CRITICAL DEBATES

THIRD EDITION

# Social Work Themes Issues And Critical Debates

**Joyce Lishman**

## **Social Work Themes Issues And Critical Debates:**

Social Work Robert Adams, Lena Dominelli, Malcolm Payne, 2002 The second edition of this text has been thoroughly revised and updated to ensure that it continues to provide a comprehensive survey of social work practice and theory New chapters covering the changing nature of social work and advocacy and empowerment approaches have been included and the editors have added a new conclusion in which they reflect on the past present and future of social work All of the chapters have been revised to cover the most recent debates and developments in research and practice      **Handbook for Practice Learning in Social Work and Social Care** Joyce Lishman, 2007-05-15 This substantially revised expanded and updated edition of the popular Handbook of Theory for Practice Teachers is a comprehensive summary of the theory knowledge research and evidence relating to practice learning in social care focussing on knowledge based practice with a focus on improving outcomes      *Social Work: Themes, Issues and Critical Debates* Robert Adams, Lena Dominelli, Malcolm Payne, 2017-09-16 Social Work Themes Issues and Critical Debates one of the most respected and widely used textbooks in social work has now been completely revised and updated With its accessible and clearly structured framework the book offers expert discussion of the core topics in social work by top writers teachers and practitioners in the field It provides an essential grounding in the debates that shape the profession as well as a clear insight into the issues at the heart of practice What makes this highly regarded and bestselling book stand out from other texts Its range authority and theoretical integrity Its clear and effective structure which reflects major shifts in teaching and makes it easy to use across modules The importance it lays on practice based learning and on developing core practice skills such as communication assessment and intervention Its value as a springboard to further reading including extensive guidance on further print and electronic sources Its compact size perfect for readers who are travelling between campus and practice settings This is one of three interrelated books edited by the internationally renowned and widely published team Robert Adams Lena Dominelli and Malcolm Payne The companion books are Critical Practice in Social Work second edition and Practising Social Work in a Complex World Each book can be used alone or in combination with the other two as a uniquely flexible and comprehensive programme of study      **Understanding and Using Theory in Social Work** Juliette Oko, 2008-06-10 Understanding how theory informs social work practice is an area that students can often find difficult to grasp Written in an accessible style this book introduces theory as a framework that social workers can draw upon to inform their decision making process Using the key skills of critical thinking and reflection this text encourages the reader to think about the formal and informal knowledge sources they can draw upon to guide their practice      **Reflective Thinking in Social Work** Mekada Julia Graham, 2017-02-17 It is vital that social work students learn to integrate their personal and professional selves if they are to meet the challenges of social work in complex changing environments This accessible text is designed to enable readers to explore and build on their existing skills and abilities supporting them to become competent and self aware reflective

practitioners Reflective Thinking in Social Work uses stories told by a range of social work students to model reflective practice learning Discussing issues such as identity motivation to enter the social work profession and lived experiences in the journey into social work the book brings together stories of hardship privilege families hopes interests and community activism from many diverse ethnic backgrounds Each narrative is introduced by the author and ends with a commentary drawing out the key themes and exploring how the reader can use the narrative to enhance their own understanding and critical thinking and to engage in transformative practice Framed by an in depth discussion of available frameworks for reflective practice in different contexts and the importance of narratives in constructing identities this is an invaluable text for social work students at both bachelor s and master s degree levels *Effective Advocacy in Social Work* Jane

Dalrymple, Jane Boylan, 2013-10-22 Advocacy is an essential skill for social workers who need to be able to speak confidently on behalf of service users in a range of situations In this new book Jane Dalrymple and Jane Boylan explore the theory and research behind advocacy to demonstrate how to achieve best practice Key topics covered include Independent advocacy Supporting self advocacy and decision making Challenging oppression Negotiating with organisations Each chapter includes rich case examples which help readers bring the discussion into the real life practice context *Effective Advocacy in Social Work* will be valuable reading for those studying social work at undergraduate and postgraduate level as well as those working in practice and in interprofessional contexts Jane Dalrymple is Senior Lecturer at the University of the West of England Jane Boylan is Senior Lecturer at Keele University *Social Work Process and Practice* David Watson, Janice West, 2006-04-13 This new textbook examines the knowledge skills and values that underpin and inform current social work practice and processes With a clear focus on skills social work processes and the suitability of different methods Watson offers students a toolkit for applying theoretical frameworks to actual practice situations **Homelessness and Social**

**Work** Carole Zufferey, 2016-11-25 Drawing on intersectional theorising *Homelessness and Social Work* highlights the diversities and complexities of homelessness and social work research policy and practice It invites social work students practitioners policy makers and academics to re examine the subject by exploring how homelessness and social work are constituted through intersecting and unequal power relations The causes of homelessness are frequently associated with individualist explanations without examining the broader political and intersecting social inequalities that shape how social problems such as homelessness are constructed and responded to by social workers In reflecting on factors such as Indigeneity race ethnicity gender class age sexuality ability and other markers of identity the author seeks to construct a new intersectional framework for understanding social work and homelessness provide a critical analysis of social work responses to homelessness challenge how homelessness is represented in social work research social policy and social work practice and incorporate the stories of people experiencing homelessness The book will be of interest to undergraduate and higher research degree students in the fields of intersectionality homelessness sociology public policy and social work *Social*

*Work* Marie Connolly, Louise Harms, 2011-09-30 Social workers practice across a wide range of settings with many different people Some work primarily with individuals some work with families or groups of people in therapeutic or community contexts while others focus on community advocacy community action and social change In such diverse disciplinary contexts the notion of theoretically informed practice can seem complicated Written as a core text the book captures the critical information students need to feel confident in the application of theory to practice Integrated case studies from both Australasian and international perspectives illustrate how theory works in practice and how theory facilitates change *Social Work From Theory to Practice* provides a comprehensive exploration of knowledge in practice the use of evidence as a basis for practice and the ways in which theory helps practitioners to understand make sense of and respond to complex human needs

**Social Work** Louise Harms, Marie Connolly, 2023-07-28 *Social Work From Theory to Practice* provides a critical introduction to core and emerging theories of social work and teaches students in Australia and Aotearoa New Zealand how to apply these theories in their practice to facilitate change The fourth edition introduces a cultural lens through which to interrogate theory A new chapter on Aboriginal perspectives explores a range of theories from emancipatory frameworks and approaches to deep listening and provides insights for students on how to decolonise their practice and responsibly provide socially just outcomes for communities New discussions on navigating the service system feminist and anti oppressive approaches sustainability and the impact of COVID 19 on social workers and the communities they serve are included throughout the book Each chapter includes reflections from social workers and case examples with accompanying questions New end of chapter questions help students engage critically with the content

**Social work** Rogowski, Steve, 2010-10-27 This book traces the changing fortunes of radical and critical social work and examines the theory context and application of such approaches Radical social work of the 1970s declined as the rise of neoliberalism over subsequent decades changed the nature of the welfare state along with what social workers do and how A looser critical approach developed although practitioner demoralisation and disillusionment led to the second wave of radical social work in the late 2000s Despite challenges critical practice is both necessary and possible in the neoliberal world Core areas of practice with children and families are covered including some real life case studies key point summaries and suggestions for further reading The essential argument is for an emancipatory practice geared to meeting immediate needs as well as having some vision of a future more socially just and equal society The book will be invaluable to undergraduate and postgraduate social work students experienced practitioners educators managers and policy makers

**Best Practice in Social Work** Karen Jones, Barry Cooper, Harry Ferguson, 2007-11-27 Social work has laboured too long under a deficit model that focuses on failings and problems of practice Emphasising best practice strengths and collaborative partnership this ambitious book seeks to redress the balance Undergraduate and post qualifying social work students alike will find it a useful resource

**Handbook for Practice Learning in Social Work and Social Care, Third Edition** Joyce Lishman, 2015-08-21 This

fully updated and expanded third edition of a classic text provides a comprehensive introduction to key theory knowledge research and evidence relating to practice learning in social work and social care It outlines the theories that underpin social care practice the main assessment models and interventions and also offers guidance on the effective implementation of assessment across a range of professional contexts Contributors from research policy making and practice backgrounds offer guidance on how to apply policy and research findings in everyday practice while ensuring that the complex needs of each individual service user are met This third edition also features new chapters on group work social pedagogy and personalisation The Handbook for Practice Learning in Social Work and Social Care is an essential resource for ensuring effective evidence based practice which will be valued by students educators and practitioners alike *Social Work* Steve Rogowski,2020-09-02 Rogowski s second edition of this bestselling textbook responds to the major changes to social work practice since the first edition was published It is fully revised and updated to include new material that is essential for students and practising social workers today Taking a critical perspective Rogowski evaluates social work s development nature and rationale over approximately 150 years He explores how neoliberalism is at the core of the profession s crisis and calls for progressive critical and radical changes to social work policy and practices based on social justice and social change This new edition is substantially updated to explore the impact of austerity policies since 2010 failures to realise the progressive possibilities which followed the death of Baby P contemporary examples of critical and radical practice It also includes a range of student friendly features including chapter summaries key learning and discussion points and further reading *Advances in Sociology Research* Leopold M. Stoneham,2004 Presents original research results on the leading edge of sociology Each chapter has been carefully selected in an attempt to present substantial advances across a broad spectrum *Key Themes in Health and Social Care* Adam Barnard,Verusca Calabria,Louise Griffiths,2023-04-10 This revised and expanded second edition of Key Themes in Health and Social Care is a learning resource for students in health and social care It provides an overview of foundational issues and core themes in the field and introduces key areas of debate moving from an introductory level to in depth discussion as the book progresses Divided into three parts the first part sets the scene addressing introductory psychology and sociology social policy equality and diversity skills for practice and working with people the second part considers key themes such as mental health and wellbeing management of services the relationship between place and wellbeing research in health and social care and person centred interventions the third part looks at discrete areas of practice such as mental health ageing leading and managing health and social care working with vulnerable populations and health promotion Each chapter begins with an outline of the content and learning outcomes and includes reflective exercises to allow students to reflect on what they have read review their learning and consolidate their understanding Time pressed readers wanting to dip into the book for relevant areas can do so but read from cover to cover the book provides a comprehensive introduction to the key areas of contemporary health and social care practice It will be

particularly helpful for students undertaking health and social care undergraduate and foundation degrees

**Modern Social Work Practice** Professor Mark Doel, Professor Steven M Shardlow, 2012-12-28 Modern Social Work Practice is an interactive book designed to provide readers with an opportunity to engage with key aspects of current social work practice. It also provides an excellent digest of the significant literature. Each chapter is introduced with an activity or exercise designed to aid student learning in discrete aspects of practice building up to a complete curriculum for practice learning. The book builds upon the success and style of Social Work Practice 1993 and The New Social Work Practice 1998. Mark Doel and Steven M Shardlow have shaped the book to take account of the National Occupational Standards for Social Work aiming to provide a creative practical and up to date resource for teaching and learning in line with current practices.

**Social Work and Migration** Kathleen Valtonen, 2016-04-01 Social work increasingly finds itself at the frontline of issues pertaining to immigrant and refugee settlement and integration. In this timely book Kathleen Valtonen provides the first book length study on the challenges these issues create for the profession. Drawing on a wide range of research in migration which is not widely available to social workers or included in social work literature she offers readers an opportunity to explore the capacity of the profession to take a primary role in the course and outcome of settlement. The book fills a gap in the social work literature by providing scholars practitioners and students with a critical knowledge base that will strengthen their ability to engage with issues of immigration and integration and to open up options for effective practice with growing numbers of immigrant and refugee clients.

Principles of Child Protection: Management and Practice Anne DO NOT USE Lawrence DO NOT USE, Anne Lawrence, 2004-10-16 This book offers a detailed analysis of the issues and challenges in the theory and practice of child protection. It is based on the author's research carried out in the United Kingdom and Australia and arises out of a recognised need to enhance cooperation among the major agencies involved in children's welfare today. Governments across the world are radically reviewing policy in the child welfare field. In the midst of these new initiatives it is the managers and practitioners who must understand the context of change in order to do their work effectively. The book examines the social and cultural definitions of child abuse and child sexual abuse. Social constructions of childhood. The origins of child protection practice. Contemporary multiagency approaches to child protection management. Organizational perspectives in social work practice. The author critically examines the social factors that have led to the rise in the incidence of child abuse as well as the expansion of definitions of child abuse and child sexual abuse. The book concludes with recommendations for the future development of child welfare services. Principles of Child Protection is important reading for child protection practitioners managers policy makers and students on qualifying and post qualifying courses in social work social policy sociology and child protection.

**The Short Guide to Social Work** Robert Adams, 2010 This one stop text for new and prospective social work students is easy to read and full of essential information and practical advice about what is needed to qualify and practice in social work.
