Social Work With Old People Basw Practical Social Work Series

Mark Lymbery, Karen Postle

Social Work With Old People Basw Practical Social Work Series:

Social Work with Old People Mary Marshall,1990 **Critical Issues in Social Work With Older People** Mo G.

Ray,Miriam Bernard,Judith Phillips,2018-06-26 This timely text highlights the importance of informed and critical practice in social work with older people With an emphasis on reflection throughout it argues for the need to rethink how social workers support some of the most vulnerable people in society The text begins with an exploration of the relationship between gerontology the study of aging and social work and demonstrates that a gerontological approach has long been missing from social work practice The central chapters consider key issues affecting older people and social work practice such as Risk of poverty Memory loss and dementia Palliative and end of life care Loss and bereavement Moving into a care home Bringing together theoretical and research insights this agenda setting text provides a sound base for creative practice with older people All those looking to make a positive and discernible difference to older people will find this text rewarding reading

SWT, Social Work Today ,1985

Social Work Practice with Adults Sally Lee,Louise Oliver,2023-04-19 This book will provide you with the initial developing knowledge and skills needed to practice ethically and effectively in diverse settings with a range of adults Written in collaboration with service users carers and practitioners its unique collaborative approach will enable you to learn from real lived experience Since launching in 2003 Transforming Social Work Practice has become the market leading series for social work students These books use activities and case studies to build critical thinking and reflection skills and will help social work students to develop good practice through learning These books are Affordable Written to the Professional Capabilities Framework Mapped to the social work curriculum Practical with clear links between theory and practice *Applied Psychology for Social Workers* Paula Nicolson,Rowan Bayne,1984-02-02 *Social Work Practice with Older People* Rory Lynch,2013-11-13 Older people are the biggest service user group for social workers and an increasing proportion of the population In this refreshingly positive and practical textbook Rory Lynch draws on years of practice and teaching experience to show how to achieve best social work practice with older adults He takes a person centred approach which fosters respect by valuing the fact that elderly people have more lived experience than others Exploring the key theoretical approaches and methods of intervention this book helps social workers to identify understand and facilitate their service users wishes for well being and a fulfilling older age Chapters are practice driven containing case studies drawn from a range of care settings reflective questions and exercises Mapping directly onto the key modules on the social work degree this is essential reading for all student social workers especially as they prepare to go on their practice placement It is also valuable reading for qualified social workers Rory Lynch is Lecturer in Social Work at Robert Gordon University

Social Work With Older People: Approaches To Person-Centred Practice Hall, Barbara,Scragg, Terry,2012-03-01 This text fills a gap for an accessible textbook which takes a person centred approach to working with older people by providing readers with a basic knowledge of policy legislation theory and research **Getting Ready for Direct**

Practice in Social Work Peter Scourfield, 2017-05-08 This very practical book will support students to meet the requirements of the compulsory Readiness for Direct Practice assessment Useful for social work students and lecturers alike it takes each of the 9 domains that students are tested on breaks them down step by step and provides a range of interactive activities that enable them to acquire the knowledge values and skills for practice required at this level It offers students a foundation to the key areas of knowledge for each of the 9 domains while also signposting them to other popular books in the Transforming Social Work Practice series for a more detailed discussion as well *Creative Approaches to Social Work*

Practice Learning Heidi Dix, Aisha Howells, 2025-02-28 A guide to enable social work practice educators to be more creative in the teaching supervision and assessment of students Practice educators as social workers are used to being creative and innovative in their demanding roles in practice But often they can struggle to find the time to integrate this creativity in the teaching and learning with students To support a student's ability to develop their critical thinking practice educators need to possess and demonstrate a range of different skills and knowledge around models and strategies of teaching supervision and assessment This concise guide enables practice educators to be more creative in the teaching supervision and assessment of students Containing stand alone but inter linked chapters that each cover an innovative or creative approach in practice education this book provides accessible material and practice guidance to enable practice educators to cultivate a creative approach to learning This includes contemporary and diverse ideas around the teaching supervision and assessment of social work students who are undertaking their practice learning placements Each chapter is written by a qualified practice educator enabling them to draw upon their experiences of effectively supporting the development of students and the building of a learning relationship The book bridges theory and practice providing a straightforward and useful resource for practice educators to draw upon thus supporting their research mindedness to inform their practice and contribute to their knowledge base Both of which are indicative skills within their expert specialist roles In short the book provides a range of creative approaches demonstrates their application in practice and helps to build a creative toolbox to use within practice

Rural Social Work in the UK Colin Turbett, Jane Pye, 2024-04-30 This book draws together writers from various backgrounds to discuss issues that affect those working in rural social work settings on themes ranging from current issues that are common to rural localities including those arising from the Covid 19 pandemic to future challenges Common themes that run through all the chapters and hold them together include community and place stigma and alienation inequality and social justice and the environment Several of the chapters include a strong user voice and challenge cis heteronormative and other stereotypes of rural life by celebrating diversity in these communities The book will therefore be invaluable to rural practitioners students studying to work in rural settings and their educators as well as rural sociologists and policy makers

The Law and Social Work Lesley-Anne Long, Jeremy Roche, Debbie Stringer, 2017-09-16 This is an essential text for all those undertaking social work training Updated to reflect recent changes in legislation and practice in working with children

and families domestic violence human rights and social services the second edition contains new chapters to provide comprehensive coverage of the key themes of social work law *Social Work Law, Ethics & Social Policy* Muna Sabbagh, Gillian Korgaonkar, 2021-12-15 Are you a social work student looking to understand how the law ethics and social policy interrelate in practice Then look no further Whether you a student or Newly Qualified Social Worker working with children and families or adults at risk of harm this practical guide will equip you with the knowledge and skills you need to fulfil your professional responsibilities and practice with confidence This book covers all the areas of law you need to know social work with children and families vulnerable adults and social issues such as welfare and homelessness Each section concludes with a discussion of how social policy and ethics relate to each area of social work law This gives real world context to what you have learnt alongside thought boxes exercises and case studies in each chapter to further encourage reflection and put theory into practice *Social Work* Philip Heslop, Cathryn Meredith, 2018-12-10 This book equips readers with the essential knowledge and skills to undertake effective assessments and appropriate interventions with confidence In part one the authors unpick exactly what assessment is outline the assessment toolkit apply this to practice and discuss the ins and outs of the development of a clear care plan Drawing on activities case studies and service user perspectives part two guides readers through the application of different intervention methods in varied contexts with diverse service user groups This book focuses on key issues such as resilience professional values and ethics complexity and reflective practice helping students not only get to grips with all the essential theory but also to develop to emotional and professional intelligence

Developing Skills for Social Work Practice Michaela Rogers, Dawn Whitaker, David Edmondson, Donna Peach, 2016-11-26 Are your students struggling to get to grips with what social work actually looks like in real life practice Are they wanting to know more about how they can develop the right skills and implement the right theory in many different practice situations Then you have come to the right place This book will provide your students with everything they need to know and more helping them develop and hone their skills and make the best start in their practice placements To get the most out of this book and access more materials to support them through their social work degree visit the companion website at <https://www.study.sagepub.com/rogers> to read journal articles access how to guides and helpful links as well as hear first hand from frontline social workers services users carers and more *Building Effective Social Work Teams* Judy Foster, 2016-11-14 For decades social work policy has been geared around checklists maximizing throughput of cases and responding to scandals In this ground breaking work Judy Foster makes the case that such biases promote neither efficiency nor client satisfaction Instead she urges a complete overhaul based on five principles policy coherence organisational support autonomy professional development and finding space to think The ideas she puts forward can be taken up by all social workers and those in social care from their second year of qualifying training to policy makers and leaders in the field *Developing Skills and Knowledge for Social Work Practice* Michaela Rogers, Dawn Whitaker, David Edmondson, Donna Peach, 2020-03-09

This very practical guide will teach students everything they need to know to successfully apply theory methods and approaches in real life practice It will assist in developing and hone their skills to make the best start in their practice placement and beyond as a newly qualified practitioner To get the most out of this book visit the companion website at <https://www.study.sagepub.com/rogers2e> to find journal articles templates how to guides and brand new videos with discussion questions and a glossary

Social Work Patricia Higham, 2006-03-23 Comprehensive and user friendly The book is helpfully constructed around a number of key themes starting with a good attempt to define social work from historical and international perspectives and moving on to address key issues concerning the practice knowledge values and skills required from contemporary social work in the UK I believe social work students newly qualified and experienced social workers will find this a valuable resource especially when one is confronted by challenges in practice Professional Social Work Social Work is a good overview that should refresh learner and tutor alike Practice assessors may find this book a useful update for their work with students and also a neat refresher It is a well written and up to date text with a good sense of where future challenges lie for the social work profession in the UK Higham is confident enough to voice the profession's uncertainties as well as mapping the changing organisational landscape that social workers might populate This book is likely to appear on many social work reading lists It has the potential to provide good learning opportunities for post qualifying as well as pre qualifying training Health and Social Care in the Community The unique aspect of this book which distinguishes it from other competitors is that it is constructed explicitly around the key roles and benchmark statements this book will offer something new and interesting to the growing field of social work education literature and is likely to be relevant to both students and practitioners in the UK and elsewhere Dr Caroline Skehill Queens University Belfast What is the role of social work What does it mean to be a social worker What are the changes affecting social work training Social Work Introducing Professional Practice addresses these questions and provides an understanding of the knowledge values and skills requirements of professional social work The author has played a key role in constructing the subject benchmarks for the social work degree and offers a reflective and thoughtful commentary upon training education and practice Written in a lively and readable style the book captures the essence of the changes sweeping through social work and engages the reader in these debates Key features of this book include Comprehensive content structured around the guidelines for training and practice Bridges the gap between theory and real life practice Student friendly features such as case studies discussion questions further reading and a glossary This exciting publication will be a core textbook for trainee social workers as they progress through the qualifying social work degree or as they begin their practice as newly qualified workers seeking to consolidate their learning

Social Work and the Transformation of Adult Social Care Mark Lymbery, Karen Postle, 2015-04-15 Health and social care reforms and cuts in services and finances are part of the everyday fabric of the social work landscape This book takes a critical approach to the transformation agenda and the implications for adult health and social care Fully informed by theory

research policy and legislation the book uses a problem based learning approach through the application of case studies to explain and explore the overlapping roles of social care and social policy The book argues for the continued significance and importance of social work within the context of adult social care It shows that social work can make a difference in the lives and experiences of many of the people who are perceived as being the most vulnerable people in society This text is essential reading for students of social work and social policy health and social care courses and other professional disciplines social work educators and practitioners and managers working in social care The Social Work Assignments Handbook Sarah Foote, Anne Quinney, Matt Taylor, 2015-10-01 The Social Work Assignments Handbook is the complete guide to preparing for carrying out and writing up a social work assignment or project Designed to support students through their assignments from beginning to end each stage is fully explained through friendly advice and practical guidance so that students can feel confident in their work whether they are writing up quantitative research findings or carrying out a literature review

Sociology and Social Work Jo Cunningham, Steve Cunningham, Alice O'Sullivan, 2022-09-23 Sociological perspectives can be used to analyse societal and structural influences on human behaviour at individual group and community levels The authors link sociological concepts debates and theories relating to key areas such as poverty social exclusion education social class and social justice to develop your students understanding of how sociological perspectives will impact upon their social work placements and practice This book begins by taking you step by step through the ins and outs of why sociology is important to social work It explains the relevance of sociology to everyday social work practice introducing you to the core sociological perspectives that you will need to get to grips with during your course including functionalism Marxism symbolic interactionism and postmodernism The book then moves on to explore various social issues in detail i.e. poverty social class social exclusion education moral panics with extended case studies activities and links to skills in practice illustrating the many opportunities and challenges that each aspect brings to everyday practice There are also important chapters on family community and the role of sociology in social work training

Social Work With Old People Basw Practical Social Work Series Introduction

In the digital age, access to information has become easier than ever before. The ability to download Social Work With Old People Basw Practical Social Work Series has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Social Work With Old People Basw Practical Social Work Series has opened up a world of possibilities. Downloading Social Work With Old People Basw Practical Social Work Series provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Social Work With Old People Basw Practical Social Work Series has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Social Work With Old People Basw Practical Social Work Series. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Social Work With Old People Basw Practical Social Work Series. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Social Work With Old People Basw Practical Social Work Series, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the

legitimacy of the websites they are downloading from. In conclusion, the ability to download Social Work With Old People Basw Practical Social Work Series has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
