Stout, Richard A. Dello Buono, William J. Chambliss, 2004-07-14 This volume represents a critical issue oriented approach to law and society emphasizing its important relationship to contemporary social problems Various empirical studies within the text explore the contradictory dynamics of class as they relate to race and gender in both a national and global context illustrating the dialectical interplay between the state and social movements in the context of the larger political economy      *Curriculum Development: Perspectives, Principles and Issues* Mrunalini Talla, 2012 Curriculum Development Perspectives Principles and Issues gives a broad overview of the various perspectives on the subject and acquaints the teachers and teacher educators with the principles of curriculum development It begins by giving the account of historical developments the philosophical and sociological basis and goes on to describe the processes and models in curriculum development This book approaches students in a way to enhance their interest in curriculum research      **The Poetics of Iranian Cinema** Khatereh Sheibani, 2011-09-30 In the wake of the 1979 Iranian Revolution Iranian society and culture underwent massive changes Here Khatereh Sheibani argues that cinema evolved after the national uprising in 1978 79 and ultimately replaced poetry as the dominant form of cultural expression She presents a comparative analysis of post revolutionary Iranian cinema as an offshoot of Iranian modernity and explains its connections with the themes present in traditional Persian poetry and conventional visual arts She examines the pre revolutionary film industry such as Iranian new wave and filmfarsi movies its styles and themes and its relation to the emerging cinema after 1978 Sheibani argues that Iranian art cinema as one of the signifiers and agents of modernity underwent a cultural revolution by employing the aesthetics of Persian literature and visual arts in a modern context This is a valuable contribution to the scholarly literature on Iranian cinema politics and culture      *Liberal Education and the Canon* Laura Christian Ford, 1994 Liberal Education and the Canon is not written for the specialist it is intended to be both informative to scholars and accessible to persons with no prior familiarity with the five texts discussed Written in lucid jargon free prose it is a unique blending of the timeless with the timely Drawing from sources as long ago as Homer and as recent as current headlines this book makes the continuity of the human experience evident      **The Bible and Social Justice** Cynthia Long Westfall, Bryan R. Dyer, 2016-03-10 Although the cry for justice in human society is an important theme in the Bible in many church and academic circles action for and discourse about social justice is carried on without a thorough exploration of this theme in Scripture This volume brings together chapters by experts in the various sections of the Old and New Testaments to give a full spectrum of what the Bible has to say about social justice and to point to ways forward for Christians seeking to think and act in harmony with God in pursuing social justice in the world today      Rethinking Substance Abuse William R. Miller, Kathleen M. Carroll, 2011-08-18 While knowledge on substance abuse and addictions is expanding rapidly clinical practice still lags behind This book brings

together leading experts to describe what treatment and prevention would look like if it were based on the best science available. The volume incorporates developmental, neurobiological, genetic, behavioral, and social environmental perspectives. Tightly edited chapters summarize current thinking on the nature and causes of alcohol and other drug problems, discuss what works at the individual, family, and societal levels, and offer robust principles for developing more effective treatments and services.

**The Social Problem** John Atkinson Hobson, 1902. *The Sociological Review*, 1915. [E-Banking Management: Issues, Solutions, and Strategies](#) Shah, Mahmood, Clarke, Steve, 2009-05-31. This book focuses on human operational, managerial, and strategic organizational issues in e-banking. Provided by publisher. [Personhood and Social Robotics](#) Raya Jones, 2015-12-14. An exponentially growing industry: human-robot interaction. HRI research has drawn

predominantly upon psychologists descriptions of mechanisms of face to face dyadic interactions This book considers how social robotics is beginning unwittingly to confront an impasse that has been a perennial dilemma for psychology associated with the historical science vs art debate Raya Jones examines these paradigmatic tensions and in tandem considers ways in which the technology centred discourse both reflects and impacts upon understanding our relational nature Chapters in the book explore not only how the technology centred discourse constructs machines as us but also how humans feature in this discourse Focusing on how the social interaction is conceptualised when the human robot interaction is discussed this book addresses issues such as the long term impact on persons and society authenticity of relationships and challenges to notions of personhood By leaving aside terminological issues Jones attempts to transcend ritual of pitching theories against each other in order to comprehensively analyse terms such as subjectivity self and personhood and their fluid interplay in the world that we inhabit Personhood and Social Robotics will be a key text for postgraduate students researchers and scholars interested in the connection between technology and human psychology including psychologists science and technology studies scholars media studies scholars and humanists The book will also be of interest to roboticists and HRI researchers as well as those studying or working in areas of artificial intelligence and interactive technologies more generally

Alternative Rhetorics Laura Gray-Rosendale, Sibylle Gruber, 2001-04-19 Alternative Rhetorics questions traditional canons of rhetorical thought and offers new perspectives on rhetorics historically overlooked within Western culture Along with establishing new methodologies for investigating the history of rhetorics the book also explores rhetoric s changing relationship with technology By challenging the reader s understanding of rhetoric and the rhetorical tradition Alternative Rhetorics provides insights that will allow researchers educators and students to rethink their own position in a rhetorical world
