**Duty of Care in the Human Services** Rosemary Kennedy, 2009-11-12 The human services are established to support the most vulnerable and marginalized people in our society. Yet media and other reports frequently highlight a disturbing picture of industry failures, malpractice, and abuse. This book addresses the response of legal and quasi-legal bodies to human service failures. It outlines those areas of law which are most likely to be activated by human service shortcomings and those aspects of direct human service delivery which are most likely to attract legal attention. Essential reading for those studying or working in human services and social work, this book is designed to alert people to the legal risks arising as a result of inadequate human service delivery.
