Social Identities In Revolutionary Russia:

Social Identities in Revolutionary Russia Madhavan K. Palat, 2001-06-18 This volume explores the crisis of identity that faced Russia during and after the Revolution The essays discuss how a re evaluation of national identity challenged traditional institutions and ideas having a direct bearing upon personal identity Topics include the Stolypin agrarian reform the fracturing of the Intelligentsia and Church reform Also included in this volume is Khlebinkov s manifesto An Indo Russian Union published here in Russian with a new English translation

Revolutionary Russia Rex A. Wade, 2004-07-31 This collection presents the major recent writings on the Russian Revolution and its context It brings together key texts to illustrate new interpretive approaches and covers the central topics and themes Together the chapters in this volume form a coherent representation of both the events and the theories and debates that relate to them

A Companion to the Russian Revolution Daniel Orlovsky, 2020-08-17 A compendium of original essays and contemporary viewpoints on the 1917 Revolution The Russian revolution of 1917 reverberated throughout an empire that covered one sixth of the world It altered the geo political landscape of not only Eurasia but of the entire globe The impact of this immense event is still felt in the present day The historiography of the last two decades has challenged conceptions of the 1917 revolution as a monolithic entity the causes and meanings of revolution are many as is reflected in contemporary scholarship on the subject A Companion to the Russian Revolution offers more than thirty original essays written by a team of respected scholars and historians of 20th century Russian history Presenting a wide range of contemporary perspectives the Companion discusses topics including the dynamics of violence in war and revolution Russian political parties the transformation of the Orthodox church Bolshevism Liberalism and more Although primarily focused on 1917 itself and the singular Revolutionary experience in that year this book also explores time periods such as the First Russian Revolution early Soviet government the Civil War period and even into the 1920 s Presents a wide range of original essays that discuss Brings together in depth coverage of political history party history cultural history and new social approaches Explores the long range causes influence on early Soviet culture and global after life of the Russian Revolution Offers broadly conceived contemporary views of the revolution largely based on the author s original research Links Russian revolutions to Russian Civil Wars as concepts A Companion to the Russian Revolution is an important addition to modern scholarship on the subject and a valuable resource for those interested in Russian Late Imperial or Soviet history as well as anyone interested in Revolution as a global phenomenon

Power and the Sacred in Revolutionary Russia Glennys Young, 2010-11 After the 1917 Revolution in Russia the Bolsheviks launched a massive assault on religion Although we know a great deal about how the Bolsheviks went about doing this propaganda persecution of clergy and laity seizing church property scholars have not devoted much attention to the other side of the story the people who were being persecuted and how they responded to their persecutors Glennys Young shows how ordinary Russian peasants devised ways of asserting their religious faith during the difficult period of New Economic

Policy 1921 28 when the Party state was ideologically obsessed with eradicating religion Faced with persecution torture and the creation of antireligious organizations such as the League of the Godless Orthodox clergy and laity organized themselves against the Bolsheviks They revived factional politics even using the village soviets the intended cornerstone of Soviet power in the countryside to defend their religious interests When they achieved some degree of success in their resistance the Bolsheviks were forced to respond and adapt their strategies a conclusion that scholars have not put forward previously Based on extensive research in archives and published sources Young's book will force historians of Soviet Russia to confront religious issues as central to rural politics Her work also draws upon cultural anthropology and theories of peasant politics making it of great interest to any scholars studying the processes of secularization and desecralization in other cultures

Politics and the People in Revolutionary Russia Sarah Badcock, 2007-10-04 After the collapse of the Romanov dynasty in February 1917 Russia was subject to an eight month experiment in democracy Sarah Badcock studies its failure through an exploration of the experiences and motivations of ordinary men and women urban and rural military and civilian Using previously neglected documents from regional archives this text offers a history of the revolution as experienced in the two Volga provinces of Nizhegorod and Kazan Badcock exposes the confusions and contradictions between political elites and ordinary people and emphasises the role of the latter as political actors By looking beyond Petersburg and Moscow she shows how local concerns conditions and interests were foremost in shaping how the revolution was received and understood She also reveals the ways in which the small group of intellectuals who dominated the high political scene of 1917 had their political alternatives circumscribed by the desires and demands of ordinary people

Homosexual Desire in Revolutionary Russia Dan Healey, 2012-04-26 The first full length study of same sex love in any period of Russian or Soviet history *Homosexual Desire in Revolutionary Russia* investigates the private worlds of sexual dissidents during the pivotal decades before and after the 1917 Bolshevik Revolution Using records and archives available to researchers only since the fall of Communism Dan Healey revisits the rich homosexual subcultures of St Petersburg and Moscow illustrating the ambiguous attitude of the late Tsarist regime and revolutionary rulers toward gay men and lesbians *Homosexual Desire in Revolutionary Russia* reveals a world of ordinary Russians who lived extraordinary lives and records the voices of a long silenced minority

Regime and Society in Twentieth-Century Russia Ian D. Thatcher, 2016-07-27 This book contains fresh approaches to the interaction between regime and society in twentieth century Russia It offers new answers to familiar questions How useful is totalitarianism as a model to categorise authoritarian regimes What chances existed for tsarism to establish itself as a constitutional monarchy Were Trotsky and Lenin dictators in waiting How did the Bolsheviks make the Lenin cult What opposition did intellectuals offer in the Soviet regime What is the nature of contemporary Russian constitutionalism It is required reading for historians political scientists sociologists and everyone interested in modern Russia

Russian Orthodoxy on the Eve of Revolution Vera Shevzov, 2004 Explores sacred community and how it functioned

or sometimes did not in Russian Orthodoxy before the fateful historic events of the 1917 Russian Revolution *Telling October* Frederick Corney, 2018-08-06 All revolutionary regimes seek to legitimize themselves through foundation narratives that told and retold become constituent parts of the social fabric erasing or pushing aside alternative histories Frederick C Corney draws on a wide range of sources archives published works films to explore the potent foundation narrative of Russia's Great October Socialist Revolution He shows that even as it fought a bloody civil war with the forces that sought to displace it the Bolshevik regime set about creating a new historical genealogy of which the October Revolution was the only possible culmination This new narrative was forged through a complex process that included the sacralization of October through ritualized celebrations its institutionalization in museums and professional institutes devoted to its study and ambitious campaigns to persuade the masses that their lives were an inextricable part of this historical process By the late 1920s the Bolshevik regime had transformed its representation of what had occurred in 1917 into a new orthodoxy the October Revolution Corney investigates efforts to convey the dramatic essence of 1917 as a Bolshevik story through the increasingly elaborate anniversary celebrations of 1918 1919 and 1920 He also describes how official commissions during the 1920s sought to institutionalize this new foundation narrative as history and memory In the book's final chapter the author assesses the state of the October narrative at its tenth anniversary paying particular attention to the versions presented in the celebratory films by Eisenstein and Pudovkin A brief epilogue assesses October's fate in the years since the collapse of the Soviet Union Gender and Citizenship in Historical and Transnational Perspective Anne Epstein, Rachel Fuchs, 2017-09-16 With gender as its central focus this book offers a transnational multi faceted understanding of citizenship as legislated imagined and exercised since the late eighteenth century Framed around three crosscutting themes agency space and borders leading scholars demonstrate what historians can bring to the study of citizenship and its evolving relationship with the theory and practice of democracy and how we can make the concept of citizenship operational for studying past societies and cultures The essays examine the past interactions of women and men with public authorities their participation in civic life within various kinds of polities and the meanings they attached to their actions In analyzing the way gender operated both to promote and to inhibit civic consciousness action and practice this book advances our knowledge about the history of citizenship and the evolution of the modern state *Russian Baptists and Spiritual Revolution, 1905-1929* Heather J. Coleman, 2005-04-20 a fascinating read for everyone interested in Russia religion and modernity Nadieszda Kizenko In the early 20th century Baptists were the fastest growing non Orthodox religious group among Russians and Ukrainians Heather J Coleman traces the development of Baptist evangelical communities through a period of rapid industrialization war and revolution when Russians found themselves asking new questions about religion and its place in modern life Baptists faith helped them navigate the problems of dissent of order and disorder of modernization and westernization and of national and social identity in their changing society Making use of newly available archival material this important book reveals the ways

in which the Baptists own experiences and the widespread discussions that they generated illuminate the emergence of new social and personal identities in late Imperial and early Soviet Russia the creation of a public sphere and a civic culture and the role of religious ideas in the modernization process

Russia's Revolutionary Experience, 1905-1917 Leopold H. Haimson, 2005 he eminent historian Leopold Haimson examines the nature of political power in Russia during the years leading to the Bolshevik revolution The book explores the issue of power as it was reflected in struggles of Russian workers to control their own lives and in the outlooks and strategies of leading political figures on the objectives of the revolution and the ways to achieve them

The Russian Revolution and Civil War 1917-1921 Jonathan Smele, 2006-04-15 The Russian Revolution and Civil War in the years 1917 to 1921 is one of the most widely studied periods in history It is also somewhat inevitably one that has generated a huge flow of literature in the decades that have passed since the events themselves However until now historians of the revolution have had no dedicated bibliography of the period and little claim to bibliographical control over the literature The Russian Revolution and Civil War 1917 1921 offers for the first time a comprehensive bibliographical guide to this crucial and fascinating period of history The Bibliography focuses on the key years of 1917 to 1921 starting with the February Revolution of 1917 and concluding with the 10th Party Congress of March 1921 and covers all the key events of the intervening years As such it identifies these crucial years as something more than simply the creation of a communist state

Sexuality and the Body in Russian Culture Jane T. Costlow, Stephanie Sandler, Judith Vowles, 1993 Twelve groundbreaking essays show the varied and complex ways in which ideas about sexuality gender and the body have shaped and been influenced by Russian literature history art and philosophy from the medieval period to the present day

Strikes and Revolution in Russia, 1917 Diane P. Koenker, William G. Rosenberg, 2014-07-14 More than seventy years since the Bolsheviks came to power there is still no comprehensive study of workers activism in history s first successful workers revolution Strikes and Revolution in Russia 1917 is the first effort in any language to explore this issue in both quantitative and qualitative terms and to relate strikes to the broader processes of Russia s revolutionary transformation Diane Koenker and William Rosenberg not only provide a new basis for understanding essential elements of Russia s social and political history in this critical period but also make a strong contribution to the literature on European labor movements Using statistical techniques but without letting methodology dominate their discussion the authors examine such major problems as the mobilization of labor and management factory relations perceptions the formation of social identities and the relationship between labor protest and politics in 1917 They challenge common assumptions by showing that much strike activity in 1917 can be understood as routine but they are also able to demonstrate how the character of strikes began to change and why Originally published in 1990 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in

durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

Republic of Labor Diane P. Koenker, 2018-07-05 The long decade from the October Revolution to 1930 was the beginning of a great experiment to create a socialist society Throughout these years socialist trade unions attempted to transform the Russian worker into a productive and enthusiastic participant in this new order How did the workers themselves react to these efforts To what extent were they and their culture transformed into the ideal forms proclaimed in the official ideology In Republic of Labor Diane P Koenker illuminates the lived experience of Russia's printers workers who differed from their comrades because of their skill and higher wages but who shared the same challenges of economic hardship and dangerous conditions Paying close attention to the links between work politics and the everyday the author focuses on workers efforts to define their place in socialist society Gender issues are also emphasized and here we see the persistence of a masculinist working class culture counterposed to an official culture promoting gender equality Through this engaging narrative Koenker develops a highly original discourse about class in Soviet society that will interest all students of Russian history as well as those readers who wish to reinvigorate class as a historical and sociological tool of analysis Equality and Revolution

Rochelle Goldberg Ruthchild, 2010-11-23 On July 20 1917 Russia became the world's first major power to grant women the right to vote and hold public office Yet in the wake of the October Revolution later that year the foundational organizations and individuals who pioneered the suffragist cause were all but erased from Russian history The women's movement when mentioned at all is portrayed as rooted in the elitist and bourgeois culture of the tsarist era meaningless to proletarian and peasant women and counter to socialist ideology Rochelle Goldberg Ruthchild reveals that Russian feminists in fact appealed to all classes and were an integral force for revolution and social change particularly during the monumental uprisings of 1905 1917 Ruthchild offers a telling examination of the social dynamics in imperialist Russia that fostered a growing feminist movement Based upon extensive archival research in six countries she analyzes the backgrounds motivations methods activism and organizational networks of early Russian feminists revealing the foundations of a powerful feminist intelligentsia that came to challenge and eventually bring down the patriarchal tsarist regime Ruthchild profiles the individual women and a few men who were vital to the feminist struggle as well as the major conferences publications and organizations that promoted the cause She documents political debates on the acceptance of women's suffrage and rights and follows each party's attempt to woo feminist constituencies despite their fear of women gaining too much political power Ruthchild also compares and contrasts the Russian movement to those in Britain China Germany France and the United States Equality and Revolution offers an original and revisionist study of the struggle for women's political rights in late imperial Russia and presents a significant reinterpretation of a decisive period of Russian and world history **Rural Adaptation in Russia**

Stephen K. Wegren, 2022-05-19 The current dominant approach to Russian peasant behaviour emphasizes rural resistance to

reform in broad terms and to the introduction of market forces in particular. Bringing together some of the finest scholars on rural Russia, this groundbreaking volume examines this perception with an analysis of both historical and contemporary patterns of rural adaptation in Russia. Four articles included analyze peasant responses in the post Soviet era and focus on the relationship between poverty and rural adaptation, the social origins of private farmers in southern Russia, and Ukraine response patterns by large farms, formerly collective and state farms, household adaptation using a standardized set of criteria. This fascinating book gives an illuminating picture of the ways in which peasants respond to new environmental conditions and stimuli created by reform. The substantive material included draws on fieldwork and survey data collected from rural Russia from the Stolypin reforms in the pre Soviet era and collectivisation of agriculture during the 1930s in the Soviet era. This book was previously as a special issue of *The Journal of Peasant Studies*. **Critical Companion to the Russian Revolution, 1914-1921** Edward Acton, V. I. Cherniiaev, V. I. Cherniiaev, William G. Rosenberg, 1997. Essays by 46 historians reflect the impact of the fall of the Soviet Union on the study of the revolution that birthed it, including better access to archives and new opportunities for collaborations between Russian and other specialists. They cover the revolution as event, actors and the question of agency, parties, movements and ideologies, institutions and institutional cultures, social groups, identities, cultures, and the question of consciousness, economic issues and problems of everyday life, and nationality and regional questions. Annotation copyrighted by Book News Inc. Portland, OR. **States of Anxiety** William G. Rosenberg, 2023. *States of Anxiety* assesses the effects of the great scarcities and enormous losses that revolutionary Russia experienced between 1914 and 1921. Focusing on the effects of food insecurity, scarcities of other essential goods, and the losses of war in their various forms, it represents a new approach to understanding the period's politics and ideologies. In contrast to the traditional concentration on the period's politics and ideology, this imaginative reinterpretation argues for greater attention to its emotional dimensions and contributes to the historical study of emotions and its complex methodologies.

The Top Books of the Year Social Identities In Revolutionary Russia The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous captivating novels enthralling the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the engaging narratives that have captivated audiences this year. Social Identities In Revolutionary Russia : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Social Identities In Revolutionary Russia : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and gripping novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.

Social Identities In Revolutionary Russia Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to

historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Social Identities In Revolutionary Russia free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Social Identities In Revolutionary Russia free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Social Identities In Revolutionary Russia free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Social Identities In Revolutionary Russia. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Social Identities In Revolutionary Russia any PDF files. With these platforms, the world of PDF downloads is just a click away.
