Dr. David Hartman, Charlie Buckholtz, 2014-02-01 *Covenant Conscience: A Groundbreaking Journey to the Heart of Halakha* new in paperback. Anyone curious about the Jewish way of life yet dissatisfied with much of contemporary Jewish theology and practice, repelled perhaps by the cheap and vulgar apologetics of those who seek to justify and sustain some of the tradition's systematic immoralities, who smugly deny expression to any doubt or uncertainty, claiming a monopoly on absolute truth, is invited to join me on this pilgrimage from the Introduction. In this deeply personal look at the struggle between commitment to Jewish religious tradition and personal morality, Dr. David Hartman, the world's leading Modern Orthodox Jewish theologian, probes the deepest questions at the heart of what it means to be a human being and a Jew. Dr. Hartman draws on a lifetime of learning, teaching, and experience as a social activist to present an intellectual framework for examining covenantal theology as it is applied to religious life. As much an expression of his impassioned commitment to Jewish law as it is testament to a lifetime of intellectual questioning and courage, this bold examination of the halakhic system offers fresh insights into Judaism and the quest for spiritual nourishment. **The Chutzpah Imperative**

Rabbi Edward Feinstein, 2014-09-24 *Reconnect with Judaism's most important contribution to humanity and redeem our world*. The gift of Judaism is an understanding of what it means to be a human being, what we can do, what we can hope for, how we can live with purpose, what is expected of us. It is a celebration of human freedom, human possibility, and human responsibility. Judaism is a way to live a heroic life, to construct a life devoted to values that are eternal, values of ultimate significance. The reward of a Jewish life is walking the world with a profound faith that you matter, your life matters, your dreams matter. I call this chutzpah from the Introduction. In this clarion call for a new way to do Judaism, award-winning spiritual leader Rabbi Edward Feinstein urges us to recover this message of Jewish self-empowerment or chutzpah to reshape our world. He walks us through the history of chutzpah from the early chapters of Genesis, Jewish biblical law, and the Rabbis of the Talmud to the mystics of medieval Spain and the European Hasidic tradition, Zionism, and post-Holocaust thought. By showing us the ever-presence of chutzpah in Judaism, he reveals the inner story of the Jewish People's soul as well as the meaning that Judaism's deepest purpose and most precious treasure has for us today. [Ki Anu 'amekha](#)

Lawrence A. Hoffman, 2012 *A comprehensive series of lively introductions and commentaries examines the history of confession in Judaism, its roots in the Bible, its evolution in rabbinic and modern thought, and the very nature of confession today.*
