Social Mobility in Nineteenth- and Early Twentieth-Century England

Andrew Miles

Social Mobility In Nineteenth And Early Twentieth Century England

Roderick Floud, Jane Humphries, Paul Johnson

Social Mobility In Nineteenth And Early Twentieth Century England:

Social Mobility in Nineteenth- and Early Twentieth-Century England A. Miles,1999-04-12 This pioneering book provides the first systematic historical analysis of occupational and social mobility in England Using a collection of over 10 000 marriage certificates to examine inter generational change and almost 500 autobiographical texts and abstracts to explore the dynamics of career mobility it shows how the development of the nineteenth century economy was accompanied by rising rates of mobility which made English society more open while at the same encouraging a distinct process of working class formation

A Companion to Early Twentieth-Century Britain Chris Wrigley,2008-04-15 This Companion brings together 32 new essays by leading historians to provide a reassessment of British history in the early twentieth century The contributors present lucid introductions to the literature and debates on major aspects of the political social and economic history of Britain between 1900 and 1939 Examines controversial issues over the social impact of the First World War especially on women Provides substantial coverage of changes in Wales Scotland and Ireland as well as in England Includes a substantial bibliography which will be a valuable guide to secondary sources

The working class in mid-twentieth-century England Ben Jones,2018-09-30 This book maps how working class life was transformed in England in the middle years of the twentieth century National trends in employment welfare and living standards are illuminated via a focus on Brighton providing valuable new perspectives of class and community formation Based on fresh archival research life histories and contemporary social surveys the book historicises important cultural and community studies which moulded popular perceptions of class and social change in the post war period It shows how council housing slum clearance and demographic trends impacted on working class families and communities While suburbanisation transformed home life leisure and patterns of association there were important continuities in terms of material poverty social networks and cultural practices This book will be essential reading for academics and students researching modern and contemporary social and cultural history sociology cultural studies and human geography

20th Century Britain Francesca Carneval,Julie-Marie Strange,2014-06-11 Written by leading international scholars Twentieth Century Britain investigates key moments themes and identities in the past century Engaging with cutting edge research and debate the essays in the volume combine discussion of the major issues currently preoccupying historians of the twentieth century with clear guidance on new directions in the theories and methodologies of modern British social cultural and economic history Divided into three the first section of the book addresses key concepts historians use to think about the century notably class gender and national identity Organised chronologically the book then explores topical thematic issues such as multicultural Britain religion and citizenship Representing changes in the field some chapters represent more recent fields of historical inquiry such as modernity and sexuality

The Cambridge Economic History of Modern Britain: Volume 1, Industrialisation, 1700-1870 Roderick Floud,Jane Humphries,Paul Johnson,2014-10-09 A new edition of the leading

textbook on the economic history of Britain since industrialization Combining the expertise of more than thirty leading historians and economists Volume 1 tracks Britain's economic history in the period ranging from 1700 to 1870 from industrialisation to global trade and empire Each chapter provides a clear guide to the major controversies in the field and students are shown how to connect historical evidence with economic theory and apply quantitative methods New approaches are proposed to classic issues such as the causes and consequences of industrialisation the role of institutions and the state and the transition from an organic to an inorganic economy as well as introducing new issues such as globalisation convergence and divergence the role of science technology and invention and the growth of consumerism Throughout the volume British experience is set within an international context and its performance benchmarked against its global competitors

20th Century Britain Nicole Robertson, John Singleton, Avram Taylor, 2022-12-30 20th Century Britain provides an authoritative and accessible survey of contemporary research on economic activity society political development and culture Written by leading academics it examines recent advances in scholarship and gives a grounding in established approaches and topics The first part comprises thematic essays covering the whole of the twentieth century including chapters on the economy economic management big business parliamentary politics leisure work health international economic relations and empire It uncovers key areas of equality and diversity in chapters on women living standards social mobility ethnicity and multiculturalism and gender and sexuality The most recent subfields of historical studies are also explored including disability history and environmental economic history The second part focuses on seismic events and topics covering shorter timeframes including the World Wars interwar Depression Britain and European integration sexual behaviours civil society the 1960s cultural revolution and resisting racism This collection provides an essential guide to current academic thinking on the most important elements of twentieth century British history and is a useful tool for all students and scholars interested in modern Britain

Social Change in the History of British Education Joyce Goodman, Gary McCulloch, WILLIAM RICHARDSON, 2013-09-13 This work provides an overall review and analysis of the history of education and of its key research priorities in the British context It investigates the extent to which education has contributed historically to social change in Britain how it has itself been moulded by society and the needs and opportunities that remain for further research in this general area Contributors review the strengths and limitations of the historical literature on social change in British education over the past forty years ascertain what this literature tells us about the relationship between education and social change and map areas and themes for future historical research They consider both formal and informal education different levels and stages of the education system the process and experience of education and regional and national perspectives They also engage with broader discussions about theory and methodology The collection covers a large amount of historical territory from the sixteenth century to the present including the emergence of the learned professions the relationship between society and the economy the role of higher technological education the

historical experiences of Ireland Scotland and Wales the social significance of teaching and learning and the importance of social class gender ethnicity and disability It involves personal biography no less than broad national and international movements in its considerations This book will be a major contribution to research as well as a general resource in the history and historiography of education in Britain Social Mobility in Developing Countries Vegard Iversen, Anirudh Krishna, Kunal Sen, 2022-01-06 Combines research from different disciplines to assess social mobility in developing countries

The Cambridge Economic History of Modern Britain Roderick Floud, Jane Humphries, Paul Johnson, 2014-10-09 A new edition of the leading textbook on the economic history of Britain since industrialization Combining the expertise of more than thirty leading historians and economists Volume 1 tracks Britain's economic history in the period ranging from 1700 to 1870 from industrialisation to global trade and empire Each chapter provides a clear guide to the major controversies in the field and students are shown how to connect historical evidence with economic theory and apply quantitative methods New approaches are proposed to classic issues such as the causes and consequences of industrialisation the role of institutions and the state and the transition from an organic to an inorganic economy as well as introducing new issues such as globalisation convergence and divergence the role of science technology and invention and the growth of consumerism Throughout the volume British experience is set within an international context and its performance benchmarked against its global competitors **Work and Pay in 20th Century Britain** N. F. R. Crafts, Ian Gazeley, Andrew Newell, 2007-01-11

Written by leading British historians and economists this volume looks at how fundamental changes in British labor markets throughout the 20th century transformed the lives of the British people Writing the Lives of the English Poor, 1750s-1830s Steven King, 2019-02-28 From the mid eighteenth century to the early nineteenth century the English Old Poor Law was waning soon to be replaced by the New Poor Law and its dreaded workhouses In *Writing the Lives of the English Poor 1750s 1830s* Steven King reveals colourful stories of poor people their advocates and the officials with whom they engaged during this period in British history distilled from the largest collection of parochial correspondence ever assembled Investigating the way that people experienced and shaped the English and Welsh welfare system through the use of almost 26 000 pauper letters and the correspondence of overseers in forty eight counties *Writing the Lives of the English Poor 1750s 1830s* reconstructs the process by which the poor claimed extended or defended their parochial allowances Challenging preconceptions about literacy power social structure and the agency of ordinary people these stories suggest that advocates officials and the poor shared a common linguistic register and an understanding of how far welfare decisions could be contested and negotiated King shifts attention away from traditional approaches to construct an unprecedented comprehensive portrait of poor law administration and popular writing at the turn of the nineteenth century At a time when the western European welfare model is under sustained threat *Writing the Lives of the English Poor 1750s 1830s* takes us back to its deepest roots to demonstrate that the signature of a strong welfare system is malleability **Global Migrants,**

Local Culture Laura Tabili, 2011-04-05 Employing the first analysis of the entire population of any British town this book examines how overseas migrants affected society and culture in South Shields near Newcastle upon Tyne Resituating Britain within global processes of migration and cultural change it recasts British society pre 1940 as culturally and racially dynamic and diverse

National Service Life Stories Peter Gurney, Matthew Grant, Joel Morley, 2025-01-25 National service was a defining feature for a generation of young men in post war Britain Around 2 3 million of them were called up between the end of World War Two and 1963 when conscription ended However national service was forgotten almost before it had ended a process aided subsequently by professional historians who have been reluctant to assess its longer term influence on British social and political history Based on original oral interviews with well over one hundred men this book explores the ways in which compulsory military participation reverberated in the memories of interviewees long beyond the end of conscription and how these early military experiences shaped their later life stories Unlike existing accounts that tend to rely on memoirs written by officers or else oral interviews that concentrate narrowly on the details of military service this study focusses instead on men from working class backgrounds and it situates national service in the context of the life course and the wider transformations that have occurred in British society since conscription ended In so doing the work shines new light on important areas of current scholarly interest and historiographical concern including the changing meaning and experience of class masculinity and citizenship as well as the complexities of popular memory

The Welfare State Generation Eve Worth, 2021-12-16 Women born in mid twentieth century Britain were the welfare state generation not only were their lives fundamentally shaped by the welfare state they helped to transform it In this ground breaking work Eve Worth examines the impact of the welfare state on the life course of women whose opportunities and social experiences were formed by it in the post 1945 period Centred around an oral history study this book argues that the welfare state was so central to the lives of women born in Britain between the late 1930s and early 1950s that they should be considered the welfare state generation The post war expansion of the welfare state was one of the most transformative political changes of the twentieth century yet we know little about its development in practice nor its long term impact on those who grew up within it Using a ground breaking life history methodology to examine women from their birth in the long 1940s to retirement in the mid 2010s it includes thirty six original life history interviews alongside social surveys and the Census for wider context By deploying a cross class approach this book moves the discussion on from just looking at university educated women to include women often overlooked in gender and social studies Re conceptualising the causes of social mobility in post war Britain exploring a new understanding of work and an updated periodisation of welfare state development The Welfare State Generation offers a new approach to the history of class and gender arguing that we need to move beyond the focus on women s emotions and personal identity to consider their experiences and relationships with the state as employer educator and provider

The Return of Inequality Mike Savage, 2021-05-18 A pioneering book that takes us beyond

economic debate to show how inequality is returning us to a past dominated by empires dynastic elites and ethnic divisions The economic facts of inequality are clear The rich have been pulling away from the rest of us for years and the super rich have been pulling away from the rich More and more assets are concentrated in fewer and fewer hands Mainstream economists say we need not worry what matters is growth not distribution In *The Return of Inequality* acclaimed sociologist Mike Savage pushes back explaining inequality s profound deleterious effects on the shape of societies Savage shows how economic inequality aggravates cultural social and political conflicts challenging the coherence of liberal democratic nation states Put simply severe inequality returns us to the past By fracturing social bonds and harnessing the democratic process to the strategies of a resurgent aristocracy of the wealthy inequality revives political conditions we thought we had moved beyond empires and dynastic elites explosive ethnic division and metropolitan dominance that consigns all but a few cities to irrelevance Inequality in short threatens to return us to the very history we have been trying to escape since the Age of Revolution Westerners have been slow to appreciate that inequality undermines the very foundations of liberal democracy faith in progress and trust in the political community s concern for all its members Savage guides us through the ideas of leading theorists of inequality including Marx Bourdieu and Piketty revealing how inequality reimposes the burdens of the past At once analytically rigorous and passionately argued *The Return of Inequality* is a vital addition to one of our most important public debates

Social Mobility Anthony Heath,Yaojun Li,2023-11-28 Social mobility has long been one of the central topics of sociology It has been the subject of major theoretical contributions from the earliest generations of scholars as well as being of persistent political interest and concern Social mobility is frequently used as a key measure of fairness and social justice given the central role that modern liberal democracies give to equality of opportunity More pragmatically policymakers often consider it a force for economic growth and social integration However discussions of social mobility have increasingly become dominated by advanced statistical techniques impenetrable to all but specialists in quantitative methods In this concise and lucid book Anthony Heath and Yaojun Li cut through the technical literature to provide an eye opening account of the ideas debates and realities that surround this important social phenomenon Their book illuminates the major patterns and trends in rates of social mobility and their drivers in contemporary western and emerging societies ultimately enabling readers to understand and engage with this perennially relevant social issue

Modern British History Jeremy Black,2000-05-23 Jeremy Black s compelling text provides a thematic account of British history centering on the twentieth century To the traditional chronological account of historic events Black adds long range thematic chapters reflecting the full range of topics These include political structures ideologies wars and international relations economic history social history as well as consumerism media and mass communication The coverage is further enlivened with exhibits providing supplementary background information on key personalities and pivotal events and numerous illustrations

Hendrik de Man and Social Democracy Tommaso Milani,2020-06-15 The book investigates the intellectual and political trajectory of the

Belgian theorist Hendrik de Man 1885 1953 by examining the impact that his works and activism had on Western European social democracy between the two world wars Based on multinational archival research the book highlights how the idea of economic planning became part of a wider effort to address an ideological crisis within the socialist movement and revitalise the latter amidst the Great Depression A heavily controversial figure also because of his subsequent involvement in Belgian wartime collaboration de Man played a pivotal role in challenging traditional Marxist assumptions about the role of the state under capitalism and in promoting transnational exchanges between unorthodox social democrats across Europe Starting from de Man s experience in World War I the book analyses his departure from Marxism his elaboration of an alternative social democratic paradigm his entry in Belgian politics as well as the reception of his thought in France and Britain

Bourdieu and Marx Gabriella Paolucci, 2022-09-29 This new book gathers together essays concerning the strategic modes of appropriation that Bourdieu practiced with regard to Marx together with their various outcomes It is especially devoted to the practice of critique that both thinkers exercised vigilantly throughout their careers as this is the terrain on which we can best illuminate the debt that Bourdieu acknowledged to Marx Ongoing dialogue with the entire body of Marxian critique is a constant in Bourdieu s writings This is most clearly evidenced by the adoption of a critical perspective on the social world that denotes a massive Marxian presence It is reinforced by the repeated references to Marx s texts that the sociologist scatters throughout his works Indeed in the interlinked set of critiques underpinning the architecture of his work in the plethora of questions he raises and in the scientific practice he adopts Bourdieu attaches himself to the Marxian model notwithstanding his polemical remarks and his own deviations or we might even say by virtue of them The book is divided into three interconnected sections for ease of access critique of domination critique of economic practices and theories and critique of ideology As the first volume in English to explore the relationship between Bourdieu and Marx this book is vital reading for students and scholars of social and anthropological theory

The Oxford Encyclopedia of Economic History Joel Mokyr, 2003 What were the economic roots of modern industrialism Were labor unions ever effective in raising workers living standards Did high levels of taxation in the past normally lead to economic decline These and similar questions profoundly inform a wide range of intertwined social issues whose complexity scope and depth become fully evident in the Encyclopedia Due to the interdisciplinary nature of the field the Encyclopedia is divided not only by chronological and geographic boundaries but also by related subfields such as agricultural history demographic history business history and the histories of technology migration and transportation The articles all written and signed by international contributors include scholars from Europe Latin America Africa and Asia Covering economic history in all areas of the world and segments of economies from prehistoric times to the present The Oxford Encyclopedia of Economic History is the ideal resource for students economists and general readers offering a unique glimpse into this integral part of world history

Social Mobility In Nineteenth And Early Twentieth Century England Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Social Mobility In Nineteenth And Early Twentieth Century England free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Social Mobility In Nineteenth And Early Twentieth Century England free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and

allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Social Mobility In Nineteenth And Early Twentieth Century England free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Social Mobility In Nineteenth And Early Twentieth Century England. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Social Mobility In Nineteenth And Early Twentieth Century England any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Social Mobility In Nineteenth And Early Twentieth Century England Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks.
