The Social Psychology of Runaways Tim Brennan, David Huizinga, Delbert S. Elliott, 1978 *The Social Psychology of Runaways* Tim Brennan, David Huizinga, Delbert S. Elliott, 1978 *The Impact of Multiple Childhood Trauma on Homeless Runaway Adolescents* Michael DiPaolo, 2015-12-22 Originally published in 1999 the author addresses the American tragedy of some two million youth running away from home each year This title proposes a model for examining the relationship between multiple types of childhood trauma physical sexual and psychological abuse exposure to domestic violence and psychological functioning in a sample of 140 homeless adolescents *Runaway Adolescents* Brenda K. Melson, 1995 The Social Psychology of HIV Infection John B. Pryor, Glenn D. Reeder, 2015-06-19 In the early 1980s we witnessed the birth of one of the most complex and perplexing social problems faced by modern society the epidemic of infection with human immunodeficiency virus HIV which causes acquired immunodeficiency syndrome AIDS Originally published in 1993 this title looks at the social psychology surrounding HIV and AIDS The organization of the volume centres upon two themes The Theoretical Roots of Prevention and The Dilemma of the PWA person with AIDS The goal of this volume is not to evaluate previous attempts to answer these social problems but to provide theoretical analyses of some of the basic sociopsychological processes that underlie the problems Over 20 years on this is a snapshot of research into HIV and AIDS and attitudes of the time looking at social problems that are very much still with us **Runaways** Karen M. Staller, 2006 During the 1960s and 1970s the issue of runaways became a source of national concern This text examines the programmes and policies that took shape during this period and the ways in which the ideas of the alternative services movement continue to guide our responses to at risk youth **Exploitation of Runaways** United States. Congress. Senate. Committee on Labor and Human Resources. Subcommittee on Children, Family, Drugs and Alcoholism, 1986 Troubled Youth, Troubled Families Cynthia Schellenbach, 2017-09-08 The 1970s witnessed a growing concern and awareness regarding child abuse an awareness which gradually extended to include the maltreatment of adolescents In the 1980s a number of intervention projects dealing with this particular problem were started Troubled Youth Troubled Families is one of the first full length reports to deal with adolescent abuse **The Sexual Exploitation of Missing Children** Gerald T. Hotelling, 1988 **Runaway Youth** Deborah Klein Walker, 1975 Teenage Runaways Laurie Schaffner, 2014-01-21 Teenage Runaways Broken Hearts and Bad Attitudes uncovers the perspectives of actual teenage runaways to help professionals parents and youths understand the widespread social problem of last resort behavior You ll learn the real reasons teenagers run away and you ll hear the anguished voices of the teenage runaways themselves shattering the myth that only bad kids runaway Teenage Runaways deflates popular misconceptions that runaways are incorrigible delinquents who want to leave home that they make impulsive decisions to leave their families and that they wish to never return Reporting on a qualitative study of 26 runaways in a shelter in New England this book reveals that many teenaged runaways leave home in search of safety and freedom from what they consider

abusive treatment whether physical sexual or emotional In Teenage Runaways you will discover valuable information about who these children are why they are running away and what you can do to help Specifically you will read about why teenagers say they run away running away as last resort behavior what the experience of running away is like hope and desire for reconciliation with parents and family running away as a dynamic emotional experience for youths which reflects changes in their social bonds with peers family and adults in the educational legal and medical systems emotional capital from a heavily regulated authoritative environment Teenage Runaways provides you with a new understanding of teens in trouble to assist you in providing services to this needy and vulnerable population First hand accounts reveal the emotional motivations behind decisions to run away such as 14 years old Isabel who gives a painful account of what severe physical and sexual abuse feels like to an adolescent victim Amy also 14 tells her story of living with a mother who was extremely strict and betrayed her

Homeless Children and Youth Julee H. Kryder-Coe, Lester M. Salamon, Janice Marie Molnar, 1991-01-01 In his preface to this volume Lester M Salamon writes that Homelessness among children and youth is too serious a problem to be ignored in our national social policy Both for its immediate effects on those who are homeless and for the inadequacies it reveals in our social support systems homelessness among children and youth has truly become a national tragedy If this book helps to bring this problem to national attention to document its scope and consequences and to point the way toward possible solutions it will have amply served its purpose Based on a conference sponsored by The Johns Hopkins University Institute for Policy Studies last year this volume brings together some of the best research and policy analysis ever assembled on this important issue Among the contributors are Lisa Mihaly Marjorie J Robertson James D Wright Yvonne Rafferty Kay Young McChesney Chester Hartman Michael A Stegman Linda A Wolf and Carol W Williams The volume covers issues from the scope of child homelessness to its broader impacts and causes and the social responses needed to copy with it The volume focuses on two populations with differing needs and solutions very young children infants pre schoolers and school age children who are part of homeless families and older young people who are homeless but on their own pregnant teens and teen parents runaways and older adolescents Central to the volume is a critical examination of the health mental health developmental and educational impacts produced by homelessness causes of the problem in society the economy and our housing market and the levels of existing support systems In short this is a comprehensive state of the art examination of homelessness as it affects children and will be greeted as such by policy makers at all levels of government and by professionals in economics sociology social work and urban studies

Chen,2024-01-22 Internet use e g smartphone use social media use is ubiquitous in our daily lives and plays an increasingly important role in human well being Today s adolescents and their parents spend significant amounts of time on technological devices such as smartphones especially during COVID 19 In this year new research shows that nearly half of American teenagers say they use the Internet almost constantly 95% of American teens have smartphones and about 54% of teens said it would be somewhat hard to give up social media Hence further research on the relationship between Internet use and psychological well being among children and adolescents is worth pursuing At the same time a new interest in this area of research is parental technoference which was defined as regular interruptions to real time face to face communications interactions or time spent together among family members because of parental use of technology Technoference has become a common phenomenon in many families with children and evidence has been identified that extended parental time on technological devices e g smartphones could have negative effects on parent child relationships and children s wellbeing For example parental phubbing is regarded as a typical parental technoference and this term is used widely in some countries around the world which has been demonstrated to be detrimental to their children s developmental outcomes and cause various psychological health problems

Youth at Risk Ann Wolbert Burgess,1986 This book illustrates the strong link between missing and exploited children Burgess shows that physical and sexual abuse in the home is one of the primary reasons youth give for running away p vi

Street Woman Eleanor Miller,1987-04 In this rich well written study Eleanor Miller analyzes the social organization of street hustling and the lives of the women involved in it Miller views hustling as illegal work prostitution fraud forgery embezzlement and larceny Using information garnered from life histories and interviews with 64 female street hustlers in Milwaukee she vividly describes a female underclass recruited to the world of the street for a substantial period of their lives Street Woman offers a challenging alternative to recent sociological studies that view the women s movement as directly linked to the increasing participation of women in property crime Miller shows that this increase in crime is a response to sustained poverty Thus many sociologists are out of touch with the typical female criminal in this country on both a demographic and personal level Typical female hustlers as their own words poignantly reveal are young poor minority women who have limited education and skills and who also have several children of their own They adopt characteristic interpersonal relationships and familial forms that insure their survival but which leave the youngsters at greater risk of being recruited to street life Street Woman is a work of great importance to sociologists and criminologists alike both in its ramifications for public policy and its explicit implications for further research Most important Miller s desire to render a more personal portrait to enable us to at least recognize the individual in the picture painted of the group leaves the reader with haunting portrayals of the women who struggle to survive in the violent desperate drug ridden world of the street Author note Eleanor M Miller is Assistant

Professor of Sociology at the University of Wisconsin Milwaukee Lost from View Nina Biehal, Fiona Mitchell, Jim Wade, 2003 Thousands of people are reported missing each year yet very little is known about who they are why they disappear and what happens to them Although the predicament of runaways and other missing children has a higher profile the issue of missing adults has been neglected in research and policy Drawing on almost 2000 missing persons cases the report explores vbTab who goes missing vbTab why people choose to go missing and how people can become missing in other circumstances vbTab the experiences of missing people while they are away and the risks that they may encounter vbTab how missing episodes are resolved vbTab how further developments in policy and practice may assist missing people and their families This highly topical report demonstrates that the social problems underpinning the missing issue cut across many areas of social policy This book will therefore be essential reading for policy makers practitioners and academics in the fields of criminal justice child and family welfare health and social work Juvenile Justice, Runaway Youth, and Missing Children's Act Amendments of 1984 United States.
