Brekus,2009-11-13 More than a generation after the rise of women s history alongside the feminist movement it is still difficult observes Catherine Brekus to locate women in histories of American religion Mary Dyer a Quaker who was hanged for heresy Lizzie Robinson a former slave and laundress who sold Bibles door to door Sally Priesand a Reform rabbi

Estela Ruiz who saw a vision of the Virgin Mary how do these women s stories change our understanding of American religious history and American women s history In this provocative collection of twelve essays contributors explore how considering the religious history of American women can transform our dominant historical narratives Covering a variety of topics including Mormonism the women s rights movement Judaism witchcraft trials the civil rights movement Catholicism everyday religious life Puritanism African American women s activism and the Enlightenment the volume enhances our understanding of both religious history and women s history Taken together these essays sound the call for a new more inclusive history Contributors Ann Braude Harvard Divinity School Catherine A Brekus University of Chicago Divinity School Anthea D Butler University of Rochester Emily Clark Tulane University Kathleen Sprows Cummings University of Notre Dame Amy Koehlinger Florida State University Janet Moore Lindman Rowan University Susanna Morrill Lewis and Clark College Kristy Nabhan Warren Augustana College Pamela S Nadell American University Elizabeth Reis University of Oregon Marilyn J Westerkamp University of California Santa Cruz

Georgialina Tom Poland,2015-11-24 Veteran journalist and southern storyteller Tom Poland has been writing about the disappearing rural South for nearly four decades With a companionable appreciation for nostalgia preservation humor and wonder Georgialina A Southland as We Knew It brings to life once more the fading and often forgotten unfiltered character of the South as Poland takes readers down back roads to old homesplaces covered bridges and country stores He recalls hunting for snipes and for lost Confederate gold the joys of beach music the shag and cruising Ocean Drive and the fading traditions of sweeping yards with homemade brooms funeral processions calling catfish and other customs of southern heritage and history Peppered with candid memoir Georgialina also introduces readers to a host of quirky and memorable characters who have populated the southland of Poland s meanderings As commercialization homogenization and relocation have slowly altered distinctive regions of the country making all places increasingly similar southern traditions have proven to be more resilient than most But Poland notes that many elements that once defined day to day life in the South are now completely foreign to contemporary generations Set primarily in Poland s native Georgia and adopted home of South Carolina his tales of bygone times resonate across a recognizably southern landscape and faithfully recall the regional history and lore that have defined the South for generations as a place uniquely its own for natives newcomers and visitors

Undocumented Aviva Chomsky,2014-05-13 A longtime immigration activist explores what it means to be an undocumented American revealing the ever shifting nature of status in the U S in this impassioned and well reported case for change New York Times In this illuminating work immigrant rights activist Aviva Chomsky shows how illegality and undocumentedness are concepts that were created to exclude and exploit With a focus on US policy she probes how people especially Mexican and Central Americans have been assigned this status and to what ends Blending history with human drama Chomsky explores what it means to be undocumented in a legal social economic and historical context The result is a powerful testament of the complex contradictory and ever shifting nature of status in

America Tell Me Who You Are Winona Guo, Priya Vulchi, 2019-06-04 An eye opening exploration of race in America In this deeply inspiring book Winona Guo and Priya Vulchi recount their experiences talking to people from all walks of life about race and identity on a cross country tour of America Spurred by the realization that they had nearly completed high school without hearing any substantive discussion about racism in school the two young women deferred college admission for a year to collect first person accounts of how racism plays out in this country every day and often in unexpected ways In Tell Me Who You Are Guo and Vulchi reveal the lines that separate us based on race or other perceived differences and how telling our stories and listening deeply to the stories of others are the first and most crucial steps we can take towards negating racial inequity in our culture Featuring interviews with over 150 Americans accompanied by their photographs this intimate toolkit also offers a deep examination of the seeds of racism and strategies for effecting change This groundbreaking book will inspire readers to join Guo and Vulchi in imagining an America in which we can fully understand and appreciate who we are

Prep School Confidential Kara Taylor, 2025-09-23 This book rocks Scandalously delicious in the same vein as Pretty Little Liars and Revenge with a wickedly clever plot that kept me guessing right up until the end Gemma Halliday New York Times bestselling author of Honeymoon in High Heels Anne Dowling practically runs her exclusive academy on New York s Upper East Side that is until she accidentally burns part of it down and gets sent to a prestigious boarding school outside of Boston Determined to make it back to New York Anne could care less about making friends at the preppy Wheatley School That is until her roommate Isabella s body is found in the woods behind the school When everyone else is oddly silent Anne becomes determined to uncover the truth no matter how many rules she has to break to do it With the help of Isabella s twin brother Anthony and a cute classmate named Brent Anne discovers that Isabella wasn t quite the innocent nerdy girl she pretended to be But someone will do anything to stop Anne s snooping in this fast paced unputdownable read even if it means framing her for Isabella s murder Kara Taylor s breathtaking debut reads like Gossip Girl crossed with Twin Peaks in an enveloping start to the Prep School Confidential series A whirlwind of secrets lies and scandals I whipped through the pages frantic to discover the killer Jill Hathaway author of Slide Fast paced suspenseful and scarily believable It will keep you guessing as you race to the end Daisy Whitney author of The Mockingbirds and When You Were Here

BOOK 02 THE MADNESS OF TRUTH A year after Quyto s defeat in New York Japan is rocked by gas attacks and ritualistic mass murders dark omens of the Zin s return Living in Tokyo as an asylum seeker Mitch is once again summoned into his role as mankind s reluctant guardian The Blue Champion His new adversary is Quri a Zin whispered

of in myths as sirens and succubi Unlike Quytos grand theatrics Quri lurks in the shadows ensnaring minds with forbidden knowledge and preying on the brokenhearted The world stands on the brink of annihilation Mitch and his three Champion allies Bobby Parka and Farhan must stop Quri and a dangerous human collaborator from opening the Gate But power alone won't be enough To defeat Quri Mitch must salvage the one thing she is determined to shatter his eroding faith in love and humanity

The Heart of Iuchiban Evan Dicken, 2022-11-01 Return to the world of Legend of the Five Rings Adventures in Rokugan in this fantasy adventure pitting noble samurai against a forgotten evil corrupting the whole realm Something is wrong in the Emerald Empire The emperor is ailing the court is weak and the Great Clans threaten to escalate their petty squabbling into all out war But in the shadows another threat lurks sinister Bloodspeaker cults attempt to resurrect the forgotten sorcerer Iuchiban who possess a power so great it could destroy all of Rokugan Now seven samurai one from each of the Great Clans must put aside their pride fear and rivalry to unite and prevent the Bloodspeakers from finding the legendary tomb of Iuchiban and the hideous treasure locked inside All that stands in the samurai's way is their hatred of each other The road will be long and bloody but glory waits for them at journey's end As does death

Technology and the Future of Work Paul S. Adler, 1992 This book brings together a set of essays exploring the implications of new technologies in the workplace The common premise of the contributions is that the effective implementation of automation in manufacturing and engineering operations will typically require a workforce with a higher skill profile Examining the experience of countries in Europe Australia Asia and the U S the book analyzes four themes the new competencies required for effective implementation of new technologies how firms can develop these new competencies the implications of these changes for industrial relations and how firms can weave together business strategy technology strategy and personnel strategy to build competitive advantage with greater rather than lesser skills This argument contradicts the conventional assumption that automation will not only reduce the number of workers required to produce a given product but also require less skilled workers to do so

The Platform Economy and the Smart City Austin Zwick, Zachary Spicer, 2021-09-22

Over the past decade cities have come into closer contact and conflict with new technologies From reactive policymaking in response to platform economy firms to proactive policymaking in an effort to develop into smart cities urban governance is transforming at an unprecedented speed and scale Innovative technologies promise a brave new world of convenience and cost effectiveness powered by cameras that monitor our movements sensors that line our streets and algorithms that determine our resource allocation but at what cost Exploring the relationship between technology and cities this book brings together an outstanding group of authors in the field to provide a critical and necessary examination of the disruption that is under way They look at how cities should understand and regulate novel technologies what can be learned from proposed and failed smart city projects and how innovative economies change the structure of cities themselves Contributors dig deeply into these and similar subjects contributing their voices to an important dialogue on the future of urban policy and

governance The first collection of its kind this groundbreaking volume brings together social economic and cultural insights to enhance our understanding of the ongoing technological upheaval in cities around the world

Veins Of Blood Kesha Sanderson ,2025-09-30 Veins of Blood is a thrilling heart pounding tale of forbidden love power and destiny In a world on the brink of collapse where vampires demons and powerful factions fight for control James Lukeman is an ordinary boy haunted by the tragic loss of his parents in the catastrophic Blood War But destiny has more in store for him than he ever imagined Rising from the ashes of a shattered Earth James discovers he is the Ninth Vampire the heir to a legacy drenched in blood and darkness As he unravels the horrifying truths of the war that nearly obliterated humanity James is forced to confront his birthright and the dangerous power that lies within him From an orphan with no power to a being capable of wielding life death and time itself James embarks on a journey that will challenge his very soul As he grows stronger a fierce and forbidden love kindles between him and the beautiful mysterious woman who holds the key to his past and perhaps his future But in a world where love is as treacherous as betrayal their passion may just be the spark that ignites a new war In Veins of Blood survival is a game of shadows and blood where trust is fleeting and destiny is written in the veins of those willing to fight for it

[The Gate of Fire](#) Thomas Harlan,2001-06-18 The Persian sorcerer has withdrawn to a hidden citadel of the King of Kings and a very special new servant He vows to regain the Peacock throne Prince Maxian has raised both Julius Ceasar and Alexander the great from the dead Now with the power that their legends can offer him he will risk all to free Rome from the curse that protects the Empire but dooms it to stagnation And in the East Dwyrin s thaumaturgic unit is shattered when Zo discovers the destruction of Palmyra She vows revenge against the Empire that abandoned her city to its fate and goes to raise the Deccopolis against Rome while in the city of Mecca a survivor of Plamyra received a vision a command and the power to strive against the forces of darkness The war is far from over Now there are three alliances where once there were only two and three Powers to strive for control of the Earth

The Biometric Warlords of the Identity Grid Philip Hudson,2025-01-15 In a world where your DNA is no longer yours The Biometric Warlords of the Identity Grid by Philip Hudson delivers a pulse pounding tale of rebellion betrayal and the chaotic beauty of human imperfection Humanity s genetic code has been commodified tracked and monetized by the omnipotent Identity Grid a fortress of power controlled by Nexus a chilling AI overseer Corporations wield designer bioweapons customize genetic enhancements for the elite and enforce control at the molecular level For most the Grid is an unassailable truth For Kavi a renowned hacktivist it s the erasure of selfhood For Lenaya an outlawed geneticist it s a scientific atrocity defying evolution s chaotic beauty When Kavi is offered a chance to dismantle the Grid from within by a shadowy figure known as The Architect her hesitation crumbles The reward freedom for her brother Rumi imprisoned for genetic unorthodoxy Kavi s mission leads her to Lenaya who sees the Grid s destruction as a chance to reclaim humanity s biological sovereignty Together they form an uneasy alliance armed with a neural interface and a prototype injector designed to rewrite DNA on the fly Their audacious

plan Infiltrate the Grid s core retrieve the Genetic Key and rewrite the system s code But the Helix Vault a fortress of living tissue and Nexus s ever watchful gaze stand in their way As they descend into the Grid s hellish core they confront not only its chilling logic but their own vulnerabilities and beliefs Will they ignite chaos to restore liberty forge a new system to preserve humanity s inherent flaws or succumb to the Architect s vision of merging with the Grid In this layered evolving narrative The Biometric Warlords of the Identity Grid explores themes of control vs chaos genetic determinism vs human agency and the ethics of technological innovation Kavi and Lenaya s journey is fraught with tension moral dilemmas and climactic confrontations culminating in a choice that transforms the Grid and humanity s genetic destiny
