Social Gerontology Nancy R. Hooyman, H. Asuman Kiyak, 2005. This best-selling multidisciplinary text on the experience of growing old presents positive images of aging while considering the many factors that contribute to how older individuals experience life. Up to date and expanded, *Social Gerontology* Seventh Edition offers a comprehensive view that presents aging positively, portraying concepts of active aging and resilience and defining productive aging by elaborating on the many ways elders contribute to society and to their families. Based on the latest research findings, it offers greater depth to critical issues of aging, attending to differences by age and cohort, gender, ethnic minority status, sexual orientation, and socio-economic status. New features to the seventh edition include FREE subscription to Research Navigator™ with every new book. This subscription offers unlimited access to Research Navigator™ for six months from any computer with an Internet connection. Automatically packaged with new copies of this text is the Research Navigator™ Guide for Social Gerontology, a guide that encourages readers to go beyond the book to explore current research and news on aging from articles in leading scholarly journals, popular magazines, and The New York Times. Expanded discussion on international and cross-cultural aging issues emphasizes immigrant and refugee elders and multigenerational and intergenerational exchange across the life span that affects quality of life in old age. New material on future directions in aging and career opportunities is interspersed throughout the text.

The Evidence-based Social Work Skills Book Barry Cournoyer, 2004. During the 21st Century, social workers will increasingly use evidence-based knowledge to plan, implement, and evaluate the quality of their own professional activities. This book explores the skills needed for evidence-based social work (EBSW). This book emphasizes the importance of applied practice, critical thinking, and self-directed lifelong learning. Readers will learn the fundamentals of the EBSW skills, practice them to establish beginning proficiency, and then apply them to a target client group of their choosing. Social workers and anyone interested in practicing evidence-based social work.

Psychology of Gender Through the Lens of Culture Saba Safdar, Natasza Kosakowska-Berezecka, 2015-04-29. This unique collection brings a rarely seen indigenous and global perspective to the study of gender and psychology. Within these chapters, researchers who live and work in the countries and cultures they study examine gender-based norms, values, expression, and relations across diverse Western and non-Western societies. Familiar as well as less covered locations and topics are analyzed, including China, New Zealand, Israel, Turkey, Central America, the experience of refugees, and gendered health inequities across Africa, such as in the treatment of persons with HIV. Included too are examples of culturally appropriate interventions to address disparities and data on the extent to which these steps toward equality are working. Structurally, the volume is divided into three sections. The first two parts of the book take readers on a journey to different regions of the world to illustrate the most recent trends in research concerning gender issues and then outline present implications and future prospects for the

psychological analysis of both gender culture The third section of the book has an applied perspective and focuses on the cultural norms and values reinforcing gender equality as well as cultural and social barriers to them A sampling of the topics covered Sexual orientation across culture and time A broader conceptualization of sexism in Poland An analysis of gender roles within the family in Switzerland Modern day dowries in South Asian international arranged marriages The current state of gender equality in the United States of America Socio cultural determinants of gender disparity in Ghana Psychology of Gender Through the Lens of Culture is a milestone toward core human rights and goals worldwide and a critical resource for psychologists sociologists anthropologists gender studies researchers public policy makers and all those interested in promoting gender equality throughout the world
