urges readers to reevaluate the notion of difference which has momentarily sought solace in identitarian terminology Le n engages in rhetorical analysis that reassesses how the terms of Latinx studies have been challenged and how they are failing Rather than categorizing texts based on predetermined taxonomic terms or individual subjects lives the book tracks figures situated at the edges of materiality and semiosis This approach addresses the continuous marginalization and dispossession that shape the phenomenon of Latinx identity latinidad by recentring conceptual questions of origin diaspora pedagogy and belonging The book contends that losses and deprivations should be rendered incommensurate to avoid collapsing the richness of different experiences or scales of ontological debasement By focusing on the interplay of materiality and semiotics Matters of Inscription challenges conventional approaches that seek to homogenize and anticipate what Latinx might mean and instead calls for a more capacious and nuanced analysis that goes beyond individual biographies
