

# Social Studies For Children

**Anthony D. Fredericks**

## **Social Studies For Children:**

*Social Studies in Elementary Education* Walter C. Parker, 2015-03-20 The author wrote this new edition of the most popular elementary social studies methods text on the market with the following three goals in mind to present the most powerful social studies content and pedagogy for children in elementary school to offer the material in simple and accessible ways and to write in a first person active voice The purpose of this book is to introduce new teachers to the world of social studies teaching and learning in elementary and middle schools Geography history government and the other social sciences are delivered into the palm of the new teacher's hand along with a suite of tools for bringing social studies to life in the classroom The book is organized into three sections the first orients the reader to the mission of social studies education to the increasingly diverse children we teach the second concentrates on the curriculum and the third deals with instruction how we plan and teach this curriculum Three central themes continue to pervade the book democratic citizenship diversity and the social sciences to ultimately encourage teachers to excite their students about closing the gap between social realities and democratic ideals An exceptionally strong chapter on multicultural issues Chapter 2 helps future teachers truly understand the changing demographics of the American classroom

### **Social Studies for Children** John Udel

Michaelis, 1996 This volume is a guide for preparing teachers for social studies instruction in grades K-8 Its aim is to promote social studies as education for citizenship in a democracy

*Social Studies for Children* John Udel Michaelis, 1985-01-01

This volume is a guide for preparing teachers for social studies instruction in grades K-8 Its aim is to promote social studies as education for citizenship in a democracy

### **Social Studies for the Preschool-primary Child** Carol Seefeldt, 1989

TEACHING ACTIVITIES FOR PRESENTING SOCIAL STUDIES TO PRESCHOOLERS

*Social Studies for Children in a Democracy* John Udel Michaelis, 1950

*Social Studies Concepts of Children in the First Three Grades* Joy Muchmore

Lacey, 1932

*Get Ready! for Social Studies : World History* Nancy White, Francine Weinberg, 2002-05-09 Everything parents need to help their kids succeed in social studies The only comprehensive social studies skill building series available the Get Ready For Social Studies series equips proactive parents with the tools they need to help their children develop the core skills required to perform at grade level in social studies related subjects Organized chronologically from pre history to the present this guide illustrates the developments in all parts of the world during each major time period including historical events and related economic developments as well as movements in art science technology and human thought

**Children and Social Studies** Murry R. Nelson, 1998 CHILDREN AND SOCIAL STUDIES THIRD EDITION introduces student teachers to the fundamentals of teaching this constantly evolving discipline The updates in the Third Edition reflect current social and technological trends which have greatly influenced changes in education with new chapters and discussions on multiculturalism attention to constructivism as well as the Internet and its classroom applications Information is presented in concise and understandable segments with special tips and inserts helpful for establishing creative and effective instructional

methods      **Social Studies for Young Children** Gayle Mindes, Mark Newman, 2021-08-30 This book anchors the social studies as the central unifying force for young children Teachers use the inquiry process to foster child development of social skills and citizenship ideals in their first classroom experiences Curriculum is built starting with children s natural curiosity to foster literacy in all its form speaking listening reading writing Along the way young children acquire knowledge and academic skills in civics economics geography and history Shown throughout are ways to promote social learning self concept development social skills and citizenship behaviors Featured here are individually appropriate and culturally relevant developmental practices Considered are the importance of family collaboration and funds of knowledge children bring to early care and education Contributors to this edition bring expertise from bilingual early education literacy special education and the social studies Beginning with citizenship and community building the authors consider all aspects of teaching young children leading to a progression of capacity to engage civically in school and community      **Social Studies for Today's Children** William Burk Ragan, John D. McAulay, 1964      **Social Studies and Me!** Sally Anderson, 2011 Young children are naturally interested in their world They are learning to understand who they are who their family members are and what it means to have friends They are curious about their communities who lives and works there how things are made and what they cost They are beginning to ask questions about their environment and the greater world With Social Studies and Me teachers can support children s curiosity by using storybooks to engage them in social studies and literacy learning and deepen their understanding of skills and concepts Themes include I Am a Person Families Friends Communities and The Big World      *Teaching Young Children Social Studies* Gayle Mindes, 2006-09-30 By coherently combining principles of child development and social studies content this work provides a practical guide to building a successful curriculum for preschool through grade three In keeping with the major premise of the Teaching Young Children series i e knowledge of child development is equal in importance to subject knowledge the authors effectively intertwine social learning in young children and development of self concept with the theme based curriculum of the National Council for Social Studies the principles of multicultural education parent collaboration to support learning and creating connections between classroom and community      **Working with Children in Social Studies** Edith P. Merritt, 1961      **Little World Social Studies** Jean Robertson, Ellen Mitten, 2010-08-01 Little World Social Studies builds on our geography series to teach young children about their communities and their country Kid friendly real world examples included when information to help all children become better citizens      **Social Studies for Children** Association for Childhood Education International, 1956      **Social Studies: Growth of a Nation** Pearson Scott Foresman, 2009-07-01 With rich content that captures children s imaginations and built in reading and vocabulary instruction your child will not only be learning he ll be preparing for success while learning the responsibilities of citizenship at every grade level Captivate your child with numerous colorful visuals and activities that will engage their interest in social studies Connect Experience Understand Connecting is all about activating prior knowledge

and jumpstarting your child's journey into social studies Essential Questions help students see the big ideas they're learning about and activate prior knowledge They allow students to engage in an active discussion of what they already know about the topic but also encourage them to think further Scott Foresman Social Studies offers a variety of ways for your child to think critically about key concepts so they actively experience the world they live in Developing true understanding means that students don't simply memorize facts dates and places It means taking what they've learned and transferring that knowledge to new content situations ideas and to their own lives The goal is to help students become successful learners who will remember not only what they have learned but how to learn more

**Children and Their World** David A. Welton, John T. Mallan, 1981-01-01 Designed for preservice teachers this text consolidates social studies content into a framework for practical instruction and lesson planning It places social studies in a thoroughly modern context and explores how such factors as language diversity and standards at the local state and national level affect teachers The text retains its hallmark features such as model unit lessons teacher tested activities technology updates and authentic children's work and the Resource Handbook serves as a valuable tool for on the job use The emphasis on current topics includes coverage of constructivist learning cooperative learning service learning character education and the teaching of children with limited English proficiency Specific examples from the NCSS help students connect standards to the model lessons and activities presented in the text

**Much More Social Studies Through Children's Literature** Anthony D. Fredericks, 2007-04-30 Fredericks presents hundreds of hands-on minds-on projects that actively engage students in positive learning experiences Each of the units offers book summaries social studies topic areas critical thinking questions classroom resources and lots of easy-to-do activities for every grade level The author also provides practical guidelines for collaborative ventures with school librarians tips for integrating literature across the curriculum lists of relevant web sites useful in social studies curriculum Everything is linked to the social studies standards

**Infant-Toddler Social Studies** Carla B. Goble, 2017-12-05 As infants become toddlers their expanding sense of self growing motor language and cognitive skills provide opportunities for learning more about the physical and social world around them This book is a valuable resource for advancing a child's sense of self cultural identity social relationships and connectedness to community through developmentally appropriate activities Carla B Goble has a MS and PhD in child development from Oklahoma State University and a BS in education from the University of Central Oklahoma She is an award-winning early childhood educator founding member of the Oklahoma Early Childhood Education Organization

**Social Studies for Elementary School Children** Peter H. Martorella, 1998 In constructing this text my intent was to tap three bountiful wellsprings of information teacher craft wisdom research findings relative to instruction and well-grounded theories Each of these streams affords both neophytes and experienced teachers abundant insights into how effective social studies instruction can be nurtured and sustained
