colonial period A generous opening essay discusses the collection in the context of modern Korean literary history and short introductions precede each story Here is a richly diverse testament to a modern literature that is poised to assume a long overdue place in world literature

MacBethany Nicholas Grubbs, 2023-06-03 Summer break may be over and a new year may be starting at Arlington City High but simmering tensions between the students are about to reach a boiling point as the annual Student Council elections draw near In the wake of a ruined clandestine relationship a scandal that ruined the former football team captain's life and a suicide that sent shockwaves through the entire student body this new year is shaping up to be even more traumatic than the one before Still reeling over the events of the previous year Bethany Hill wants to see the school turn to ashes In the meantime she will stop at nothing to get her girlfriend Lauren Bradshaw crowned the new school queen Lauren's own reservations about the job be damned Beth will make her President or die trying Head Cheerleader Ashley Williams is out for blood after Beth allegedly stole Lauren her secret ex girlfriend and puts forward her new boyfriend and star quarterback Spencer Barnett as Lauren's main competition A true power couple they stand to run the school unopposed if Spencer decides to take on yet another role as the most popular guy in school a role he grows to hate more and more with each passing day And then there's poor Katherine Duvall a sweet naïve girl that just wants to make the world around her a better place for people outside of the top one percent How is she supposed to run for office one day if she can barely give a book report in front of the class without wanting to throw up Unfortunately Katherine can barely get her foot in the door before the Powers That Be force Tracy Summers one of the sitting Class Representatives that is very much not apart of the in crowd to befriend Katherine and sabotage her campaign from the inside in exchange for their friendship and a better spot on the Student Council Knowing she will never get into Harvard if she doesn't get a stronger application she begrudgingly accepts Lies cheating and manipulation are the name of the game and only one person can win In this first entry of the MACBETHANY series we will see just how far people will go to help the ones they love and just how far they will go to help themselves
