Canadian Plains Research Center,2004 From the optimism associated with provincial status in 1905 through the trials of Depression and war the boom times of the post war period and the economic vagaries of the 1980s and the 1990s the twentieth century was a time of growth and hardship development and change for Alberta and its people And during the century twelve men from a variety of political parties and from very different backgrounds led the government of this

province The names of some like William Aberhart Ernest Manning and Peter Lougheed are still household names while others like Arthur Sifton Herbert Greenfield and Richard Reid have been all but forgotten Yet each in his unique way for better or for worse helped to mould and steer the destiny of the province he governed These are their stories *A Brief History of Canada* Roger E. Riendeau, 2007 Presents a concise history of Canada from the time of early exploration by Europeans to the present day

That's Rich: the Rise and Fall of the BC Liberals Judi Tyabji, 2024-08-30 In the unpredictable tangle of British Columbian politics people and the parties they represent can appear ascend and then vanish in notoriety or irrelevance all before your eyes The piece de resistance Truth doesn't have to factor into it A scandalous narrative has the power to control public perception This is untangled in the story of Rich Coleman and the BC Liberals Coleman was in the hot seat for twenty four years In his time he was called everything from Wyatt Earp to a knuckle dragger a criminal to a hero The truth of course is always more complicated than the sound bites and his story deserves more accuracy than the news stories gave it Through Coleman's eyes you'll have a close look at the highs and lows of the BC Liberals political journey You'll also see the painstaking critical work behind the scenes while the province was distracted by controversies Coleman's work restructured institutions and built a new BC industry Whatever you think of the BC Liberals you will have to admit it's quite the story and Rich Coleman will surprise you if you give him the chance

Full Circle: Death and Resurrection In Canadian Conservative Politics Bob Plamondon, 2014-11-21 Full Circle tells the dramatic story of how the Canadian conservative movement was fractured in the 1990s and how it was restored to glory and was returned to power in 2006 It recounts the humiliating defeat of the Progressive Conservative Party the rise of the Reform Party and a decade long sojourn for conservatives in the political wilderness It lays out step by step the strokes and counterstrokes the promises made and broken the betrayals and defections within a movement riven by faction Based on meticulous background research and interviews with the key players Full Circle takes the reader behind the scenes in a high octane exposé of political machination intrigue and the ultimate battle for survival and supremacy Sweeping in its breadth and scope captivating in its detail Full Circle is the definitive account of this unprecedented period in Canadian political history Even those involved in conservative politics will be shocked by the startling revelations and debunking of popular myths The death and resurrection of Canada's conservative political movement over the past two decades is a story that has never been told from beginning to end until now

A Long Way to Paradise Robert A.J. McDonald, 2021-10-15 The political landscape of British Columbia has been characterized by divisiveness since Confederation As outsized personalities from Amor De Cosmos to W A C Bennett dominated the halls of power militant radicals and reformers took to the streets and hustings A Long Way to Paradise traces the evolution of political ideas from 1871 to 1972 to explore British Columbia's journey to socio political maturity answering both why and how British Columbia became Canada's most fractious province Robert McDonald explains its classic left right divide as a product of common sense liberalism that also shaped how British Columbians met the challenges of a modernizing

S. Nott,Robin Edward Feenstra,2011 Ezra Pound 1885 1972 is widely remembered not only as one of the most influential voices in twentieth century literary modernism but also for his notorious anti Semitic writings and radio broadcasts that supported Mussolini s Italian Fascist regime His ideological turn from poetics and aestheticism to extremist economics and politics has long been an area of controversy within literary studies One Must Not Go Altogether with the Tidecollects the letters between Pound and London publisher Stanley Nott 1887 1978 to open a door to Pound s thinking and publications during the 1930s Nott who publishedJefferson and or Mussolini 1935 was an interested and encouraging interlocutor for a poet seeking re invention as an economist and political commentator someone who sustained Pound as he swam against the tide Pound s close involvement with his publisher illuminates an important episode in literary modernism as well as For The study of print culture in the interwar period This edition of the letters retains Pound s idiosyncratic epistolary idiom and analyzes letter writing as a genre critical to Pound s intellectual and cultural project capturing Pound as a collaborator at work **Code Politics** Jared J. Wesley,2011-04-01 Politics on the Canadian Prairies are puzzling The provinces share a common landscape and history but they have nurtured three distinct political cultures Alberta is Canada s bastion of conservatism Saskatchewan its cradle of social democracy and Manitoba its progressive centre The roots of these cultures run deep yet their persistence

over a century has yet to be explained Drawing on over eight hundred pieces of campaign literature Jared Wesley reveals that dominant political parties have used one key device rhetoric to foster and carry forward their province s cultural values or political code Social Credit and Progressive Conservative leaders in Alberta emphasized freedom whereas New Democrats in Saskatchewan stressed security Successful politicians in Manitoba by contrast underscored the importance of moderation Although the content of their campaigns differed leaders from William Aberhart to Tommy Douglas to Gary Doer have employed distinct codes to ensure their parties success and shape their provinces political landscapes
