Social Justice In Human Relations Societal And Psychological Origins Of Justice

John T. Jost, Brenda Major

Social Justice In Human Relations Societal And Psychological Origins Of Justice:

Social Justice in Human Relations Herman Steensma, Riël Vermunt, 1991-02-28 A collection of papers first presented at the International Conference on Social Justice in Human Relations Leiden 1986 by sociologists and psychologists from Europe and North America The 12 papers are organized to reflect two major themes justice and societal and developmental processes and j

Social Justice in Human Relations Herman Steensma, Riël Vermunt, 1991

Social Justice in Human Relations Volume 2 Herman Steensma, Riël Vermunt, 2013-06-29 Justice plays an important role in our culture The topic of justice has attracted the attention of scholars all over the world Beginning in 1985 a continuing series of international conferences on social justice in The Netherlands at which scientists present and discuss started papers exchange information and choose new roads to theory building In this volume a selection of papers presented at the International Conference on Social Justice in Human Relations Leiden 1986 is published There has been some refinement and improvement thanks to the comments made by experts in the field The chapters in this volume represent second and in some cases even third or fourth versions of the papers As organizers of the conference and editors of this volume we hope that the reader will be pleased by the content and the high quality of the chapters There is some diversity but there also are some common themes We have organized the chapters with respect to what we think are two important themes 1 behavioral and attitudinal reactions to injustice and 2 macrojustice These categories are not mutually exclusive for some chapters could have been placed in both categories Still we think the distinction between these themes has value

Expert Witness in the Legal System: A Scientist's Search for Justice ,

Current Societal Concerns about Justice Leo Montada, Melvin J. Lerner, 2013-06-29 What role does justice play in the formation of public opinion and the scholarly debates about social problems Does the perception of injustice force problems to appear on the political agenda Does the perception of an injustice give momentum to social change Or are violations of self interest or threats to one's material welfare the more important factors Or are empathy driven concerns for the needy and the disadvantaged motivations to solve societal problems What is known about the role justice concerns play in leadership In several chapters of this volume justice concerns and justice motives are viewed in relation to other concerns and motivations welfare self interest altruism It is argued that the consensus of political theorists converges on mutual advantage as the main criterion of acceptable solutions to solving societal problems In economics self interest is considered the driving force and provides the criterion of acceptable solutions Sociological and social psychological exchange theories share these basic assumptions Thus questions are raised and answered concerning how justice and these other important motives appear in the analyses of societal problems and the search for solutions Moreover in addition to the issue of conflicting motives self interest altruism justice it is commonly recognized that the definition of what is just and what is unjust is open to question In public as well as in scientific dialogues diverging views about justice have to be integrated or decided upon

The Justice Motive in Everyday Life Michael

Ross, Dale T. Miller, 2002-02-11 This book contains essays in honour of Melvin J Lerner a pioneer in the psychological study of justice The contributors to this volume are internationally renowned scholars from psychology business and law They examine the role of justice motivation in a wide variety of contexts including workplace violence affirmative action programs helping or harming innocent victims and how people react to their own fate Contributors explore fundamental issues such as whether people's interest in justice is motivated by self interest or a genuine concern for the welfare of others when and why people feel a need to punish transgressors how a concern for justice emerges during the development of societies and individuals and the relation of justice motivation to moral motivation How an understanding of justice motivation can contribute to the amelioration of major social problems is also examined *Handbook of the History of Social Psychology* Arie W. Kruglanski, Wolfgang Stroebe, 2012-10-12 For the first time in the history of social psychology we have a handbook on the history of social psychology In it leading luminaries in the field present their take on how research in their own domains has unfolded on the scientists whose impact shaped the research agendas in the different areas of social psychology and on events institutions and publications that were pivotal in determining the field's history Social psychology's numerous subfields now boast a rich historical heritage of their own which demands special attention The Handbook recounts the intriguing and often surprising lessons that the tale of social psychology's remarkable ascendance has to offer The historical diversity is the hallmark of the present handbook reflecting each of this field's domains unique evolution Collectively the contributions put a conceptual mirror to our field and weave the intricate tapestry of people dynamics and events whose workings combined to produce what the vibrant discipline of social psychology is today They allow the contemporary student scholar and instructor to explore the historical development of this important field provide insight into its enduring aims and allow them to transcend the vicissitudes of the zeitgeist and fads of the moment The Handbook of the History of Social Psychology provides an essential resource for any social psychologist's collection **Justice and Conflicts** Elisabeth Kals, Jürgen Maes, 2011-10-20 Central to the book are questions concerning the existence and the characteristics of justice motives and concerning the influence that justice motives and justice judgements have on the emergence but also the solution of social conflicts Five main themes will be addressed 1 Introduction and justice motive 2 organizational justice 3 ecological justice 4 social conflicts and 5 solution of conflicts The authors of the editions are scholars of psychology as well as distinguished experts from various other disciplines including sociologists economists legal scholar educationalists and ethicists The common ground of all contributors is their independent conduction of empirical research on justice issues Apart from the German contributors authors represent scholars from the US India Korea New Zealand and various European countries Austria Switzerland the Netherlands UK Sweden The Oxford Handbook of Justice in the Workplace Russell Cropanzano, Maureen L. Ambrose, 2015 Offering the most thorough discussion of organizational justice currently available The Oxford Handbook of Justice in the Workplace provides a comprehensive review of empirical and conceptual research

addressing this vital topic *Values, Achievement, and Justice* Norman T. Feather, 2005-12-02 When we say that a person deserves a positive or negative outcome we are making a judgment that is influenced by a number of variables We would certainly take into account whether the person was responsible for the outcome or whether the outcome could be attributed to other sources We would also consider whether the actions that led to the positive or negative outcome were actions that we would value or actions that would meet with our disapproval We might also be influenced by the person's own positive or negative characteristics by our knowledge of what kinds of groups or social categories the person belonged to and by whether we like or dislike the person Information about these different variables has to be considered and integrated in some way and our judgment of deservingness follows that psychological process a process that involves the cognitive affective system Values Achievements and Justice is about deservingness and about the variables that affect the judgments we make I use the term deservingness although I could equally have referred to deservedness or desert The terms are all virtually equivalent in meaning although dictionaries may separate them by using fine distinctions I assume that the sorts of variables I have just described will affect our judgments of deservingness and I further assume that a judgment of deservingness is most likely to occur when these variables fit together in a consistent harmonious and balanced way *Justice and Self-Interest* Melvin J. Lerner, Susan Clayton, 2011-03-07 This volume argues that the commitment to justice is a fundamental motive and that although it is typically portrayed as serving self interest it sometimes takes priority over self interest To make this case the authors discuss the way justice emerges as a personal contract in children's development review a wide range of research studying the influences of the justice motive on evaluative emotional and behavioral responses and detail common experiences that illustrate the impact of the justice motive Through an extensive critique of the research on which some alternative models of justice are based the authors present a model that describes the ways in which motives of justice and self interest are integrated in people's lives They close with a discussion of some positive and negative consequences of the commitment to justice *The Justice Motive as a Personal Resource* Claudia Dalbert, 2013-04-18 Beginning with the assumption that a justice motive exists the author posits that belief in a just world influences the behavior of most people most of the time This is true for all people of all ages and in all areas of life for those struggling with their daily tasks as well as for those coping with a critical life event An individual's belief in a just world is a necessary condition for a person's sense of fairness and mediates its adaptive effect on mental health *Distributive and Procedural Justice* Kjell Törnblom, Riël Vermunt, 2016-05-23 This interdisciplinary and cross national volume brings together theory and research by prominent scholars within the areas of distributive and procedural justice not only featuring work within each area separately as is commonly done but also showing how combinations of the two justice orientations might operate to affect justice judgments and guide behaviour Chapters cover various levels of analysis from intra personal to interpersonal to group and societal levels The volume is divided into four sections distributive justice procedural justice distributive and procedural justice and

methodological issues Each section is subdivided into two parts basic research and applied research re current and important societal issues Each chapter contains an overview of theoretical and empirical research on a particular topic The volume is designed for use on courses in social psychology psychology sociology political philosophy and law *Game Theory and the Social Contract: Just playing* K. G. Binmore,1994 Written for an interdisciplinary audience Just Playing offers a panoramic tour through a range of new and disturbing insights that game theory brings to anthropology biology economics philosophy and psychology **Understanding Prejudice, Racism, and Social Conflict** Martha Augoustinos,Katherine Jane Reynolds,2001-09-25 This book stands out for a number of reasons the result is an authoritative provocative and challenging collection which will doubtless help to stimulate further debate in the field Susan Condor Department of Psychology Lancaster University The authors are to be commended for assembling an unusually stimulating collection of chapters the book is clearly distinguished by the breadth of its coverage and the theoretical insights it offers It is a valuable addition to any collection on this topic Jack Dovidio Department of Psychology Colgate University This is a comprehensive text that is extremely well written by top social psychologists with all of the major theoretical perspectives represented The editors should be commended for putting together this lively and engaging text Nyla Branscombe Department of Psychology University of Kansas A range of international events have recently focused attention on issues of prejudice racism and social conflict increasing tensions in former Eastern bloc countries political conflict in Northern Ireland and the United States as well as racial conflict in the Baltic States Middle East Africa and Australasia In light of these events Understanding Prejudice Racism and Social Conflict presents a timely and important update to the literature and makes a fascinating textbook for all students who need to study the subject A variety of theoretical and conceptual approaches are necessary to fully understand the themes of prejudice and racism This textbook successfully presents these uniquely by examining how these themes manifest themselves at different levels at the individual interpersonal intergroup and institutional levels It aims to integrate the different approaches to understanding racism and prejudice and to suggest new ways to study these complex issues This integrated international focus should make it key reading for students in many countries With contributions from world leading figures Understanding Prejudice Racism and Social Conflict should prove to be an invaluable teaching resource and an accessible volume for students in social psychology as well as some neighbouring disciplines **Entitlement and the Affectional Bond** Melvin J. Lerner,Gerold Mikula,2013-06-29 If the truth were told this volume and its direct antecedents must rank among the most ambitious if not simply pretentious endeavors imaginable at least in the social sciences The titles of the volume and the chapters promising to integrate the experiences of the sense of justice and the affectional bonding of people in close relations seem straightforward and reasonable enough What they fail to convey however is the simple bald fact that we in the human social sciences have no firm grasp on either of these two fundamental experiences what we sometimes call love and justice To begin with even as scientists committed to understanding based upon systematic

propositions linking publicly observable concepts we have no clear consensus concerning the nature of the affectional bonds linking people in close relationships love intimacy caring mutual responsiveness or the sense of justice fairness deserving and in our efforts to understand entitlement And we are continually handicapped stand these complex moving experiences by the persistent tendency to reduce them to manifestations of nothing but familiar psychological or even biological processes secondary rewards selfish genes So why then this volume Although there are many answers to the question probably the most germane is that the basic issues are so important and intriguing that the recent past has seen rather dramatic parallel growth in social scientists interest in these two areas justice and close relationships

The Psychology of Legitimacy

John T. Jost, Brenda Major, 2001-09-10 This book first published in 2001 provides a general approach to the psychological basis of social inequality

Regulating Religion James T. Richardson, 2012-12-06 *Regulating Religion Case Studies from Around the Globe* presents through the inclusion of contributions by international scholars a global examination of how a number of contemporary societies are regulating religious groups It focuses on legal efforts to exert social control over such groups especially through court cases but also with selected major legislative attempts to regulate them As such this analysis falls within the broad area of the sociology of social control and more specifically legal social control a topic of great interest when studying how contemporary societies attempt to maintain social order The factual details about social and legal developments in societies where religion has been defined as problematic include Western and Eastern Europe Asia Oceania and the Americas This book will be of interest to researchers and students in the sociology of religion the sociology of law social policy and religious studies as well as policy makers

Living and Dying Well Lewis Petrinovich, 2013-11-11 *Living and Dying Well* takes an informed interdisciplinary approach to the problems data theory and procedures that a just society must consider when establishing policies regarding human life and death Leading psychologist Lewis Petrinovich expands on the controversial arguments developed in his earlier work *Human Evolution Reproduction and Morality* and considers such contemporary issues as the morality of human genetic screening and of the Human Genome Project organ transplants the allowance of suicide and euthanasia and physicians assisting in the dying process

Handbook of Quality of Life Research Robert W. Marans, Robert J. Stimson, Noah J. Webster, 2024-03-14 This erudite Handbook demonstrates how multiple approaches have been used to conceptualize measure and model the complex issue of quality of life QOL and individual well being emphasizing place and space as critical factors in a meaningful QOL experience among diverse populations including special attention given to older adults

Social Justice In Human Relations Societal And Psychological Origins Of Justice Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Social Justice In Human Relations Societal And Psychological Origins Of Justice free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Social Justice In Human Relations Societal And Psychological Origins Of Justice free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Social Justice In Human Relations Societal And Psychological Origins Of Justice free PDF

files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Social Justice In Human Relations Societal And Psychological Origins Of Justice. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Social Justice In Human Relations Societal And Psychological Origins Of Justice any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Social Justice In Human Relations Societal And Psychological Origins Of Justice Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Social Justice In Human Relations Societal And Psychological Origins Of Justice is one of the best book in our library for free trial. We provide copy of Social Justice In Human Relations Societal And Psychological Origins Of Justice in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Social Justice In Human Relations Societal And Psychological Origins Of Justice. Where to download Social Justice In Human Relations Societal And Psychological Origins Of Justice online for free? Are you looking for Social Justice In Human Relations Societal And Psychological Origins Of Justice PDF? This is definitely going to save you time and cash in something you should think about.
