Social Democracy And Labour Market Policy Developments In Britain And Germany:

Social Democracy and Labour Market Policy Knut Roder, 2003-12-08 This topical study reflects on problems faced by social democratic parties in government when espousing policies of severe pragmatism and fiscal prudence and provides a perspective to both parties changes in labour market policies

Climate Policy Changes in Germany and Japan Rie Watanabe, 2012-04-27 Climate Policy Changes in Germany and Japan compares two decades of climate policy development in Germany and Japan It examines whether there is any difference between the types and levels of policy change in the two countries and if so what factors account for the difference Using a comparison of climate policy changes in Germany and Japan from 1987 to 2005 as a basis it also discusses the effectiveness and the limits of existing theories of policy change and policy process most notably the Advocacy Coalition Framework ACF Punctuated Equilibrium Approach and Multiple Stream Approach and explores the theoretical question as to how long term paradigmatic policy change takes place The book lastly presents a hypothetical model of the mechanisms of paradigmatic policy change The two countries form a useful comparative approach to the issue of climate change They represent the range of types and levels of changes in policies to control CO2 emissions in the industrial and energy sectors dependent variables while also demonstrating similarities in a number of independent variables the size and structure of their economies their shares in global GHG emissions their general policy making styles including strong administrative systems and close relationships between ministries and industries and their general environmental policies Climate Policy Changes in Germany and Japan will be of interest to students and scholars of environmental and comparative politics

Think-Tanks, Social Democracy and Social Policy H. Pautz, 2012-03-13 An analysis of think tanks in Britain and Germany and their role in the re making of the British Labour party and Germany's Social Democrats as Third Way parties The part that think tanks played in the creation of the welfare state in the 1990s and 2000s is also explored in this book

The Politics of Foundations Helmut Anheier, Siobhan Daly, 2006-11-24 This book explores the roles and visions foundations have of and for themselves in the new Europe The leading contributors go beyond a quantitative profile of foundations in Europe and probe deeper into their role and contributions in meeting the economic cultural environmental and educational needs of European societies Includes a mapping and appraisal of foundation visions policies and strategies and an overall assessment of the current and future policy environment in which they operate The Politics of Foundations combines the detailed comparative analysis of current challenges facing foundations with individual country studies on Austria Belgium Czech Republic Denmark Estonia France Germany Greece Hungary Ireland Italy the Netherlands Norway Poland Spain Sweden Switzerland and the United Kingdom and also includes a comparative view from the United States This valuable reference will be of interest to researchers and students of foundations policy making comparative politics and international business as well as policy makers and professionals

The Origin of Electoral Systems in the Postwar Era Krister Lundell, 2009-09-10 This book explores and presents the influence of contextual factors on

the choice of electoral systems for parliamentary elections in both democracies and non democracies around the world Taking a macroscopic approach the author focuses on structural explanations with an emphasis on general patterns rather than country specific explanations Drawn from a wealth of data the book presents the frequency of the adoption of each electoral formula and system in the postwar era and is followed by a theoretical elaboration of electoral system choice The author then draws on rational cultural historical and institutional theories which are systematically analyzed by means of sophisticated bivariate and multivariate techniques Lundell demonstrates that few electoral systems have been chosen from rational considerations and the impact of the cultural and historical setting is tremendous colonial legacy regional influence and temporal trends largely explain the cross national variation in electoral systems This book will be of interest to students and scholars of political science electoral politics and comparative politics

The International Politics of

Democratization Nuno Severiano Teixeira, 2008-06-30 This book examines the international dimensions of democratization processes showing the degree to which international actors ranging from states to non governmental players have an influence on what were once thought of as exclusively domestic processes of political change The contributors to the volume look at changes in foreign policy resulting from transitions to democracy in a number of countries and regions Some of the areas covered include Portugal and Spain in Europe in the 1970s Brazil and Argentina in Latin America from the early 1980s Eastern and Central Europe in the 1990s Various countries in the Arab World The chapters adopt a theoretical and empirical perspective while the two introductory chapters of the book place a special emphasis on interpretation and quantitative analysis of regime change and the role of international actors in such processes the remaining chapters examines specific case studies The International Politics of Democratization will be of interest to students and researchers of International Relations Politics and Democracy

Deficits and Debt in Industrialized Democracies Eisaku Ide, Gene Park, 2015-03-24 Since the global financial crisis government debt has soared globally by 40 percent and now exceeds an astonishing 100 trillion Not all countries though have fared the same Indeed even prior to the financial crisis the fiscal fates of countries have been diverging despite predictions that pressures from economic globalization push countries toward more convergent fiscally conservative policies Featuring the work of an international interdisciplinary team of scholars this volume explains patterns of fiscal performance persistent patterns of budget deficits and government debt from the 1970s to the present across seven countries France Italy Germany Japan South Korea Sweden and the United States Employing a comparative case study approach seldom employed in studies of fiscal performance contributions illuminate the complex causal factors often overlooked by quantitative studies and advances our theoretical understanding of fiscal performance Among other things the cases highlight the role of taxpayer consent tax structure the welfare state organization of interests and labor and financial markets in shaping fiscal outcomes A necessary resource to understand a broader array of factors that shape fiscal outcomes in specific national contexts this book will reinvigorate the study of fiscal performance

The Rise of Regionalism Rune

Dahl Fitjar,2009-09-10 During the past 40 years regions have become increasingly important in Western Europe both as units of government and as sources for political mobilization This book examines why regional identities are stronger in some regions than in others and why regional elites attempt to mobilize the public on a regionalist agenda at certain points in time The author develops a model that explains change across space as well as time and provides a comprehensive discussion of the causes of regionalism It focuses on endogenous developments in the regions and on change across time in the economic and political landscapes of the regions Using a quantitative study of 212 Western European regions which examine whether regionalism is related to cultural economic and political characteristics of the regions the book builds a model of the causes of regionalism The issues are further explored through case studies on Scotland UK and Rogaland Norway This book will be of interest to students and scholars of political and social sciences especially those with an interest in regions regionalism and regional nationalism Scottish politics Norwegian politics territorial identities and territorial politics *Post-communist*

Regime Change Jørgen Møller,2009-06-02 This book seeks to explain the divergent political pathways of twenty six post communist states following the breakdown and eventual collapse of communism in 1989 1991 Considering the trajectories of individual states between 1990 2007 this book challenges two central bodies of theory relating to democratization and regime change Through a sustained analysis of global and post communist developments within this time period the author shows that claims of an increasing asymmetry between the electoral and liberal elements of modern democracy have been greatly exaggerated The author goes on to contend that in accounting for the geographical dispersion of post communist regime forms deeper structural factors should be considered as crucial The book is divided into the following parts Part I demonstrates how different conceptualisations of democracy can lead to very different conclusions about the empirical dynamics of democratization Part II contrasts different explanations of post communist political change and provides an integrated framework for explaining the political pathways encountered within the former Eastern Bloc This book will be of interest to students and scholars of post communist studies democratization studies comparative politics and regime change

The Politics of Women's Interests Louise Chappell,Lisa Hill,2006-09-27 This new study reveals how institutional practices and discourses shape the way men and women are conceived of and how through this process gender stereotypes and expectations are created Informed by the latest research and trends these expert authors examine the way in which domestic and global institutions shape and reflect gender interests and the extent to which feminists can challenge gender norms through political institutions They examine regional national and international institutions including the EU ICC and UN and take a broad view of political institutions to include bureaucracy federalism legal structures parliaments voting and electoral institutions and media coverage of women s involvement in such institutions Drawing on experiences in the US UK Australia Canada and New Zealand this book will be of great interest to students and scholars of gender studies political science and comparative politics **Semi-Presidentialism Outside Europe** Robert Elgie,Sophia Moestrup,2007-06-11 This is the first

academic study of the impact of semi presidentialism in emerging democracies outside of Europe Semi presidentialism is where there is both a directly elected fixed term president and a prime minister who is responsible to the legislature For the most part semi presidentialism is seen as being a risky choice for new democracies because it can create potentially destabilizing competition between the president and prime minister And yet there are now more than fifty semi presidential countries in the world Moreover many of these countries are in Africa the former Soviet Union and Asia often in places where democracy has yet to establish a firm foundation This study begins with a chapter that discusses the advantages and disadvantages of semi presidentialism and provides the theoretical framework for a wide ranging series of country chapters presented in the second part of the book Written by country area specialists the case studies highlight the political processes at work in young semi presidential democracies Semi Presidentialism Outside Europe will appeal to those researching and studying in the fields of comparative politics development and democracy

Party Organization and Electoral Volatility in Central and Eastern Europe Sergiu Gherghina, 2014-10-17 Political parties in post communist countries have very high levels of electoral volatility In these environments political factions fail to establish long term connections with the electorate and thus regularly rise and fall from the political arena This book provides an organizational explanation for the variations in party level electoral volatility It looks comparatively at 29 political parties in six Central and Eastern European democracies between 1990 and 2008 to examine how political parties can influence their electoral environment Using empirical evidence Gherghina tests the effect of candidate selection procedures membership organizations and re nomination of incumbent MPs on voters loyalty and in doing so demonstrates how party organization greatly affects electoral stability Including case studies from Bulgaria Czech Republic Hungary Poland Romania and Slovakia this book will be of interest to students and scholars of comparative politics party politics democratization elections and Central and Eastern European politics

Citizenship and Ethnic Conflict Haldun Gülalp, 2006 Making a new case for separating citizenship from nationality this book comparatively examines a key selection of nation states in terms of their definitions of nationality and citizenship and the ways in which the association of some with the European Union has transformed these definitions In a combination of case studies from Europe and the Middle East this book s comparative framework addresses the question of citizenship and ethnic conflict from the foundation of the nation state to the current challenges raised by globalization This edited volume examines six different countries and looks at the way that ethnic or religious identity lies at the core of the national community ultimately determining the state s definition and treatment of its citizens The selected contributors to this new volume investigate this common ambiguity in the construction of nations and look at the contrasting ways in which the issues of citizenship and identity are handled by different nation states This book will be of great interest to students and scholars studying in the areas of citizenship and the nation state ethnic conflict globalization and Middle Eastern and European Politics

Parliamentary Oversight Tools Riccardo Pelizzo, Frederick Stapenhurst, 2013-06-17 This book investigates

Parliaments capacity to oversee government activities policies and expenditures Utilising a comparative approach the book presents a new examination of oversight tools and discusses the conditions under which such tools are employed effectively The result of a 9 year collaboration between the authors this book draws from the findings of survey data collected by the World Bank Institute and the Inter Parliamentary Union analysing information from 120 parliaments The book represents a rigorous attempt to test whether international organizations are correct in claiming that the quality of democracy and good governance can be improved by strengthening the oversight capacity of legislatures It discusses the tools available to parliaments worldwide and taking a comparative approach considers which tools are more or less common how oversight capacity can be estimated how oversight capacity is related to other institutional and constitutional factors and above all what ensures that oversight tools are used effectively This analysis reveals that while the quality of democracy and good governance benefit from effective oversight oversight effectiveness cannot be reduced to oversight capacity The book urges policy makers and reformers to change their approach from strengthening capacity to securing that the capacity is put to good use Parliamentary Oversight Tools will be of interest to students scholars and practitioners of legislative politics and governance

Party Politics in the Western Balkans Vera Stojarová, Peter Emerson, 2013-10-02 This book examines the development of party politics in the region of Western Balkans describing party politics and analyzing inter ethnic or inter party cooperation and competition Beginning with a thematic overview of the electoral systems and their link to the party systems the authors consider the legacy of socialist communist parties compare the nationalist parties in the region and explore opportunities for the national minorities The book then provides detailed country case studies on Croatia Bosnia and Herzegovina Serbia Montenegro Kosovo Macedonia and Albania that Provide an overview of the development of the respective political system since 1990 presenting key changes over time Depict important political issues in each of these countries and explains parties particular policies in relation to these issues Discuss the level of democracy as well as ethnic minorities in the given states Explore the extent to which nationalism has dominated party organization the stability of the parties important changes in the party policies and their electoral performance and personalisation of the parties Bringing together a range of specialist experts on the Balkans this book will be of interest to students and scholars of party politics comparative European politics post communist politics nationalism Southern European and Western Balkan politics

The Globalization of Motherhood Wendy Chavkin, Jane Maree Maher, 2010-09-13 The convergence of dramatic declines in birth rates worldwide aside from sub Saharan Africa the rise of untrammelled global movement of capital people and information and the rapid fire dissemination of a host of new medical technologies has led to the globalization of motherhood This book brings together research from the Global North and the Global South to illuminate how contemporary motherhood is being changed by the processes of globalization It locates declining fertility and desire for motherhood in the context of female employment the development of the global market in reproductive technologies the rising transnational labour market

demand for feminized carework and changing family forms Focusing on the impacts on women who mother and enable others to do so across diverse contexts the book examines the way in which conception gestation mothering labor and care are being mobilized across national boundaries Bringing together demographers sociologists lawyers public health and social theorists this book will be of interest to students and scholars of globalization studies development studies gender studies feminist politics political economy human rights and social policy

Women's Movements Sandra Grey, Marian Sawyer, 2008-04-24 Written by leading women's movement scholars this book is the first to systematically apply the idea of social movement abeyance to differing national and international contexts Its starting point is the idea that the women's movement is over an idea promoted in the media and encouraged by scholarship that regards disruptive action as a defining element of social movements It goes on to compare the trajectories over the past 40 years of women's movements in Australia Canada Japan Korea New Zealand the United Kingdom and the United States Finally it looks at the extension of feminist activism into supranational and subnational institutions the global and the local and into cyberspace Comparing these diverse sites of political and social action illuminates some of the major opportunities and constraints that have impacted upon women's movements It advances our understanding of the lifecycles of social movements by examining the differing ways in which women's movements operate and sustain themselves over time and space ways that often differ from those of male led movements The book also engages with the question of whether there is an on going women's movement with sufficient continuity to warrant description as such by presenting the voices of young activists East and West Filling an important gap in social movement research this book will be of interest to sociologists political scientists and gender studies scholars and researchers

How Political Parties Respond Kay Lawson, Thomas Poguntke, 2004-08-02 How Political Parties Respond focuses specifically on the question of interest aggregation Do parties today perform that function If so how If not in what different ways do they seek to show themselves responsive to the electorate This fascinating book studies these questions with reference to Great Britain France Germany Italy Spain Denmark Norway Sweden and Canada A chapter on Russia demonstrates how newly powerful private interest groups and modern techniques of persuasion can work together to prevent effective party response to popular interests in systems where the authoritarian tradition remains strong

Democratization and the European Union Leonardo Morlino, Wojciech Sadurski, 2010-05-31 This book examines in depth the impact of the EU on aspects of the quality of democracy in eight selected post communist countries Considering both the political and legal aspects of the dynamics among institutions and focussing on inter institutional accountability the book analyses how constitutional designs have been effectively implemented to achieve this and to what extent this was the result of EU action In order to make a comparative assessment of the EU on democracies the book features detailed case studies according to their different status vis vis the EU including older new member states Poland and Hungary newer new member states Romania and Bulgaria potential candidates Albania and Serbia and neighbour and remote neighbour states Ukraine

and Armenia Each chapter addresses a range of dimensions and most relevant domains of inter institutional accountability that is executive legislative relationships constitutional justice decentralisation and regionalism and the role of ombudsman or other relevant authorities Seeking to assess how important the role of the EU has been in influencing the modes and characteristic of democracies and fundamental rights established in these regions this book will be of interest to students and scholars of comparative politics EU politics Post communist studies and democratization studies *Politics of Religion and Nationalism* Ferran Requejo, Klaus-Jürgen Nagel, 2014-12-17 There are numerous examples of how religion and nationalism intertwine In some cases a common religion is the fundamental marker of a nation s identity whereas in others secular nationalism tries to hold together people of different religious beliefs This book examines the link between religion and nationalism in contemporary polities By exploring case studies on India Russia Israel Canada Chechnya Bosnia Herzegovina Belgium Northern Ireland Scotland Sri Lanka Catalonia and the Basque Country it seeks to understand the relationship between these two key societal forms of diversity and assess the interaction between religious and nationalist perspectives Expert contributors examine a variety of phenomena including secular nationalism secessionism and polities in which religious pluralism is evolving This book will be of interest to students and scholars of political science religion and politics nationalism federalism secession political philosophy racial and ethnic politics and comparative politics

Social Democracy And Labour Market Policy Developments In Britain And Germany Introduction

In the digital age, access to information has become easier than ever before. The ability to download Social Democracy And Labour Market Policy Developments In Britain And Germany has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Social Democracy And Labour Market Policy Developments In Britain And Germany has opened up a world of possibilities. Downloading Social Democracy And Labour Market Policy Developments In Britain And Germany provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Social Democracy And Labour Market Policy Developments In Britain And Germany has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Social Democracy And Labour Market Policy Developments In Britain And Germany. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent

platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Social Democracy And Labour Market Policy Developments In Britain And Germany. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Social Democracy And Labour Market Policy Developments In Britain And Germany, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Social Democracy And Labour Market Policy Developments In Britain And Germany has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
