Democratic Governance, Law, and Development in Africa Maame Efua Addadzi-Koom, Michael Addaney, Lydia A. Nkansah, 2022-12-10. This volume analyses democratic governance, the rule of law, and development in Africa. It is unique and timely. First, the theme and sub-themes were carefully selected to solicit quality chapters from academics, practitioners, and graduate students on topical and contemporary issues in constitutional law, human rights, and democratic governance in Africa. The chapters were subjected to a single-blind peer review by experts and scholars in the relevant fields to ensure that high-quality submissions are included. Due to the dearth of knowledge and studies on the chosen thematic areas, the publication will remain relevant after several years due to the timeless themes it covers. In this regard, this edited volume audits the progress of democratic consolidation, rule of law, and development in Ghana with selected case studies from other African countries. This book is intended for higher education institutions, universities, institutes, and centres, public libraries, general academics, practitioners, and students of law, democracy, human rights, and political science, especially those interested in African affairs.

Encountering Silencing Michael B Buchholz,Aleksandar Dimitrijevic,2024-04-18 Editors Michael B Buchholz and Aleksandar Dimitrijevic are joined by Ana Altaras Dimitrijevic Uta Blohm Roger Frie Stephen Frosh Babette Gekeler Gail A Hornstein and Hans Christoph Ramm to share their knowledge research and experience on these dark issues Encountering Silencing is an invitation to closely

observe the very practices and processes of silencing used by perpetrators of abuse and totalitarian institutions alike A carefully selected group of contributors reveal the dark side of communication that silences victims witnesses and perpetrators women religious heretics gifted children victims of racism psychoanalytic dissidents and psychiatric patients individuals and groups total strangers and one s family members as well as one own self All of these forms of silencing are analysed with the help of literature historiography interviewing archival research and psychoanalytic and family therapy This book helps us to face the seemingly inevitable conclusion that silencing is everywhere in our individual and social lives and that it is the silencing of trauma that leads to mental disorders more than trauma itself The hope is that by opening up these topics in a considered containing and thoughtful way the underlying mechanisms of trauma related disorders will be better understood and help victims to overcome them Encountering Silencing is the first in a series of three books on this vital but overlooked subject *Encyclopedia of Gender and Society* Jodi O'Brien,2009 Provides timely comparative analysis from internationally known contributors **The Psychology of the Female Body** Jane M. Ussher,2024-03-01 First published in 1989 The Psychology of the Female Body examines the role of the female body in women s identity and experience She discusses how key events such as menarche menstruation pregnancy and the menopause affect women s lives and looks at the ways in which the female body and reproduction have been used to confine and control women She puts forward psychological evidence to refute many of the myths surrounding women s bodies highlighting how empirical evidence shows that contrary to what stereotypes suggest women are not victims of their biology This book will be of interest to students of psychology sociology gender studies and women s studies *Gender, Religion and Change in the Middle East* Inger Marie Okkenhaug,Ingvid Flakerud,2005-03-01 The complicated link between women and religion in the Middle East has been a source of debate for centuries and has special resonance today Whether religion reinforces female oppression or provides opportunities for women or a combination of both depends on time place and circumstance This book seeks to contextualize women s roles within their religious traditions rather than through the lens of a dominant culture Gender Religion and Change in the Middle East crosses boundaries and borders and will appeal to a global audience This book provides a comprehensive survey of women in Muslim Jewish and Christian communities in the Middle East during the last two centuries The authors consider women s defined roles within these religious communities as well as exploring how women themselves develop and apply their own strategies within religious societies The wide ranging accounts draw on case studies from Iran Turkey Afghanistan Israel Jordan Egypt Palestine and Lebanon since 1800 Throughout the authors challenge our understanding of patriarchy to offer a more nuanced account Taking a balanced look at the issues of religion gender and change in the Middle East this unique interdisciplinary study gives new insight to the theme of women and religion in the Middle East Higher Education and Professional Ethics Satya Sundar Sethy,2018-03-28 This book discusses the significance relevance and usefulness of professional ethics in the context of higher education It highlights the pivotal role of

professional ethics in offering teachers a better understanding of their responsibilities duties rights and institutional obligations as they work to provide quality education The volume investigates the connection between the adoption of professional ethics by individual faculty members in higher education and the development of work cultures in higher educational institutions It explores the requisite modifications of the Teachers Code of Ethics in relation to the usage of Information and Communication Technologies ICTs in teaching learning platforms While examining the validity reliability and application of professional ethics in the higher education sector the book also illustrates the application of codes of ethics to resolve conflicting interests and commitments This book will be useful to scholars and researchers in higher education the philosophy of education applied ethics public policy and the social sciences *New Literature on Women* ,1997 **Key Concepts in Anti-Discriminatory Social Work** Toyin Okitikpi,Cathy Aymer,2009-11-19 This is a key text that provides a well rounded introduction to anti discriminatory social work placing this underpinning concept within the context of theory methods policy legislation and skills It will be of immense value to students practitioners and service users An excellent book John MacDonough London South Bank University Addressing both the ideas underpinning anti discriminatory practice and more practice oriented approaches this is an accessible book which will be of benefit to social work students and practitioners Amanda Thorpe University of Bedfordshire This Key Concepts clearly and concisely explains the basic ideas in the field of anti discriminatory social work It Explores the range of discriminations that people experience and discusses a number of theories that inform Anti discriminatory practice Considers the legal frameworks within which anti discriminatory practice operates Analyses the skills and knowledge required to practice effectively Highlights the dynamic nature of anti discriminatory practice and points the way towards a new practice dimension Provides an essential reference guide for all social work students and practitioners as well as those taking courses in teacher training youth and community nursing mid wifery and mental health studies for whom anti discriminatory practice is an important element in their study On Lies, Secrets, and Silence: Selected Prose 1966-1978 Adrienne Rich,1995-04-17 In this collection of prose writings one of America s foremost poets and feminist theorists reflects upon themes that have shaped her life and work At issue are the politics of language the uses of scholarship and the topics of racism history and motherhood among others called forth by Rich as part of the effort to define a female consciousness which is political aesthetic and erotic and which refuses to be included or contained in the culture of passivity *The King and the Making of Modern Thailand* Antonio Rappa,2017-04-21 The making of modern Thailand is grounded in specific political institutions Brahmanical tropes and sacred Buddhist traditions stylized with Hindu rituals Over and above these mysterious practices and ancient customs modern Thailand is a product of the late Great Rama IX Bhumibol Adulyadej Most Thai people have only known one King Born in Europe and educated during World War II Bhumibol was the son of a Harvard medical doctor who had a penchant for jazz music and fast cars When he returned to Thailand in 1951 to assume his royal duties he could hardly speak Thai but his French and German were remarkable

Bhumibol had inherited an impoverished country with nothing but a symbolic role as a figurehead monarch. He was surrounded by envious courtiers and royals from other families now sidelined by the rise of the Chakri. Scheming generals and authoritarian field marshals were emptying the Kingdom's coffers. Using guile and wit, Bhumibol had turned the tide by 1973. He became the most powerful modern warlord in the history of the Kingdom. He survived attempted murder, crafty politicians, corrupt generals, sycophantic courtiers, and impoverished masses. When he died on October 13, 2016, Bhumibol was already the longest standing monarch in the world. King Bhumibol was deeply respected and well liked by farang and locals alike. Despite his massive social and economic achievements, many problems continue to plague the Kingdom. These are prostitution, human rights issues, pollution, corruption, cronyism in Chinese businesses, border conflicts with Cambodia, and the refugee problem. This book examines the role of Rama IX and the variegated set of problems that persist in life under the great white elephant and mango trees. Rappa draws from his primary research that includes interviews, surveys, and first hand observations of a remarkable kingdom and a uniquely remarkable king to reveal the internal security threats to democracy and civil society in the oldest Southeast Asian kingdom in late modernity.
