Project SPAN Social Studies Social Science Education Priorities Practices and Needs reviews and analyzes the current state  
of K 12 social studies A major purpose of the review and analysis was to form a basis for recommendations for future  
directions that might be taken to improve social studies The report contains six sections The first section provides a broad  
and integrative analysis of the interrelated topics of rationales definitions approaches goals and objectives of social studies  
The second section Curriculum Organization in Social Studies describes the typical pattern of social studies programs from  
kindergarten through grade 12 stating that despite numerous variations that have occurred the dominant pattern throughout  
the nation is one that was established more than 60 years ago Social Studies Curriculum Materials the third section of the  
volume describes the great extent to which students teachers administrators and the public accept and rely on curriculum  
materials as essential aids to teaching learning and classroom management Foremost among curriculum materials being  
used are textbooks The topic of the fourth section is Social Studies Teachers There is general agreement that the teacher is  
the central figure the key or the magic ingredient in the learning process The fifth section Instructional Practices in Social  
Studies presents a detailed report on what teachers do The last section Barriers to Change in Social Studies focusing on the  
fact that the new social studies had relatively little impact on the schools explores reasons for lack of change in schools
