

SOCIOLOGICAL THEORY

Sociology is the scientific study of human society, social relationships, and the patterns of behavior that emerge within them.

OVERVIEW

Sociology explores how individuals are shaped by social structures, cultural norms, and institutions, and how they, in turn, shape society. Sociologists analyze various social phenomena such as inequality, social change, and group dynamics to understand how they impact individuals and communities.

KEY THEORIES

- **Functionalism:** The study of how societies achieve stability and order through social institutions.
- **Critical Theory:** The study of how social institutions maintain social inequalities and power imbalances.
- **Symbolic Interactionism:** The study of how society is constructed through shared meanings, symbols, and interactions among individuals.

Sociological Theory

Doyle Paul Johnson

Sociological Theory:

Sociological Theory Bert N. Adams, R. A. Sydie, 2001-01-30 This concise text covers both classical and contemporary social thought. It traces the major schools of thought over the past 150 years as they appear and reappear in different chapters and looks at important new voices in social theory. The treatment of individual theories and theorists is balanced with the development of key themes and ideas about social life.

Contemporary Sociological Theory Jonathan H. Turner, 2012-09-20 Written by award-winning scholar Jonathan Turner, *Contemporary Sociological Theory* covers the range of diversity of theory in nine theoretical traditions and variants of theoretical approaches in these traditions. The result is a comprehensive review of present-day theorizing in sociology, covering functional, evolutionary, ecological, conflict, interactionist, exchange, structuralist, cultural, and critical theories and the major proponents of these theories. Moreover, for each theoretical tradition, its origins are examined in a separate chapter with an eye to how classical theorists influenced the work of key contemporary scholars. This book will serve as a valuable resource for those readers seeking in-depth and comprehensive coverage of contemporary traditions in their historical contexts. Unlike many texts, coverage is comprehensive and deep. The theories and their origins are examined in detail so that readers can fully understand the origins and present profile of theories in present-day sociology. Unlike many texts that skim over theories on the surface, this book seeks to unlock for the reader their underlying structure of each theory. The book is written in a modular format so that theories and traditions can be examined in any order and in many diverse combinations. If desired, only the contemporary theories can be read without attention to their historical contexts, or the reverse is true if readers want to understand the historical origins of a particular theoretical tradition. Since Jonathan Turner is an active theorist in his own right, he brings to the book an appreciation of how theories are created as an insider rather than as only a commentator on theory. As such, he is able to bring out the underlying assumptions, structure, and form of a theory in new and interesting ways for casual readers and scholars alike.

Contemporary Social and Sociological Theory Kenneth Allan, 2006 An upper-division undergraduate social theory textbook that introduces the student to the multitude of different theorists. This book helps students grasp theories and their relevance and application to modern life.

Sociological Theory George Ritzer, Jeffrey Stepnisky, 2017-01-05 The authors are proud sponsors of the 2020 SAGE Keith Roberts Teaching Innovations Award, enabling graduate students and early-career faculty to attend the annual ASA pre-conference teaching and learning workshop. Now with SAGE Publishing and co-authored by one of the foremost authorities on sociological theory, the Tenth Edition of *Sociological Theory* by George Ritzer and Jeffrey Stepnisky gives readers a comprehensive overview of the major theorists and schools of sociological thought from sociology's origins through the early 21st century. Key theories are integrated with biographical sketches of theorists and are placed in their historical and intellectual context. This text helps students better understand the original works of classical and contemporary theorists and enables them to compare and contrast the latest

substantive concepts Explorations in Classical Sociological Theory Kenneth Allan, 2005-01-12 Rather than a work of theory itself Explorations in Classical Sociological Theory Seeing the Social World is an insightful work that invites students to think creatively reflexively and critically about their social worlds Written in a conversational tone that lifts the veil of theoretical jargon Explorations in Classical Sociological Theory introduces students to the major classical theorists including Marx Spencer Durkheim Weber Simmel Mead Schutz Gilman and Du Bois This text focuses on the individual perspective of each theorist rather than schools of thought and uses the provocative ideas of modernity and postmodernity to help students understand how the theoretical historical perspectives apply to their own time period **Sociological Theory** Walter L. Wallace, Annotation In this fundamental contribution to the study and application of sociological theory Wallace examines a wide range of theories within a framework that clarifies their interrelationships and illustrates their implications for empirical research Wallace is able to point out the symbiotic relationships among these theories which at first may appear to be in direct opposition or at least discord Sociological Theory begins with an original essay by the editor that introduces the reader to eleven general theoretical viewpoints He calls these ecologism demographism materialism psychologism technologism functional structuralism exchange structuralism conflict structuralism symbolic interactionism social actionism and functional imperativism To do this Wallace assembles selected readings by major theorists that provide detailed examples of each of the theoretical viewpoints discussed The selections are keyed to the framework developed in the Introduction so as to enable the reader to work back and forth between the general and the particular statements Offering far more than a mere survey or an abstract critical analysis In this way Sociological Theory provides a learning matrix that facilitates comprehension and enables the reader systematically to expand his knowledge of sociological theory In developing his analytical framework Wallace points out how these different types of theory complement rather than conflict with one another Through this approach he is able to show the distinctive level and scope of analysis of each theory to demonstrate why the sociologist must draw upon and integrate several viewpoints for interpreting research results and formulating hypotheses A useful guide and reference work for researchers and teachers the book is an excellent basic or supplementary text for all theory courses As Robert K Merton noted at the time of the original publication Sociological Theory is a beautiful piece of work **Handbook of Sociological Theory** Jonathan H. Turner, 2006-05-17 Sociology is experiencing what can only be described as hyperdifferentiation of theories there are now many approaches competing for attention in the intellectual arena From this perspective we should see a weeding out of theories to a small number but this is not likely to occur because each of the many theoretical perspectives has a resource base of adherents As a result theories in sociology do not compete head on with each other as much as they coexist This seminal reference work was brought together with an eye to capturing the diversity of theoretical activity in sociology specifically the forefront of theory Contributors describe what they themselves are doing right now rather than what others have done in the past The goal of this volume is to allow

prominent theorists working in a variety of traditions who wouldn't usually come together to review their work. The chapters in this volume represent a mix of theoretical orientations and strategies but these theories are diverse and represent the prominent theoretical discussions in sociology today. Some areas included are Section I Theoretical Methodologies and Strategies, Section II The Cultural Turn in Sociological Theorizing, Section III Theorizing Interaction Processes, Section IV Theorizing from the Systemic and Macrolevel, Section V New Directions in Evolutionary Theorizing, Section VI Theorizing on Power Conflict and Change, Section VII Theorizing from Assumptions of Rationality. This handbook will be of interest to those wanting a broad spectrum and overview of late 20th early 21st century sociological theory. Contemporary Sociological Theory and Its Classical Roots George Ritzer, Jeffrey Stepnisky, MR Jeffrey N Stepnisky, 2017-12-22. Contemporary Sociological Theory and Its Classical Roots: The Basics is a brief survey of sociology's major theorists and theoretical approaches from the Classical founders to the present. *Introduction to Sociological Theory* Michele Dillon, 2019-12-04. The revised third edition of the text that combines classical and contemporary theories of sociological theory. Thoroughly revised and updated, the third edition of an Introduction to Sociological Theory offers an in-depth introduction to classical and contemporary theories and demonstrates their relevance to offer a clear understanding of a broad range of contemporary issues and topics. As with the previous editions, the text continues to combine carefully selected primary quotations from a broad range of theorists with extensive discussion and illustrative examples from a diverse range of countries, helpful timelines of important and thematically relevant events, biographical notes, contemporary topic boxes, analytical photos, and chapter glossaries. The text addresses topics such as the persistence of economic and social inequality, Brexit, post-truth society, same-sex marriage, digital surveillance, and the on-demand gig economy. Written in an engaging style, Introduction to Sociological Theory offers a comprehensive introduction to the pluralistic breadth and wide-ranging applicability of sociological theory. This updated edition of the authoritative text contains both classical and contemporary theories in a single text. Builds on excerpts from original theoretical writings with detailed discussion of the concepts and ideas under review. Includes new examples of current empirical topics such as Brexit, Donald Trump's presidency, China's growing economic power, global warming, intersectionality, social media, and much more. Offers additional resources including a website that contains multiple-choice and essay questions, a thoroughly refreshed set of PowerPoint slides for each chapter with multimedia links to content illustrative of sociological processes, a list of complementary primary readings, a quotation bank, and other background materials. Written for undergraduate courses in contemporary and classical sociological theory, the third edition of an Introduction to Sociological Theory continues to provide a comprehensive, in-depth, and empirically engaging introduction to sociological theory. *Contemporary Sociological Theory* Steven Loyal, Sinisa Malesevic, 2020-10-12. Introducing you to the most important thinkers and schools of thought in contemporary sociological theory from Parsons and Merton to the Frankfurt School to Foucault, Bourdieu, Giddens, and Hochschild, this accessible

textbook firmly locates key ideas in social political and historical context By doing so it helps you to understand the development of central sociological concepts and how they can help us understand the contemporary world The book includes Lively biographical sections so you can get to know each thinker Clear and easy to understand accounts of each theorist s arguments and the most common criticisms Key concept boxes highlighting the most influential ideas This comprehensive textbook brings the diverse field of contemporary sociological theory to life Essential reading for all students of Sociology and Sociological Theory

Classical Sociological Theory Bert N. Adams,R A Sydnie,2002-01-29 A concise yet surprisingly comprehensive theory text given the range of ideas historical context and theorists discussed Unlike other books of the type Classical Sociological Theory focuses on how the pivotal theories contributed not only to the development of the field but also to the evolution of ideas concerning social life

Classical Sociological Theory George Ritzer,Jeffrey Stepnisky,2016-12-27 Now with SAGE Publishing and co authored by one of the foremost authorities on sociological theory George Ritzer and Jeffrey Stepnisky s Classical Sociological Theory Seventh Edition provides a comprehensive overview of the major theorists and schools of sociological thought from the Enlightenment roots of theory through the early 20th century The integration of key theories with biographical sketches of theorists and the requisite historical and intellectual context helps students to better understand the original works of classical authors as well as to compare and contrast classical theories New to this Edition In Ch 1 Colonialism is now discussed as a major social force in development of modern society In Ch 2 there is an expanded discussion of the historical significance of Early Women Founders and the contributions of W E B Du Bois The chapter on Du Bois Ch 9 includes new material about his intellectual influences New contemporary commentary about Durkheim has been added to Ch 7 Ch 9 includes new material from recently translated later writings of George Simmel providing new context for his overall theory Addition of Historical Context boxes throughout text Sections on contemporary applications of classical theory have been added to each chapter

Contemporary Sociological Theory Bert N Adams,R A Sydnie,2002-01-16 The strengths of this text are the breadth of theories covered the integration of gender related topics3 4 family work religion the use of substantial quotes from primary texts the consistent inclusion of methodological issues I have no doubt that it will find a solid position in the field of theory texts Kathleen Slobin North Dakota State University

Sociological Theory George Ritzer,Jeffrey Stepnisky,2021-02-09 The authors are proud sponsors of the SAGE Keith Roberts Teaching Innovations Award enabling graduate students and early career faculty to attend the annual ASA pre conference teaching and learning workshop Sociological Theory gives readers a comprehensive overview of the major theorists and schools of sociological thought from sociology s 19th century origins through the early 21st century Written by an author team that includes one of the leading contemporary thinkers the text integrates key theories with biographical sketches of theorists placing them in historical and intellectual context The Eleventh Edition includes examples of premodern sociological theory from Islamic scholar Ibn Khaldun Harriet Martineau s feminist writings contextualized within the history

of sociological thought discussions of actor network theory through Donna Haraway's work on cyborgs and companion species illustrations of historical comparative sociology with Saskia Sassen's concepts of the global city and expulsions and more ways to help students to understand sociology's major theories Included with this title The password protected Instructor Resource Site formally known as SAGE Edge offers access to all text specific resources including a test bank and editable chapter specific PowerPoint slides

Social Theory Today Anthony Giddens, 1987 Social theory has undergone dramatic changes over the past fifteen years The aim of this book is to provide a comprehensive survey of those changes and an authoritative statement on current trends of development in social thought The contents of the book range in a systematic way across the major traditions of social theory prominent today Among the topics covered are the relationships between modern social theory and the classics of the late eighteenth and nineteenth centuries the connections between social theory and mathematical social science and the logical status of generalizations in the social sciences Traditions of thought discussed include behaviourism symbolic interactionism Parsonian theory analytical theory structuralism and post structuralism ethnomethodology structuration theory world systems theory Marxism and critical theory

The Emergence of Sociological Theory Jonathan H. Turner, Leonard Beeghley, Charles H. Powers, 2011-11-23 Now published by SAGE this scholarly text covers the first one hundred years of sociological theorizing from 1830-1930 focusing primarily on Comte Spencer Marx Weber Simmel Durkheim and Mead The text provides an in depth examination of these early sociological theorists with biographical background analysis of key works major influences critical insights and also answers the question What do these ideas tell us about the basic forces that shape the social world Posing this question for each theorist adds a unique perspective to the text and distinguishes it from other sociological theory books In addition it also includes material on the enduring models and principles of the theorists work that continue to inform sociological theory today

Sociological Theory in Use (RLE Social Theory) Kenneth Menzies, 2014-08-21 Central to most sociologists self image is the claim that their theories are based on research However using a random sample of 680 articles appearing in major American British and Canadian journals Dr Menzies shows that in some areas of sociology the wide gap between theory and research means that much of sociological theory is virtually untested He explains how theory is embodied in eight particular types of research critically examines these research theories and contrasts them with the positions of modern theorists The sample of journal articles also permits a comparison of British American and Canadian sociology By contrasting on how researchers use theories Dr Menzies is able to reassess several theories For instance symbolic interactionist research uses embedded causal claims and stands in a dialectical relationship to other sociological research while the research version of conflict theory depends on external causes to explain social change The implications of using statistical techniques like factor analysis and regression are also considered in relation to the form of explanation

Sociological Theory Construction Jack P. Gibbs, 1972

Rethinking Sociological Theory Stephen K. Sanderson, 2015-11-17 Stephen K Sanderson's latest book recaptures a

scientific theoretical sociology one whose fundamental aim is the formulation of real theories that can be empirically tested Sanderson reviews the major theoretical traditions within contemporary sociology explicating their key principles critically evaluating these principles and their applications and showcasing exemplars He judges each tradition by asking whether it has generated falsifiable research programs Although principally a work of theoretical critique *Rethinking Sociological Theory* is also a valuable textbook for both undergraduate and graduate courses in sociological theory Contemporary Sociological Theory Doyle Paul Johnson, 2008-04-23 This volume is designed as a basic text for upper level and graduate courses in contemporary sociological theory Most sociology programs require their majors to take at least one course in sociological theory sometimes two A typical breakdown is between classical and contemporary theory Theory is perhaps one of the broadest areas of sociological inquiry and serves as a foundation or framework for more specialized study in specific substantive areas of the field In addition the study of sociological theory can readily be related to various aspects of other social science disciplines as well From the very beginning sociology has been characterized by alternative theoretical perspectives Classical theory includes the European founding figures of the discipline whose works were produced during the later half of the nineteenth century and the first couple of decades of the twentieth century plus early American theorists For most of the second half of the twentieth century a fairly high consensus has developed among American sociologists regarding these major founders particularly with regard to the works of Durkheim and Weber in analyzing the overall society and of Simmel in analyzing social interaction processes Since the late 1960s and early 1970s the influence of Marx has also been recognized Recent decades have also witnessed an increased emphasis on the important contributions of several pioneering feminist perspectives in the early years of sociology

Sociological Theory Introduction

In the digital age, access to information has become easier than ever before. The ability to download Sociological Theory has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Sociological Theory has opened up a world of possibilities. Downloading Sociological Theory provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Sociological Theory has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Sociological Theory. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Sociological Theory. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Sociological Theory, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Sociological Theory has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Sociological Theory Books

1. Where can I buy Sociological Theory books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Sociological Theory book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Sociological Theory books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Sociological Theory audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Sociological Theory books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
