Social Science Projects You Can Do:

Finding your Social Science Project John Gerring,Jason Seawright,2022-10-13 The most important step in social science research is the first step finding a topic Unfortunately little guidance on this crucial and difficult challenge is available Methodological studies and courses tend to focus on theory testing rather than theory generation This book aims to redress that imbalance The first part of the book offers an overview of the book s central concerns How do social scientists arrive at ideas for their work What are the different ways in which a study can contribute to knowledge in a field The second part of the book offers suggestions about how to think creatively including general strategies for finding a topic and heuristics for discovery The third part of the book shows how data exploration may assist in generating theories and hypotheses The fourth part of the book offers suggestions about how to fashion disparate ideas into a theory **Social Science Projects You Can Do** Thomas P. Weinland,Donald W. Protheroe,1973-01-01 1977 National Science Foundation Authorization United States. Congress. House. Committee on Science and Technology.
