

SOCIAL MOVEMENTS AND POLITICAL CHANGE

THE WIDE VISION

Social Political Movements In Western

Christopher Rootes

Social Political Movements In Western:

Social and Political Movements in Western Europe Martin Kolinsky, William E. Paterson, 2025-09-12 Social and Political Movements in Western Europe 1976 discusses the ideological currents social bases and policy directions to examine the impact of social movements on European political systems and societies It looks at the nature of the relations among mass publics movements and party systems and surveys in a comprehensive manner the entire political spectrum in a geographical area

New Social Movements In Western Europe Kriesi Hanspeter, Ruud Koopmans, Jan Willem Duyvendak, Marco G. Giugni, 2015-03-24 First published in 1996 Routledge is an imprint of Taylor Francis an informa company

The Green Movement in West Germany (RLE: German Politics) Elim Papadakis, 2014-12-17 The Green Movement in Germany is widely regarded as one of the most powerful expressions of popular opposition to government policies A broad analysis of this powerful group is made in this book showing that the origins of the movement relate to the general protests against industrialisation in the nineteenth century and also to more recent forms of protest The author assesses the challenge posed by the Green Movement to established groups and organisations both in proposing alternative policies and in a long run of electoral successes The Green Movement has evidently had a great impact on assumptions about defence welfare and environmental policies Data from major surveys on public attitudes and interviews with senior officials complete the picture of the practical and theoretical dimensions of the Green Movement

Political Protest in Western Europe Mario Quaranta, 2015-09-14 This book analyzes the individual and contextual determinants of protest politics in Western Europe Building on different theoretical perspectives from social movements theory to political behavior approaches the author provides new empirical evidence on the patterns of protest politics Readers will discover why some citizens are more likely to get involved in protests than others and why levels of protest differ from country to country The author illustrates that engagement in political protest is often rooted in the interplay of the protester s individual characteristics and their home country s contextual characteristics

Comparative Politics: Western Europe and the United States: foundations of comparative politics , 2005

Political Conflict in Western Europe Hanspeter Kriesi, 2012-07-26 Analyzes the effects of globalization on the restructuring of politics in Western Europe over the past three decades

Political Value Change in Western Democracies Neil Nevitte, 2024-01-08 The European Values Study is a large scale cross national and longitudinal survey research program on basic human values initiated by the European Value Systems Study Group EVSSG in the late 1970s at that time an informal grouping of academics Now it is carried on in the setting of a foundation using the abbreviated name of the group European Values Study EVS The EVSSG aimed at designing and conducting a major empirical study of the moral and social values underlying European social and political institutions and governing conduct A rich academic literature has now been created around the original survey and numerous other works have made use of the findings

The Blackwell Companion to Social Movements David A. Snow, Sarah A. Soule, Hanspeter Kriesi, 2008-04-15 The

Blackwell Companion to Social Movements is a compilation of original state of the art essays by internationally recognized scholars on an array of topics in the field of social movement studies Contains original state of the art essays by internationally recognized scholars Covers a wide array of topics in the field of social movement studies Features a valuable introduction by the editors which maps the field and helps situate the study of social movements within other disciplines Includes coverage of historical political and cultural contexts leadership organizational dynamics social networks and participation consequences and outcomes and case studies of major social movements Offers the most comprehensive discussion of social movements available *Routledge Library Editions: British Sociological Association* Various,2021-07-14

The volumes in this set originally published between 1969 and 2001 is comprised of original books published in conjunction with the British Sociological Association The set draws together original research by leading academics based on study groups and conference papers in the areas of youth race the sociology of work gender social research urban studies class deviance and social control law development and health Each volume provides a rigorous examination of related key issues This set will be of particular interest to students and academics in the field of sociology health and social care gender studies and criminology respectively Pro-Family Politics and Fringe Parties in Canada Chris MacKenzie,2014-05-14 Pro Family Politics and Fringe Parties in Canada explores the organizational and ideological nature of political parties that are initially formed to do the work of social movements Specifically it examines the development of the Family Coalition Party of British Columbia FCP from its origins as a group of alienated Social Credit Party members to its rebirth as the Unity Party of British Columbia and through its struggles as a marginal political entity along the way While addressing the FCP s relationship to the larger North American pro family movement Chris MacKenzie also deftly demonstrates how the party can be seen as organizationally congruent with its ideological antithesis the Green Party Basing his findings on seven years of field research he identifies the obstacles that political parties involved in social movement work must overcome in order for them to achieve their goals He concludes that despite their invaluable contribution to democracy such party movements have limited political institutionalization Consequently their only realistic goal may be to merge their ideals with those of another larger political body This book makes a substantial contribution to our understanding of the genesis development and impact of political party movements in Canada Moreover it provides useful insight into the dynamics and issues that make up the current pro family movements in Canada and the United States *Political Protest and Labor Solidarity in Korea* Doowon Suh,2008-12-05 This book analyzes the importance of the Korean white collar worker trade unions and how they have attained many social reforms both by promoting their own demands and by checking the government s peremptory initiatives

Understanding Politics and Society Fabio de Nardis,2020-03-26 This textbook presents political sociology as a connective social science that studies political phenomena by creating fruitful connections with other perspectives The relationship between politics and society is more complex than ever due to the emergence of new power structures forms of conflict

organization and management and social practices of political participation Several scholars describe this historical phase as the de politicization of representative politics The book addresses classical themes of and approaches to political sociology but also dedicates several chapters to contemporary developments within political sociology including for instance the role of the internet and bottom up political communication in social movements In addition the volume acts as a professional tool for those scholars and researchers that are beginning to study political processes from a sociological perspective *The Blackwell Companion to Political Sociology* Kate Nash, Alan Scott, 2008-04-30 The Blackwell Companion to Political Sociology brings together thirty eight original essays covering the wide inter disciplinary field of political sociology Represents the most comprehensive overview available in the field of political sociology Covers traditional questions as well as emerging topics including recent debates on gender citizenship and political identity Includes detailed editorial introduction abstracts further reading lists and a consolidated bibliography *Green Politics in Japan* Lam Peng-Er, 2005-06-22 An important comparative study of Japanese politics that reveals that green issues have yet to displace the traditional urban politics of post industrial Japan This is unlike the rise of green parties and politics in Europe Unlike Europe it seems that political values in Japan are still informed by the conservative values of hierarchy and deference *Protesting Culture and Economics in Western Europe* Swen Hutter, 2014-08-01 In this far reaching work Swen Hutter demonstrates the usefulness of studying both electoral politics and protest politics to better understand the impacts of globalization Hutter integrates research on cleavage politics and populist parties in Western Europe with research on social movements He shows how major new cleavages restructured protest politics over a thirty year period from the 1970s through the 1990s This major study brings back the concept of cleavages to social movement studies and connects the field with contemporary research on populism electoral behavior and party politics Hutter s work extends the landmark 1995 *New Social Movements in Western Europe* the book that spurred the recognition that a broad empirical frame is valuable for understanding powerful social movements This new book shows that it is also beneficial to include the study of political parties and protest politics While making extensive use of public opinion protest event and election campaigning data Hutter skillfully employs contemporary data from six West European societies Austria Britain France Germany the Netherlands and Switzerland to account for responses to protest events and political issues across countries *Protesting Culture and Economics in Western Europe* makes productive empirical methodological and theoretical contributions to the study of social movements and comparative politics Empirically it employs a new approach along with new data to explain changes in European politics over several decades Methodologically it makes rigorous yet creative use of diverse datasets in innovative ways particularly across national borders And theoretically it makes a strong claim for considering the distinctive politics of protest across various issue domains as it investigates the asymmetrical politics of protest from left and right *The Mobilized American West, 1940-2000* John M. Findlay, 2023-07 John M Findlay presents a historical overview of the American West between 1940 and 2000 arguing that

during the years of U S mobilization for World War II and the Cold War the West remained a significant and distinctive region

Environmental Movements Christopher Rootes, 2014-06-23 Despite growing evidence of the universality of environmental problems and of economic and cultural globalization the development of a truly global environmental movement is at best tentative The dilemmas which confront environmental organizations are no less apparent at the global than at national levels This volume is a collection of 1990s research on environmental movements in western and southern Europe the US and the global arena

The Evolution of Green Politics Jon Burchell, 2014-04-08 The emergence of Green parties throughout Europe during the 1980s marked the arrival of a new form of political movement and a challenge to existing party models This work presents an in depth thematic comparative approach to the analysis of recent Green party development and change questioning whether the process of party evolution has resulted in the ideological dilution of Green ideals and objectives With Green parties across Europe experiencing a significant upturn in support in recent years if we are to gain a clearer picture of the impact Green parties should have in the 21st century we need to understand the issues and themes that have shaped their re emergence as a more mature political challenge

Routledge Revivals: Christian Democracy in Western Europe (1957) Michael P. Fogarty, 2018-05-08 First published in 1957 this book is a detailed analysis on Christian Democracy a movement backed by Protestants as well as Catholics which has become one of the great social forces of Western Europe It is strong in eight countries The first half of Fogarty s book sets out what the many Christian Democratic movements stand for The second part of the book shows how these movements began how they have grown changed and consolidated and how they developed into the mid 20th century This is a broad and useful survey which delves the history nature and significance of the Christian Democratic movements in Europe In Fogarty s analysis Christian Democracy may indeed bring about a renewed unity of the Christian tradition in Western society

Co-operative Innovations in China and the West C. Gijssels, L. Zhao, S. Novkovic, 2014-07-16 This book aims to contribute to our understanding of recent changes in Chinese and Western cooperatives It will provide a variety of audiences with relevant and useful information for further co operative development mutual understanding and cooperation
