Contemporary France Jill Forbes, Nicholas LAST KNOWN ADDRESS Hewlett, Francois Nectoux, 2014-01-21 In one stimulating source this successful text provides a rigorous analysis of the political economic and social developments in post war France The analysis is supported by specially selected French language texts and exercises This text is suitable for undergraduate students of French especially within a languages social science or business course and for courses in French Studies and European Studies **Writing Worlds** Trevor J. Barnes, James S. Duncan, 2013-12-19 Writing Worlds represents the first systematic attempt to apply poststructuralist ideas to landscape representation Landscape city countryside and wilderness is explored through the discourse of economics geopolitics and urban planning travellers descriptions propaganda maps cartography and geometry poetry and painting The book aims to deconstruct geographical representation in order to explore the dynamics of power in the way we see the world **The Retreat of Social Democracy** John T. Callaghan, 2000 An examination of policy and programme in the key social democratic parties of Britain France Germany and Sweden since the 1970s It situates change in the context of capitalist restructuring and shows how the radical Left initially responded to the unfolding crisis of the post war order *Unions and Class Transformation* Catherine P. Mulder, 2009-03-23 How can unions move from a defensive strategy to one of class transformation Mulder demonstrates how the current union strategies of class blindness lead to weak and often unintended results Unions she argues do not use their collective power for class transformation and union commentators critics do not theorize about unions as possible agents for such class transformations Using the case study of the Broadway musicians union Mulder shows how unions can facilitate a class transformation that increases workers control over their working conditions and enables them to make the changes needed to improve their lives This innovative and needed study will be of interest to labor economists scholars of class and labor and

those interested in the plight of unions and the potential they still hold for social and economic transformations

The Industrialisation of Soviet Russia 3: The Soviet Economy in Turmoil 1929-1930 R. W. Davies, 1989-05-05 In 1929 30 the spinal year of the first five year plan a vast investment programme began the transformation of the Soviet Union from a peasant country into a great industrial power This book the third part of *The Industrialisation of Soviet Russia* re examines the breakdown of the mixed economy In those days of heroism and enthusiasm hunger and repression crucial Soviet economic and political institutions were established and are only now being effectively challenged by Gorbachev s revolution While complementing the previous two volumes of this author s work the book is designed to be read independently It sheds new light on a dramatic moment in Soviet history and in the formation of the Soviet system

Stalinism Graeme Gill, 2016-01-07 Drawing on research based on access to the recently opened Soviet archives this new edition provides a valuable thematic account of the nature of Stalinism The author surveys the arguments about the origins of the Stalinist phenomenon and discusses the way in which the different faces of Stalinism economic social cultural and political changed over time Gill concludes that the dramatic fall of the USSR was connected to the nature of Stalinism

Capitalism and Class Struggle in the USSR Neil C. Fernandez, 2018-12-14 First published in 1997 this was the first Autonomist Marxist book on the USSR The various theories of Soviet capitalism are considered more comprehensively than in any previous work and are shown to be inadequate insofar as they fail to demonstrate satisfactorily the predominance of the category of capital A powerful new theory is developed which does precisely this introducing the concepts of bureaucratic forms of both exchange value and money This constitutes an important contribution to the overall theoretical critique of capital Attention is then turned to the class struggle For the first time the various Marxist theories of the USSR are systematically considered in relation to what they say about the working class and its struggle

The Socio-economics of Conversion from War to Peace Lloyd J. Dumas, 1995 Essays on economic conversion from a military mode to a true peace time economy detail the factors that slow down the conversion process and discuss strategies for reallocating resources and redirecting workers They address topics such as military contractor conversion in the US displaced defense workers and federal programs in two regions economic conversion legislation and conversion in the former socialist countries Paper edition unseen 23 95 Annotation copyright by Book News Inc Portland OR

Developments in Soviet Politics Stephen White, Alex Pravda, Zvi Gitelman, 1990-07-06 Written by a team of leading scholars this book meets the need for an up to date account on the political system and policy progress which is emerging and an analysis of the future prospects of the Gorbachev revolution

What Happened to History? Willie Thompson, 2000-11-20 This original study explores the development of the postmodern turn in history brought on by the social political and cultural changes of the 1970s and 1980s Challenging notions of certainty and objectivity postmodernism has questioned traditional models and methods in studying history A timely intervention in an increasingly contentious area this book evaluates the strengths and weaknesses of postmodern

history Beginning with a brief account of historiography as an academic discipline with its origins in the scientific historiography of the nineteenth century Willie Thompson charts the growth and development of the historical method in the twentieth century He examines the impact of Marxist historiography particularly in Britain and the United States and the emergence of new approaches to history exemplified by the work of E P Thompson and others In addition Thompson assesses the impact of feminist black and minority history

Imagination in Theory Michele Barrett,1999-03 Imagination in Theory focuses on Michelle Barrett's long standing interest in cultural questions and shows how it informs her analysis of current developments in social and feminist theory Taking culture theory and writing as its themes the book translates across the barriers between the humanities and social sciences raising a number of important and controversial issues

Central America's Forgotten History Aviva Chomsky,2021-04-20 Restores the region's fraught history of repression and resistance to popular consciousness and connects the United States interventions and influence to the influx of refugees seeking asylum today At the center of the current immigration debate are migrants from Central America fleeing poverty corruption and violence in search of refuge in the United States In *Central America's Forgotten History* Aviva Chomsky answers the urgent question How did we get here Centering the centuries long intertwined histories of US expansion and Indigenous and Central American struggles against inequality and oppression Chomsky highlights the pernicious cycle of colonial and neocolonial development policies that promote cultures of violence and forgetting without any accountability or restorative reparations Focusing on the valiant struggles for social and economic justice in Guatemala Nicaragua El Salvador and Honduras Chomsky restores these vivid and gripping events to popular consciousness Tracing the roots of displacement and migration in Central America to the Spanish conquest and bringing us to the present day she concludes that the more immediate roots of migration from El Salvador Guatemala and Honduras lie in the wars and in the US interventions of the 1980s and the peace accords of the 1990s that set the stage for neoliberalism in Central America Chomsky also examines how and why histories and memories are suppressed and the impact of losing historical memory Only by erasing history can we claim that Central American countries created their own poverty and violence while the United States enjoyment and profit from their bananas coffee mining clothing and export of arms are simply unrelated curiosities

A Researcher's Guide to Sources on Soviet Social History in the 1930s Sheila Fitzpatrick,Lynne Viola,2016-07-22 The Stalin era has been less accessible to researchers than either the preceding decade or the postwar era The basic problem is that during the Stalin years censorship restricted the collection and dissemination of information and introduced bias and distortion into the statistics that were published while in the post Stalin years access to archives and libraries remained tightly controlled Thus it is not surprising that one of the main manifestations of glasnost has been the effort to open up records of the 1930s In this volume Western and Soviet specialists detail the untapped potential of sources on this period of Soviet social history and also the hidden traps that abound The full range of sources is covered from memoirs to official documents from city directories to computerized

data bases **The Contradictions of "Real Socialism": The Conductor and the Conducted** Michael A. Lebowitz, 2012
In this concise volume noted scholar and economist Michael A Lebowitz considers the legacy of twentieth century socialist societies or what some have termed real socialism While these societies were able to claim major achievements in areas from health care to education to popular culture they nonetheless met limited success in eroding what Marx called the opposition of the worker as direct producer and the proprietor of the means of production That this opposition between workers and managers continued to exist in one form or another under real socialism means that according to L Corporate Power and Ownership in Contemporary Capitalism Susanne Soederberg, 2009-09-14 This book examines neoliberal corporate power within the context of the American political economy and its relationship to emerging market economies in order to understand the global dimensions of the corporate financial binary **Knowledges** Ellen Messer-Davidow, David R. Shumway, David Sylvan, 1993 Anyone interested in the relationship between disciplines and today this means everyone should read this collection which is itself a model of interdisciplinarity Stanley Fish Duke University
