Song of the Phoenix Lily Fairchilde, 2025-09-23 In Egyptian mythology the phoenix was a bird that rose from the ashes of death to attain immortality In this book spiritual healer and counselor Lily Fairchilde takes us on a magical voyage during which we learn in the words of those who have gone on before what awaits each of us after life on Earth is over What happens when a child dies a friend commits suicide or a lost soul finally ends a dark Earthly life In *Song of the Phoenix* we encounter many different souls accompanied by their spiritual guides of angels who explain the significance of their stories Rather than a place of reward and punishment the afterlife is a wondrous experience of ongoing growth and understanding Ruth surrendered to despair after her husband's wartime death and committed suicide also killing her unborn child Terrified of punishment her soul resisted passing over until her guardian angel convinced her that only love and understanding awaited her Joey was a six year old who was killed in a sledding accident and whose parents agonized over his death He yearns only to reassure them that he has entered a glorious world of brilliant light Edith and Frank are troubled spirits who cleave to earthly souls who share their addictions to overeating and alcohol But their guardians refuse to abandon them until they realize that a far more rewarding joy awaits them if only they accept it Xavier has led an evil life as a sadistic killer and his soul suffers torment in a wasteland of isolation and pain But even he has a guardian angel who patiently waits for him to receive the love and encouragement that will guide him home These extraordinary personal stories told by Lily Fairchilde bring a message of glowing hope and comfort to all those who have suffered the agony of loss or are confronting the fear of death themselves Profound and compassionate this book shows the living how to make peace with death *Voices from the Afterlife* Lily Fairchilde, 1998-04-15 For the same audience that made Bettie Eadie's *Embraced By the Light* and Raymond Moody's *Reunions* bestsellers this book offers a bridge between life and death [Writer's Guide to Book Editors, Publishers, and Literary Agents, 1998-1999](#) Jeff Herman, 1997 A real find for the aspiring writer The Associated Press In depth information The Writer Who are they What do they want How do you win them over Find the answers to these questions and more in the 1998 1999 edition of the *Writer's Guide to Book Editors Publishers and Literary Agents* by Jeff Herman Filled with the information authors and aspiring authors need in order to avoid having a manuscript end up in the slush pile this comprehensive listing is organized in an easy to use format It includes in depth information about publishing houses and literary agents in the United States and Canada The specifics include the names and addresses of editors and agents what they're looking for commission rates and other key information In addition readers will discover the most common mistakes people make while attempting to solicit an agent and how to avoid them as well as numerous suggestions designed to increase the chances of getting representation *Writer's Guide to Book Editors Publishers and Literary Agents* also includes dozens of valuable essays giving readers insight and guidance into such topics as How to Write the Perfect Query Letter The Knockout Nonfiction Book Proposal How to Thrive After Signing a Publishing Contract Mastering Ghostwriting and
