Flores,2024-11-27 *Young Adulthood Across Digital Platforms* explores how they engage with mobile applications incorporating them into their everyday lives and embodying them in their daily practices *Public Relations As Relationship Management* John A. Ledingham,Stephen D. Bruning,2000 The emergence of relationship management as a paradigm for public relations scholarship and practice requires a close examination of just what is achieved by public relations its definition function and value and the benefits it generates Initiated by the editors interest in cross disciplinary exploration this volume evolved to its current form as a result of the need for a framework for understanding public relations and the potential impact of organization public relationships on the study practice and teaching of public relations Ledingham and Bruning include contributions that present state of the art research in relationship management applications of the relational perspective to various components of public relations and the implications of the approach to influence further research and practice The discussion conducted here is certain to influence and promote future theory and practice on the concept of relationship management **Exploring Communication Theory** Kory Floyd,Paul Schrodtt,Larry A. Erbert,Kristina M. Scharp,2022-06-13 Continuing its engaging and readable approach this second edition presents an overview of the major theories within the discipline of communication studies inclusive of the three major paradigms of social scientific interpretive and critical Each member of the author team writes from his or her area of expertise giving readers further insight into how the theory is applied to research within communication studies With extensive pedagogical features the text underscores key concepts and links them to students own communication studies scholarship and everyday lives Key updates for this edition include updated examples and discussions around theories to give students a deeper understanding explorations of Black Lives Matter and intersectionality and new pedagogical features in line with Bloom s taxonomy This book is ideal as a core text for undergraduate courses in communication theory Online resources also accompany the text an instructor manual test bank lecture slides and author introduction videos Please visit www.routledge.com/9781032015194 to access the materials *The Oxford Handbook of Parasocial Experiences* Rebecca Tukachinsky Forster,2023 The Oxford Handbook of Parasocial Experiences examines how audiences psychologically relate to people they see in the media This Handbook offers a thorough synthesis of the fast growing international and multidisciplinary research of Parasocial Experiences PSEs celebrating the field s accomplishments to date but also outlining a blueprint for future growth Close Encounters Laura K. Guerrero,Peter A. Andersen, Ph.D.,Walid A. Afifi,2007-05-31 Using a relational approach to the study of interpersonal communication this text provides comprehensive coverage of popular theories and concepts in interpersonal communication The research base of the book draws heavily from communication but also emphasizes the interdisciplinary nature of the study of personal relationships The book focuses on communication within close relationships and is organized

using a developmental approach The early chapters focus on processes that shape initial interaction and relational escalation with the caveat that some of these processes e g self disclosure uncertainty also play important roles in established relationships The middle chapters examine issues related to maintaining a loving fair and intimate relationship The latter chapters focus on challenges relational partners face including coping with privacy needs relational transgressions and conflict The last chapter is on relationship endings The book includes research from various disciplines such as social psychology and family studies but the primary focus is communication research Computer-Mediated Communication

Caleb T. Carr, 2021-04-29 As more of our human interaction moves online and facilitated by digital channels it becomes increasingly important to understand how being online influences how we interact with others and ourselves This textbook introduces students to the fundamental concepts theories and applications of computer mediated communication To prevent information from being dated the text begins by building a foundational understanding of CMC theories including CFO SIP SIDE and hyperpersonal to understand how being online affects human human communication in a way that is not dependent on or embedded in a particular channel From there subsequent chapters explore how CMC intersects with and affects other communication subdisciplines including interpersonal organizational and intergroup After exploring these intersections the textbook considers various uses of CMC including to persuade to entertain and to facilitate relationships Though contemporary examples are offered to illustrate theories and application the text is written in a way that allows and encourages scholars to think about their own media use in a broader and channel agnostic mindset applying what they learn beyond just Instagram and Snapchat to make sense of their modern and digital world *Letting Go* Dudley D.

Cahn, 1987-07-01 While many books in the popular press deal with relationships *Letting Go* is among the first to draw upon scholarly research to offer a theoretical perspective with practical implications Cahn examines interpersonal relationship disengagement and reengagement by tapping the resources of social science literature The result is a model for communication which seeks to achieve and maintain interpersonal understanding while promoting communication behaviors that encourage growth of the individual and relationship satisfaction The author's integrated approach combines three models of relationship development namely quality communication recognition and availability of more desirable alternatives and degree of personal investments He also surveys the literature on friendship mateship supervisor and subordinate relationships and teacher student relationships and demonstrates that a quality communication environment as measured by the Perceived Understanding Instrument is crucial for understanding relationship disengagement and reengagement

Empathic Accuracy William John Ickes, 1997-01-01 Empathic inference or everyday mind reading is a form of complex psychological inference in which observation memory knowledge and reasoning are combined to yield insights into the subjective experience of others This comprehensive volume addresses the question of how accurate our readings of thoughts and feelings of others actually are introducing two innovative methods for objectivity measuring this key dimension of social

intelligence Presenting cutting edge research in this emerging area the volume offers essential insights into how and why people sometimes succeed and sometimes fail in their attempts to understand each other Leading experts cover such topics as the evolutionary and social developmental origins of empathic accuracy physiological aspects of empathic accuracy gender and other individual difference variables empathic accuracy and processes of mental control the dynamic role of empathic accuracy in personal and psychotherapeutic relationships and the relation of empathic accuracy to applied domains in psychology This book will be of interest to students researchers and professionals in a range of disciplines including personality and social psychology clinical and counseling psychology communication developmental psychology and marriage and family studies

Getting Acquainted in Conversation Jan Svennevig, 2000-02-15 What makes a getting acquainted a recognizable conversational activity and how are interpersonal relationships established in a first conversation This book presents a theoretical framework for the study of relationship management in conversation and an empirical study of a corpus of initial interactions It provides detailed descriptions of the sequential resources unacquainted interlocutors use in order to generate self presentation introduce topics establish common contextual resources It is argued that these sequential patterns embody conventionalized procedures for establishing an interpersonal relationship involving some degree of solidarity mutual rights and obligations familiarity mutual knowledge of personal background mutual affect emotional commitment The sequential analysis is based on a conversation analytic approach while the interpretive framework consists of pragmatic theories of politeness conversational style and common ground

Permanently Online, Permanently Connected Peter Vorderer, Dorothee Hefner, Leonard Reinecke, Christoph Klimmt, 2017-07-28 *Permanently Online Permanently Connected* establishes the conceptual grounds needed for a solid understanding of the permanently online permanently connected phenomenon its causes and consequences and its applied implications Due to the diffusion of mobile devices the ways people communicate and interact with each other and use electronic media have changed substantially within a short period of time

This megatrend comes with fundamental challenges to communication both theoretical and empirical The book offers a compendium of perspectives and theoretical approaches from leading thinkers in the field to empower communication scholars to develop this research systematically exhaustively and quickly It is essential reading for media and communication scholars and students studying new media media effects and communication theory **Close Relationships** Patricia Noller, Judith A. Feeney, 2013-05-13 *Close Relationships Functions Forms and Processes* provides an overview of current theory and research in the area of close relationships written by internationally renowned scholars whose work is at the cutting edge of research in the field The volume consists of three sections introductory issues types of relationships and relationship processes In the first section there is an exploration of the functions and benefits of close relationships the diversity of methodologies used to study them and the changing social context in which close relationships are embedded A second section examines the various types of close relationships including family bonds and friendships The third section focuses on key relationship processes including attachment intimacy sexuality and conflict This book is designed to be an essential resource for senior undergraduate and postgraduate students researchers and practitioners and will be suitable as a resource in advanced courses dealing with the social psychology of close relationships *Romantic Relationships and Media* Valerie Ellen Kretz, 2024-12-15 In this book Valerie Kretz utilizes examples from pop culture and everyday life to provide an examination of current research on romantic relationships and media with an emphasis on entertainment and digitally mediated communication By dividing the book into two major sections relationship trajectories and different aspects of relationships Kretz establishes a framework through which to explore relevant theoretical and empirical findings drawing on established literature examples in the media and the lived experiences of interview participants Kretz covers a wide range of topics through these frameworks including online dating representations of love in film and television social media and romantic jealousy parasocial romance and digital breakups among others Ultimately Kretz argues that all available evidence demonstrates the complexity of this intersection due to the separate roles that several distinct factors like medium content social context frequency of use and individual differences all play a role in how these intersections are constructed in the real world Finally the book identifies potential directions for future research as scholars continue to unpack this complex relationship Classroom Communication and Diversity Robert G. Powell, Dana L. Powell, 2010-06-10 *Addresses ways in which culture influences communication in the classroom provides teachers with information they need to meet the needs of students in multicultural classrooms* This title is suitable for students scholars in instructional communication

Interpersonal Communication in Friend and Mate Relationships Anne Maydan Nicotera, 1993-03-24 A concentration on communication processes is essential to sorting out fundamental problems in interpersonal relationships This book provides a general theory of the role of communication in interpersonal relationships that is grounded in the rules perspective and focuses on self concept and interaction as the generative mechanisms of relationship formation and growth The authors

explore the kind of information that is exchanged in the process of initiating developing and maintaining friend and mate relationships Both types of relationships are explored in numerous cultural settings including America and American subcultures as well as Korea Nigeria Japan and China The inclusion of Nigerian culture is particularly significant because the research literature in interpersonal communication is lacking any information from the continent of Africa Implications are then considered for communication exchange across three categories of interpersonal communication culture conflict and quality

The Mate Relationship Anne Maydan Nicotera, 1997-01-01 This book presents research applications of a rules theory of mate relationships of several American cultures and two non American cultures The theory is summarized in seven basic propositions several of which have been previously tested and supported The research contained here expands the depth of the work by examining attributes and levels of mateship in several American co cultures one Caribbean culture and one Asian culture and extends the breadth of the work by moving into the areas of relational quality maintenance and conflict Seven propositions presented are 1 perceived self concept support is the basis of interpersonal attraction 2 different types of perceived self concept support are the basis for different types of interpersonal relationships 3 different types of self concept support are the basis for entry into and increasing intensity of interpersonal relationships 4 the type and form of self concept support is homogeneous by culture 5 conflict which threatens self concept support on crucial relationship variables the lack of it or attacks on it is the most potentially dangerous type of conflict in interpersonal relationships 6 negotiation of differences in perceptions of self concept support on crucial relationship variables cements interpersonal relationships and 7 quality interpersonal relationships consist of intimacy personal growth and effective communication on the crucial relationship variables

methods **When Communication Became a Discipline** William F. Eadie, 2021-11-05 When Communication Became a Discipline argues that speech and journalism professors embraced the concept of communication between 1964 and 1982. They changed the names of their scholarly societies and journals and revised their academic curricula. Five strands of scholarship became and remain central to this transformation. Communication is not a traditional academic discipline but its scholars convinced their colleagues to understand and embrace it. When Communication Became a Discipline presents an argument with historical evidence that illustrates scholarly creativity at its finest.
