## **Social Critique And Commitment:**

**Immanent Critique** Titus Stahl, 2021-11-11 When we criticize social institutions and practices what kinds of reasons can we offer for such criticism Political philosophers often assume that we must rely on universal moral principles that are not necessarily connected to the particular social practices of our communities Traditionally continental critical theory has rejected this claim through its endorsement of the method of immanent critique Immanent critique is a critique of social practices that draws on norms already present within these practices to demand social change rather than merely conservatively reproducing them Titus Stahl defends the claim that such a critique is not only possible but also has politically powerful potential Taking up recent developments in analytic enquiry into collective intentionality theory and in the philosophy of language he argues that all social practices rest on structures of mutual recognition between persons that allow social theorists to reconstruct hidden norms present within these practices Starting from a comprehensive critique of contemporary critical theory Immanent Critique also spells out the consequences of this line of thought for the practice of social critique for the social sciences and for political philosophy The translation of this work was funded by Geisteswissenschaften International Translation Funding for Humanities and Social Sciences from Germany a joint initiative of the Fritz Thyssen Foundation the German Federal Foreign Office the collecting society VG WORT and the B rsenverein des Deutschen Buchhandels German Publisher Booksellers Association *Contemporary Security Studies* Alan Collins, 2025

Nursing Ethics, 1880s to the Present Marsha Fowler, 2024-04-15 Awarded first place in the 2024 AJN Book of the Year Award in History and Public Policy This important text draws on decades of research arguing that modern nursing germinated and grew an ethics from its own native soil which is rich fulsome and philosophically informed grounded in the tradition and practice of nursing It is an ethics with a positive agenda for the good nurse a good society a healthy people and human flourishing This native nursing ethics was forgotten creating space for a foreign bioethics colonization of nursing in the second half of the twentieth century Drawing from a wide range of sources from the USA the UK Canada and Ireland the book addresses the early and enduring ethical concerns values and ideals of nursing as a profession that engages in direct clinical practice and in developing policy Fowler calls for reclaiming and renewing nursing s ethical tradition This systematic and comprehensive book is an essential contribution for students and scholars of nursing ethics *A Masterpiece of World Literature : From Classical to Present Era* Dr. Rishikesh Tewari, 2025-05-14 This magnum opus A MASTERPIECE OF WORLD LITERATURE From Classical To Present Era is a seminal work that encapsulates the vast expanse of literary theory and criticism traversing the realms of American Australian and Indian literature This comprehensive tome delves into the complexities of colonial and post colonial literatures while also exploring the ancient and new literatures in English Furthermore it ventures into the domain of comparative literature offering a nuanced understanding of the diverse literary traditions that have shaped the world s cultural heritage A distinctive feature of this book is its focus on Contemporary Indian

Literature in English Translation providing a platform for the voices of Indian writers to be heard globally Additionally it examines the significance of English studies in India highlighting the impact of linguistic and cultural diversity on literary expression By weaving together these disparate threads this masterpiece presents a rich tapestry of world literature serving as an invaluable resource for scholars students and literature enthusiasts alike

*Personal Commitments* Margaret A. Farley,2013 Revised edition of a classic text long out of print a moral analysis of making keeping and breaking personal commitments In this groundbreaking book Dr Farley explores how commitments rooted in the story of God s love are acts of free choice and love that yield a claim Farley s reflections are also rooted in the concrete experiences of people who strive to be faithful to what they have claimed to love My concern is to name something that I think is after all common to all of our lives an experience a reality perhaps a problem a challenge something that is sometimes a source of joy sometimes a cause of tragedy In eight short chapters Farley explores the nature and meaning of commitment as it is played out in our lives addressing love fidelity a sense of obligation and covenant She also reflects on whether each commitment must be kept and what we should do if despite our best efforts our commitments break down A brilliant study in the literal sense that it brings needed light and clarity to a great deal of our everyday experience of sorting out changing reaffirming attempting to prioritize and wrestling with the constantly varying demands of our many freely chosen commitments Anne E Patrick of the original edition Of the original edition Paul Wadell wrote *Personal Commitments* is a superb book that cannot be recommended too highly Though richly research and tightly argued its style and method make it accessible to anyone wishing to explore the commitments we make and the wholeness we seek when we make them Another reviewer wrote *Personal Commitments* is far more than a book on the ethics of commitment and obligation rather it is a searching account of love in both the personal and social relationships that form human life

**Committed to Disillusion** David DiMeo,2016-08-12 Can a writer help to bring about a more just society This question was at the heart of the movement of al adab al multazim or committed literature which claimed to dominate Arab writing in the mid twentieth century By the 1960s however leading Egyptian writers had retreated into disillusionment producing agonized works that challenged the key assumptions of socially engaged writing Rather than a rejection of the idea however these works offered reinterpretation of committed writing that helped set the stage for activist writers of the present David DiMeo focuses on the work of three leading writers whose socially committed fiction was adapted to the disenchantment and discontent of the late twentieth century Naguib Mahfouz Yusuf Idris and Sonallah Ibrahim Despite their disappointments with the direction of Egyptian society in the decades following the 1952 revolution they kept the spirit of committed literature alive through a deeply introspective examination of the relationship between the

writer the public and political power Reaching back to the roots of this literary movement DiMeo examines the development of committed literature from its European antecedents to its peak of influence in the 1950s and contrasts the committed works with those of disillusionment that followed Committed to Disillusion is vital reading for scholars and students of Arabic literature and the modern history and politics of the Middle East

**Liberation Theologies in the United States** Stacey M Floyd-Thomas,Anthony B Pinn,2010-03-01 Liberation Theologies in the United States reveals how the critical use of religion can be utilized to challenge and combat oppression in America In the nascent United States religion often functioned as a justifier of oppression Yet while religious discourse buttressed such oppressive activities as slavery and the destruction of native populations oppressed communities have also made use of religion to critique and challenge this abuse As Liberation Theologies in the United States demonstrates this critical use of religion has often taken the form of liberation theologies which use primarily Christian principles to address questions of social justice including racism poverty and other types of oppression Stacey M Floyd Thomas and Anthony B Pinn have brought together a stellar group of liberation theology scholars to provide a synthetic introduction to the historical development context theory and goals of a range of U S born liberation theologies Black Theology Anthony B Pinn Womanist Theology Stacey M Floyd Thomas Latina Theology Nancy Pineda Madrid Hispanic Latino a Theology Benjam n Valent n Asian American Theology Andrew Sung Park Asian American Feminist Theology Grace Ji Sun Kim Native Feminist Theology Andrea Smith Native American Theology George Tink Tinker Gay and Lesbian Theology Robert E Shore Goss Feminist Theology Mary McClintock Fulkerson An extraordinary resource for understanding the vitality of liberation theologies and their relation to social transformation in the changing U S context Written in an accessible and engaged way this powerful and informative text will inspire beginners and scholars alike I highly recommend it Kwok Pui lan author of Postcolonial Imagination and Feminist Theology A delight to read and an exemplary account of the genre of liberation theologies Religious Studies Review

**Critical Theories and the Budapest School** John Rundell,Jonathan Pickle,2017-12-06 Critical Theories and the Budapest School brings together new perspectives on the Budapest School in the context of contemporary developments in critical theory Engaging with the work of the prominent group of figures associated with Georg Luk cs this

book sheds new light on the unique and nuanced critiques of modernity offered by this school informed as its members insights have been by first hand experiences of Nazism Soviet type societies and the liberal democratic West With studies of topics central to contemporary critical theory such as the political and historical consciousness of modernity the importance of bio politics the complexity of the human condition and the relevance of comedy and friendship to developing critical perspectives the authors draw on the works of Gnes Heller Maria M r kus Gy rgy M r kus and Ferenc Feh r demonstrating their enduring relevance to critical theory today and the ways in which these philosophers can inform new perspectives on culture and politics An innovative reassessment of the Budapest School and the importance of its legacy this book opens a much needed and neglected dialogue with other schools and traditions of critical theorizing that will be of interest to scholars of sociology philosophy and social theory

*The Return of Feminist Liberalism* Ruth Abbey, 2014-10-14 While it is uncontroversial to point to the liberal roots of feminism a major issue in English language feminist political thought over the last few decades has been whether feminism's association with liberalism should be relegated to the past Can liberalism continue to serve feminist purposes This book examines the positions of three contemporary feminists Martha Nussbaum Susan Moller Okin and Jean Hampton who notwithstanding decades of feminist critique are unwilling to give up on liberalism This book examines why and in what ways each of these theorists believes that liberalism offers the normative and political resources for the improvement of women's situations It also brings out and tries to explain and evaluate the differences among them notwithstanding their shared allegiance to liberalism In so doing the book goes to the heart of recent debates in feminist and political theory

The ^AForm of the Firm Abraham A. Singer, 2018-10-25 The Form of the Firm attempts to unveil the nature of the corporation as it exists in modern liberal societies The author contends that economic theories understate the importance and danger of corporate power and should be supplemented with a political analysis that foregrounds the sorts of political and moral values at stake in corporate activity

*Worlds of Capitalism* Max Miller,2012-11-12 Efforts to combine the outstanding economic performance in the decades following the Second World War with social security appear to be endangered half way through the first decade of the 21st century This book draws together an international team of contributors including Douglass North Harold Demsetz and Michael Piore to assess the current world order *A Critical Theory of Global Justice* Malte Frøslee Ibsen,2022-12-20 This book offers the first systematic treatment of the idea of a critical theory of world society Malte Fr sleet Ibsen develops a reconstruction of the Frankfurt School tradition as four paradigms of critical theory in original interpretations of the work of notable theorists *Ideology After Poststructuralism* Sinisa Malesevic,Iain

MacKenzie,2002-03-20 Ideology is a hotly disputed term in social and political theory It continues to generate intellectual dispute more than 200 years after its birth in the fervour of the French Revolution Most recently post structuralists such as Foucault and Deleuze launched a strident critique claiming that there is no such thing as ideology creating a theoretical

environment which polarises critical opinion either for or against ideology Ideology after Poststructuralism aims to end this culture of antagonism by bringing together leading scholars in the field to establish a dialogue between post structuralism and ideology critique For the post structuralists there is a need to generate a sensitive account of ideology so as to bolster their claim that they have a significant contribution to make to social and political criticism For the ideology theorists there is a need to engage with the post structuralist critique of ideology without taking the assumptions that post structuralists have so thoroughly criticised The essays in this book show how the intellectual posturing of recent decades has closed off debate to the detriment of both post structuralism and ideology critique      *The Routledge Dictionary of Twentieth-Century Political Thinkers* Robert Benewick, Philip Green, 2002-09-11 This edition has been revised and extended to include eleven new entries on Berlin Chomsky Derrida Rorty and many others Comprising 169 entries it also includes non Western political thinkers
