Hawaii's War Years Gwenfread Allen,2021-05-25 When war struck December 7 1941 the people of Hawaii were not unprepared Within minutes after bombs fell on Pearl Harbor a well rehearsed disaster relief plan went into full operation Thousands of volunteers of all ages and races toiled selflessly to bring order out of chaos Even before the pall of smoke had died away air raid trenches had begun to crisscross lawns By nightfall windows were blacked out curfew stilled the darkness and citizen soldiers stood girded for a last ditch fight During the following tension ridden days the entire populace was fingerprinted and inoculated gas masks were issued and evacuation kits prepared Barbed wire entanglements taped windows sandbag barricades camouflaged buildings gas alarms everywhere were constant grim reminders of total war No other American community felt the tensions and shapeless fears the Islands knew during those first months after Pearl Harbor And as the Pacific war progressed no other American community felt its impact so much as Hawaii Headquarters area training staging and supply area repair base Hawaii served as the springboard of the Pacific offensive Hordes of troops and war workers deluged the Islands land and buildings were taken over by the armed forces Controls of every type plagued businesses and individuals No phase of Island living was left untouched by the war Hawaii s War Years 1941 1945 the official history of Hawaii s dramatic part in World War II is a comprehensive unbiased account based on material collected over a six year period by the Hawaii War Records Depository Written by an Island newspaperwoman with the proper perspective for a subject of such scope the book does not attempt to render judgments It is primarily a book of record a straightforward presentation of facts Social Process in Hawaii ,1982 *Kodomo No Tame Ni—For the Sake of the Children* Dennis M.
