The Fourth Gospel and Its Predecessors Robert Tomson Fortna,2007-03-01 This is the groundbreaking sequel to Fortna s The Gospel of Signs which reconstructed a source underlying the Fourth Gospel narrative Here he not only brings that reconstruction up to date but also provides commentary section by section on both the text of the reconstructed Johannine source and its redaction in canonical John Part One In Part Two Fortna systematically draws together the theological movement from source to present Gospel covering such topics as Christology the value of signs for faith salvation Jesus death eschatology and community and the Jews in relation to geography in the Fourth Gospel This work then provides a comprehensive and unique redaction critical treatment of the whole Johannine narrative

Her Testimony is True Robert Gordon Maccini,1996-01-01 Het beeld van de figuren Maria Maria Magdalena Martha en andere vrouwen in het evangelie van Johannes waarin zij worden voorgesteld als toeschouwers en ooggetuigen

Theologies of the Gospel in Context David Schnasa Jacobsen,2017-08-25 Many preachers and teachers of preaching talk about the gospel few name it Theologies of the Gospel in Context assembles a gifted group of homileticians who think that preachers need to be able to articulate the gospel not in general but in a certain time and place in context They consider what gospel sounds like for people under oppression in capitalist economies in neocolonial contexts for survivors of trauma and for disestablished mainline churches marred by racism Preachers will appreciate these preacher scholars desire to articulate the gospel with clarity especially since the term is so often left unexplained Homileticians will see a new genre of doing their work as teachers and researchers in preaching a vision that helps preaching see itself not just as an adjunct to exegesis or communication but a place of doing theology In these pages homiletics is more than technique it is a truly theological discipline

The Liturgy That Does Justice James L. Empereur,Christopher G. Kiesling,2006-02-09 Fr Jake Empereur S J vicar and liturgist at the San Fernando Cathedral in San Antonio Texas was for many years a professor of systematic and liturgical theology at the Jesuit School of Theology at Berkeley and the Graduate Theological Union During that time he founded the Institute for Spirituality and Worship a nine month renewal program which has trained people from all around the world He was also the founding editor of Modern Liturgy Magazine that still continues today under the name of Ministry and Liturgy At Berkeley he was very much involved in the area of theology and the arts He also taught courses in the enneagram and spiritual direction In 1994 he moved to San Antonio Texas to work in Hispanic ministry at the San Fernando Cathedral and to be the cathedral liturgist There he continues his work in teaching and writing while being engaged as a full time parish priest He is the author of several books and articles in the field of liturgy and sacraments His latest books are The Enneagram and Spiritual

Direction and Spiritual Direction and the Gay Person His latest book with the title of *La Vida Sacra Hispanic Sacramental Theology* should appear in 2006 Christopher G Kiesling is also the author of *The Spirit and Practice of the Liturgy* *The Future of the Christian Sunday* and *Celibacy Prayer and Friendship* *Two Testaments, One Bible* David L. Baker, 2013-04-06 Do we need the Old Testament today Is this collection of ancient writings still relevant in our postmodern and increasingly post literary world Isn t the New Testament a sufficient basis for the Christian faith What does the Old Testament God of power and glory have to do with the New Testament God of love whom Jesus calls Father Are these two very different Testaments really one Bible In this thoroughly revised updated and expanded edition of *Two Testaments One Bible* David L Baker investigates the theological basis for the continued acceptance of the Old Testament as Christian Scripture through a study of its relationship to the New Testament He introduces the main issues surveys the history of interpretation and critically examines four major approaches He then considers four key themes which provide a framework for Christian interpretation of two Testaments in the context of one Bible typology promise and fulfilment continuity and discontinuity and covenant He completes his study with a summary of the main conclusions and reflection on their implications for the use of the Bible today *Handbook for the Revised Common Lectionary* Peter C. Bower, 1996-01-01 This new handbook will be welcomed by all congregations using the Revised Common Lectionary Convenient and user friendly this one volume guide provides resources for the entire three year lectionary cycle including midweek festival days **The Teaching Minister** , 1991-01-01 With concise and practical guidelines for recovering the identity of the church Clark Williamson and Ronald Allen demonstrate that the central task of ministry is teaching the Christian faith The authors believe that how well ministers understand what is required of them and how well they do what is required of them is part of the problem of churches today as well as part of the solution *Christianity and Ecological Theology* E. M. Conradie, 2006-10-01 There has been a proliferation of publications in the field of Christian ecological theology over the last three decades or so These include a number of recent edited volumes each covering a range of topics and consolidating many of the emerging insights in ecological theology The call for Christian churches to respond to the environmental crisis has been reiterated numerous times in this vast corpus of literature also in South Africa *The Politics of Jesus* John Howard Yoder, 1994-06-09 Tradition has painted a portrait of a Savior aloof from governmental concerns and whose teachings point to an apolitical life for his disciples How then are we to respond today to a world so thoroughly entrenched in national and international affairs But such a picture of Jesus is far from accurate argues John Howard Yoder Using the texts of the New Testament Yoder critically examines the traditional portrait of Jesus as an apolitical figure and attempts to clarify the true impact of Jesus life work and teachings on his disciples social behavior The book first surveys the multiple ways the image of an apolitical Jesus has been propagated then canvasses the Gospel narrative to reveal how Jesus is rightly portrayed as a thinker and leader immediately concerned with the agenda of politics and the related issues of power status and right relations Selected

passages from the epistles corroborate a Savior deeply concerned with social political and moral issues In this thorough revision of his acclaimed 1972 text Yoder provides updated interaction with publications touching on this subject Following most of the chapters are new epilogues that summarize research conducted during the last two decades research that continues to support the insights set forth in Yoder s original work Currently a standard in many college and seminary ethics courses The Politics of Jesus is also an excellent resource for the general reader desiring to understand Christ s response to the world of politics and his will for those who would follow him

Explorations in Christian Theology and Ethics

Michelle J. Bartel,2016-04-22 Engaging variously with the legacy of Paul L Lehmann these essays argue for a reorientation in Christian theology that better honours the formative power of the gospel to animate and shape doctrine and witness as well as ethical and political life The authors explore key themes in Christian theology and ethics forgiveness discernment responsibility spirituality the present day tasks of theology and the role of faith in public life making plain the unabated importance of Lehmann s work at this juncture in contemporary theology The internationally recognized contributors draw crucial connections between the gospel of reconciliation the form of Christian theology and witness and the challenges of contemporary ethical and political reflection This book demonstrates why this close friend of Dietrich Bonhoeffer and author of Ethics in a Christian Context and The Transfiguration of Politics continues to influence generations of theologians in both the English speaking world and beyond

Church Life ,1906

Canon and Community James A. Sanders,2000-06-02

Traces the history of canonical criticism and assesses current trends in biblical analysis and explores the relationship between contemporary interpretations of holy texts and their ancient meanings

Not Every Spirit Christopher

Morse,2009-02-01 Not Every Spirit explores the notion of Christian faith as disbelief and how the task of testing the spirits develops and comes to be understood within Christianity as a theological discipline called dogmatics It also focuses on uncovering disbeliefs of the Christian faith concerning the Word of God the being of God Jesus Christ the Holy Spirit creation salvation humanity the church and the life to come This book is a fresh and timely dogmatic text that will take its place as a standard work on Christian teachings

A Gift of God in Due Season Richard D. Weis,David M. Carr,1996-11-01

This volume of essays addresses from a variety of vantage points the relation of scriptures and community that has been so central to the canonical critical work of James A Sanders The first part of the volume focuses on the formation of the Jewish and Christian canons and texts in them while the second part looks at ancient and modern appropriations of canonical texts Together these essays show the multiple potential links between canonical criticism and historical literary feminist and other approaches in contemporary biblical studies
