Foundation** R. Douglas Brackenridge, 1999-01-01 For two centuries the Presbyterian Church U S A Foundation has been at work serving the church and undergirding its mission In this authoritative and carefully researched history R Douglas Brackenridge unfolds the story of how the Foundation developed its unique role in the Presbyterian Church U S A It is a history filled with strong leaders vigorous challenges and lively debate Brackenridge shows how the Foundation even in times of struggle has been shaped over the decades as a significant instrument of support to the Presbyterian Church U S A      **Towards the Prophetic Church** John M. Hull, 2014-09-30 Thirty years ago John Hull wrote *What Prevents Christian Adults from Learning* This new book asks *What Prevents Christian Adults from Acting* How has it come about that the Church appears to be so preoccupied with itself What happened to the quest for the social justice of the Kingdom of God John Hull's search for understanding took him back to the prophetic tradition of the Bible and he discovered that this has become neglected and even betrayed Christian discipleship must be more than church going and prayer Christians must resist the unjust structures of society in the prophetic tradition Theological reflection is not enough      *The Kingdom of God* John Fuellenbach, 2006-04-01 The fruit of many decades of study and teaching *The Kingdom of God* provides an impressive systematic treatment of the doctrine of the Kingdom of God It is a comprehensive review of this crucial symbol as well as a careful analysis of its meaning and a creative interpretation of the Kingdom motif for the church and Christians in our age *The Kingdom of God* begins by analyzing the background of this

idea in Hebrew scripture and tradition and in the preaching of Jesus Fuellenbach explores how this elusive phrase presents a specific comprehensive view of reality and a goal for transforming the world In Fuellenbach s reading the Kingdom forms the core of Christian faith and the reference point of all theology spirituality and apostolic activity Fuellenbach pays special attention to the relationships among Kingdom Church and World arguing that with the Kingdom Jesus proclaimed a vision that embraces God humankind and the whole of creation in the single most comprehensive vision of reality imaginable The Kingdom of God is balanced and nuanced in its scholarship but also vigorous and courageous in taking positions sure to provoke debate For example Fuellenbach argues that the word Kingdom is to be preferred over the word Reign despite critiques that find the word problematic in its patriarchal connotations Designed for and tested in classrooms worldwide The Kingdom of God will be particularly useful in both scripture and theology courses It holds much food for thought for religious educators pastoral workers clergy and others who wish for a clear systematic understanding of Jesus vision of the Kingdom now and to come

*Issues and Innovations - Rajawali Pers* Wahyu Widada, Condro Kirono, Dedi Prasetyo, Chrysnanda Dwi Laksana, Ribut Hari Wibowo, Idodo Simangunsong, Dedy Tabrani, Nugroho Ari Setiawan, Wahyu Nugroho Setyawan, Andi Yudha Pranata, Ardian Dirgantara, Ariztra Arif Amandita, Annas Zulkarnain, Bintang Cahya Sakti, Boy Jeckson Situmorang, Dhanan Sarwo Utomo, Eko Suprihanto, Hendra Wirawan, Hafiz Prasetya Akbar, I Gusti Putu Bagus Pradana, I Nyoman Putra Sandita, Muhammad Imam Farid, Joko Agung Purnomo, Joshua Octavianus Mualim, Kadek Ari Bayuna, I Made Hendra Agustina, Muhammad Iqbal Wicaksana, Nabila Awalia Rahma, Sandhi Wiedyanoe, Sony Giovanni Mulyono, Satrio Bagaskara Gunadi Putra, 2025-06-25 The theme of the police especially in a country with multiethnic multicultural characteristics and geographical conditions like Indonesia is a theme that will never run out of discussion The numerous variables that are the focus of police activities in Indonesia make the perspective of policing very rich and offer an interesting point of view to be researched and discussed in written works including both popular and scientific papers based on research and literature studies However so far there is still little literature discussing this topic in English especially from those directly involved in the world of policing in Indonesia namely members of the Indonesian National Police For this reason this edited book is one of the efforts to discuss the rich perspective on Indonesian policing The articles in this book are written by police personnel who are currently pursuing or have completed a master s or doctoral degree abroad Some of the writings written in collaboration with high ranking officers of the Indonesian National Police offer an eagle eye view that is slightly different from the books on policing in Indonesia that have been published before This book is expected to spark positive discussions on several technical policing issues in Indonesia which can later serve as a valuable reference for further research on the management of public security order and law enforcement both in Indonesia and globally **The Moral Foundations of the Youth Justice System**

Raymond Arthur, 2016-12-01 When is it fair to hold young people criminally responsible If young people lack the capacity to make a meaningful choice and to control their impulses should they be held criminally culpable for their behaviour In what ways is the immaturity of young offenders relevant to their blameworthiness Should youth offending behaviour be proscribed by criminal law These are just some of the questions asked in this thoughtful and provocative book In *The Moral Foundations of the Youth Justice System* Raymond Arthur explores international and historical evidence on how societies regulate criminal behaviour by young people and undertakes a careful examination of the developmental capacities and processes that are relevant to young people s criminal choices He argues that the youth justice response needs to be reconceptualised in a context where one of the central objectives of institutions regulating children and young people s behaviour is to support the interests and welfare of those children This timely book advocates a revolutionary transformation of the structure and process of contemporary youth justice law a synthesised and integrated approach that is clearly distinct from that used for dealing with adults This book is a key resource for students academics and practitioners across fields including criminal law youth justice probation and social work **Social justice** Great Britain: Department for Work and Pensions, 2012-03-13

the singular and unstructured life of Sister Mary Walter What are the connections between the bell that rang at five in the morning and the one that sounded at any hour This history examines the period of 1943 to 2000 an era during which the Sisters of Divine Providence redefined their perspective and practices within the context of a changing American Catholic church It demonstrates that the Sisters were well situated to embrace the shifting demands of religious mission because their very heritage was grounded in ongoing transformations Those transformations were played out on a highly charged stage of oppression concerning multi racial relationships one that further prepared the Sisters for the intense dynamics of modern church life When the Sisters celebrated in 1966 the centennial of their arrival in Texas they were staffing their own college high schools and numerous grammar schools in several states as well as hospitals clinics and neighborhood centers They had incorporated a group of women from Mexico and encouraged the independence of a new Providence congregation in the U S Responding to Vatican encouragement after the second Vatican Council they began experiments to update structures and customs so as minister more effectively The most visible were in the areas of community living and governance and were accompanied by greater collegiality subsidiarity variety in prayer Changing Church Jann Aldredge-Clanton, 2011-11-01 Through the fascinating stories of pioneering ministers this book reveals a unique picture of progressive changes occurring in the Christian tradition Meeting challenges and overcoming obstacles these twelve diverse ministers are changing the church as they take prophetic stands on gender race interfaith cooperation ecology sexual orientation economic opportunity and other social justice issues Believing in the power of sacred symbolism to shape social reality and to provide a foundation for justice and freedom for all people these ministers lead worship with inclusive language and imagery for humanity and divinity They include multicultural female and male images of the Divine Their stories affirm the connection between this expansive theology and an ethic of justice and equality in human relationships In working from within to change the church these ministers have risked censure by denominational authorities loss of opportunities for promotion to larger congregations or to prestigious denominational positions and even loss of their jobs They have found creative ways to balance advocating for change and working to support the church using their positions as ordained clergy to bring liberating change to the church and the wider culture
