Social Maxims Of General George Washington:

Social Maxims of General George Washington John Frederick Schroeder, William B. Sprague, 2005-12-01 This scarce antiquarian book is a facsimile reprint of the original Due to its age it may contain imperfections such as marks notations marginalia and flawed pages Because we believe this work is culturally important we have made it available as part of our commitment for protecting preserving and promoting the world s literature in affordable high quality modern editions that are true to the original work

George Washington's Rules of Civility Moncure Daniel Conway, George Washington, 2019-11-20 In George Washington s Rules of Civility readers are presented with a meticulously curated anthology that draws from the foundational mores of early American society The collection delves into themes of etiquette social norms and moral disciplines as reflected in the era of Washington Through an array of literary styles ranging from reflective essays to didactic observations the anthology illuminates the evolving ideals of civility that shaped the culture and character of the time Among its myriad themes the exploration of personal integrity and communal responsibility stand out offering a lens through which to comprehend the broader societal expectations of the burgeoning United States This anthology with contributions by the distinguished Moncure Daniel Conway alongside the original works of George Washington brings together diverse voices that resonate through the epochs Conway s editorial acumen and his profound historical insight amplify Washington s reflections serving not just as an echo of the past but as vibrant dialogue between generations Aligning with Enlightenment ideals and the transformative currents of post colonial America these works converge to offer a comprehensive vista into the ethical and cultural tenor that underscored Washington s life and leadership George Washington s Rules of Civility is a compelling invitation to readers eager to explore the intellectual vestibules of early American thought It presents an invaluable opportunity to engage with a spectrum of perspectives on civility offering educational insights into the foundational values that continue to influence contemporary society This anthology not only serves as a testament to the enduring legacy of Washington s guiding principles but also fosters dialogue between past and present sensibilities making it an essential read for scholars and enthusiasts alike In this enriched edition we have carefully created added value for your reading experience A succinct Introduction situates the work s timeless appeal and themes The Synopsis outlines the central plot highlighting key developments without spoiling critical twists A detailed Historical Context immerses you in the era s events and influences that shaped the writing A thorough Analysis dissects symbols motifs and character arcs to unearth underlying meanings Reflection questions prompt you to engage personally with the work s messages connecting them to modern life Hand picked Memorable Quotes shine a spotlight on moments of literary brilliance Interactive footnotes clarify unusual references historical allusions and archaic phrases for an effortless more informed read

George Washington's Leadership Lessons James Rees, Stephen J. Spignesi, 2011-01-06 From James Rees Executive Director of Mount Vernon comes an enlightening guide to the leadership wisdom of America s first great leader George

Washington was more than just an inspiring battlefield commander he was critical to the founding and success of the United States of America His leadership his vision and his courage united a war torn country and set the United States on the path to greatness Washington's historic contribution to this nation his leadership and his character are as relevant and valuable today as they have ever been This book reveals Washington's character his leadership his vision and most surprising of all his business skills and acumen Most people aren't aware that Washington while all of the above was also a successful businessman and visionary entrepreneur Exhibiting qualities sorely lacking in so many of our political and business leaders today Washington remained steadfastly honest and ethical following guiding principles that would benefit leaders around the world George Washington's Leadership Lessons reveals a man of true character worthy of emulation not just in the realm of politics and war but in all leadership positions

George Washington's Religion Stephen J. Vicchio, 2019-09-17 In this book Professor Stephen Vicchio gives a comprehensive analysis of the religious beliefs of the first president of the United States George Washington After discussing Washington's early religious life in the Anglican and Episcopal churches Professor Vicchio goes on to analyze Washington's views on God the Bible religious toleration ethics and virtue prayer and whether or not America was established as a Christian nation as well as his understanding of the problem of evil and the afterlife

Defining America's Exceptionalism Roger Anghis, 2012-08-30 Many pastors I have spoken with have no problem with the so called separation of church and state and have even told me that it was in our Constitution Because we no longer teach our Constitution in our schools and we the pastors do not teach the importance of who we are and where we came from we have come to the point where we believe what we are told by academia concerning our Founding Fathers and the Constitution and have been led down a path of falsehoods and deception It has been long said that if we forget who we are and where we came from we will not know who we are or where we are going There are many forces out there determined to remove all vestiges of our religious history Our Founding Fathers knew that there was to be involvement by the church and allowed the influence of Christianity to be prevalent The only separation of church and state that the founders wanted was an institutional separation They designed our Constitution so that the government would have no say whatsoever in the exercise of religion by the people Today's government has turned that around 180 degrees and is now using what used to guarantee freedom of religion to the removal of religion from the public square Will we let it continue It is now the choice of We the People

Maxims of George Washington George Washington, 1988-01-01

Life of the Soldier and the Airman, 1951

George Washington, Entrepreneur John Berlau, 2020-06-30 A business biography of George Washington focusing on his many innovations and inventions George Washington general statesman businessman Most people don't know that

Washington was one of the country's first true entrepreneurs responsible for innovations in several industries. In *George Washington Entrepreneur*, John Berlau presents a fresh, surprising take on our forefather's business pursuits. History has depicted Washington as a gifted general and political pragmatist, not an intellectual heavyweight. But he was a patron of inventors and an inveterate tinkerer and just as intelligent as Jefferson or Franklin. His library was filled with books on agriculture, history, and philosophy. He was the first to breed horses with donkeys to produce the American mule. On his estate, he grew countless varieties of trees and built a greenhouse full of exotic fruits, herbs, and plants. Unlike his Virginia neighbors who remained wedded to tobacco, Washington planted seven types of wheat. His state-of-the-art mill produced flour which he exported to Europe in sacks stamped G Washington, one of the very first branded food products. Mount Vernon was also home to a distillery and became one of the largest American whiskey producers of the era. Berlau's portrait of Washington, drawn in large part from his journals and extensive correspondence, presents a side of him we haven't seen before. It is sure to delight readers of presidential biography and business history.

General George Washington Edward G. Lengel, 2007-01-09 The most comprehensive and authoritative study of Washington's military career ever written. Joseph J. Ellis, author of *His Excellency: George Washington*. Based largely on George Washington's personal papers, this engrossing book paints a vivid, factual portrait of Washington the soldier. An expert in military history, Edward Lengel demonstrates that the secret to Washington's excellence lay in his completeness in how he united the military, political, and personal skills necessary to lead a nation in war and peace. Despite being an imperfect commander and at times even a tactically suspect one, Washington nevertheless possessed the requisite combination of vision, integrity, talents, and good fortune to lead America to victory in its war for independence. At once informative and engaging and filled with some eye-opening revelations about Washington, the American Revolution, and the very nature of military command, *General George Washington* is a book that reintroduces readers to a figure many think they already know. The book's balanced assessment of Washington is satisfying and thought-provoking. Lengel gives us a believable Washington, the most admired man of his generation by far. *The Washington Post Book World*. A compelling picture of a man who was the archetypal American soldier. The sum of his parts was the greatness of Washington. *The Boston Globe*. An excellent book, fresh insights. If you have room on your bookshelf for only one book on the Revolution, this may be it. *The Washington Times*.

Catalogue of the Dayton Public Library, Dayton Public Library and Museum, 1884

American Political Thought Morton J. Frisch, Richard G. Stevens, The Second World War was a crisis not just for America but for the whole of Western Civilization and in the wake of that war a new crisis arose which came to be called the Cold War. Just when that gave the appearance of being resolved, the world reached a new juncture, a new crisis which Samuel P. Huntington dubbed the clash of civilizations. The statesmen having political responsibility in confronting the first three crises in America's history came as close to philosophic grasp of the problems of liberal democracy as one could demand from those embroiled in the active resolution of events. Their reflection of political philosophy in the full sense

informed their actions *Honor to George Washington* ,1931 **A Catalogue of the Washington Collection in the Boston Athenæum** Boston Athenaeum,1897 A considerable portion of the books left to Geo C Washington Sold by him to Henry Stevens in 1847 or 1848 and by the latter to the Boston Athen um in 1849 *A compendium of American literature; chronologically arranged, with biographical sketches of the authors* Charles Dexter Cleveland,1858 *A Compendium of American Literature* Charles Dexter Cleveland,1858 A Catalog of Books Represented by Library of Congress Printed Cards Issued to July 31, 1942 ,1942
