SOCIAL WELFARE IN ZAMBIA Ndangwa Noyoo, 2013-07-18 This book discusses social welfare activities in Zambia in the pre colonial colonial and post colonial periods It explains how indigenous social welfare initiatives in colonial Zambia culminated in the Federation of Welfare Societies The former became the first nationalist party in this era known as the Northern Rhodesia Congress NRC with Godwin Mbikusita Lewanika as its leader The book also elucidates how the first African government which was headed by Kenneth Kaunda attained positive human development indicators in Zambia in the 1960s Nonetheless this was at the expense of Barotseland as Kaunda s government had deliberately underdeveloped Barotseland after independence whilst harassing and imprisoning Barotse activists for decades After 1991 successive governments continued to apply Kaunda s methods The book contends that Zambia in its present form is an illegal state because the Barotseland Agreement was abrogated by Kaunda in 1969 This treaty was meant to amalgamate the former British Protectorates of Barotseland and Northern Rhodesia to form Zambia in 1964 *The Oxford Handbook of the Zambian Economy*, 2024-08-23 This handbook offers a comprehensive and authoritative account of the Zambian economy including past and current trends The Zambian economy has evolved from simple and fragmented agrarian activities at the turn of the 20th Century into a wide range of organized and regulated modern economic activities today While the economy has largely revolved around the mining industry since the early 1920s when the extraction of copper and other mineral ores on the Copperbelt begun there has been a gradual broadening of economic activities over time with services now accounting for almost two thirds of gross domestic product GDP This book shows that since colonial times one of the persistent items on the economic development agenda in what is today known as Zambia has been the need to diversify the economy to reduce dependence on mining in terms of foreign exchange earnings and public revenue While the need to diversify the economy has been well acknowledged by successive Zambia governments including the current government achieving this goal has proved to be elusive so far By presenting a collection of well researched and empirically supported chapters on the key areas of the Zambian economy this volume gives readers a good sense of where the Zambian economy has come from where it is at the moment but also highlights the challenges and prospects for economic growth The Politics of Welfare in the Global South Sattwick Dey Biswas, Cleopas Gabriel Sambo, Sony Pellissery, 2024-09-17 This book is a comprehensive reference for conducting political analyses of emerging welfare systems in the Global South It places a central emphasis on decolonizing social policy literature by developing empirically grounded theories and concepts illuminating societies in both the Global South and North These case studies contribute to theoretical generalizations capable of explaining universal principles that are relevant to both the Global South and North Social Welfare with Indigenous Peoples Professor John Dixon, John Dixon, Robert P. and W Sanders      **Le financement de la santé dans les pays d'Afrique et d'Asie à faible revenu**, 2003-01-01 Les conceptions et les politiques en matière de financement de la santé dans les pays à faible revenu s'articulent autour de paradigmes successivement dominants dans les approches des gouvernements et de leurs partenaires extérieurs la gratuité des soins de base et la santé pour tous dans la lignée de la conférence d'Alma Ata tout d'abord la contribution financière des usagers recouvrement des coûts partir de la seconde moitié des années quatre vingt Plus récemment l'accent a été mis sur le développement de mécanismes assuranciers tout en approfondissant et en reconsidérant la réflexion sur la gratuité des soins et sur la participation financière des populations Dans cette perspective cet ouvrage a voulu confronter des travaux théoriques et appliqués sur une sélection de grandes questions soulevées par le financement de la santé Il analyse des expériences et des politiques conduites en ces domaines dans plusieurs pays d'Afrique et d'Asie à faible revenu Le livre est structuré autour de trois parties La première porte sur les déterminants de l'accès aux soins sur l'équité et la protection des plus pauvres questions principalement abordées sous l'angle des effets de la contribution financière des usagers La seconde traite des approches plurielles qui se développent en matière de mécanismes d'assurance notamment dans le secteur informel La troisième s'interroge sur les relations entre le financement et la régulation des systèmes de santé en considérant différentes problématiques qui mettent en relief l'importance des institutions et plus globalement des choix publics rejoignant ainsi des orientations majeures de la réflexion économique contemporaine      **Zambia at Fifty Years** Royson Mukwena, 2016-03-19 This book looks at what went wrong and right during Zambia's first fifty years of nationhood and based on this makes some recommendations where necessary on the way forward for the country in the areas covered in the book The cutoff point for the book is October 24 2014 The book is a systematic discourse on a range of socioeconomic and political developments in the country since independence The discourse covers political history constitutional history political culture and citizen participation in public affairs sovereignty and democracy foreign policy civilian control of armed forces dependency syndrome employment creation through micro small and medium enterprises marketing systems library and information services labour matters the civil service and social welfare      **Out of Poverty. Comparative Poverty Reduction Strategies in Eastern and Southern Africa** Flora Lucas Kessy, Arne Tostensen, 2008 This study examines traces and maps the poverty reduction policies adopted by six countries in Eastern and Southern Africa since the mid 1990s with a view to highlighting differences and similarities      **Department of Social Welfare Annual Report for the Year 1970** Zambia. Ministry of Labour and Social Services, 1971      Area Handbook for Zambia Irving Kaplan, 1974      **Work-Family Interface in Sub-Saharan Africa** Zitha Mokomane, 2013-11-01 Problems associated with work family conflict do not belong to individual families alone but have a major social and economic impact on the greater community This scenario also holds true across sub-Saharan Africa as nations enter the global economy and rising numbers of women enter the workforce One of the first resources to focus on this region Work Family Interface in Sub-Saharan Africa probes rarely studied dimensions of conflict between paid

employment and family responsibilities It balances theoretical background empirical findings and current and emerging interventions for an insightful and practical review of ongoing issues affecting working women with families Coverage contrasts concepts of work and family between the developing world and the West and related social concerns such as gender expectations and sexual harassment are examined in the work context The book describes a range of family strategies for resolving work family friction and chapters end with policy recommendations as first steps toward remedying longstanding challenges Among the thought provoking dispatches Ghana Managing work and family demands Nigeria Strain based family interference with work Botswana The social impact of job transfer policy on dual career families Kenya The role of household help in work family balance South Africa State measures toward work care integration Zambia The quest for a family policy As evinced by these chapters progress is gradual and far from uniform As a guide for future study and future policy Work Family Interface in Sub Saharan Africa is a substantial reference for sociologists public health professionals public and social policymakers and administrators

**Informality and Poverty in Zambia Findings from the 2015 Living Standards and Monitoring Survey** OECD, International Labour Organization, 2019-05-18 As Zambia plans for extending social protection coverage this high level of informality will be an important challenge for the social protection system in particular in terms of coordinating both non contributory social assistance mechanisms and contributory social insurance programmes This The Routledge Handbook of Poverty in the Global South Rajendra Baikady, John Gal, Varoshini Nadesan, Sajid S.M., Gao Jianguo, 2023-12-01 This handbook initiates fresh debates on poverty and its impact in a constantly changing Global South society It studies the concept theories and causes of poverty as well as the design and delivery of social welfare policies related to specific groups such as women children and the elderly The chapters are theoretical evidence based and empirical in nature and bring together a holistic understanding of social problems and issues in developing countries The volume brings together researchers educators and practitioners from across the globe to develop a hands on reference work that will be requisite for several social science disciplines concerned with poverty and the welfare of poor people The first of its kind the handbook will be indispensable for scholars and researchers of development studies economics social work political studies poverty studies population and demographic studies sociology social anthropology public policy and political economy especially those concerned with the Global South Routledge Handbook of Sport for Development and Peace Holly Collison, Simon C.
