Bird, 1871 *Songs of Love and Mercy for the Young. A Hymn Book for Children's Services ... Selected and Arranged by the Children's Special Service Mission*, 1876 **All Music Guide to Soul** Vladimir Bogdanov, 2003-08-01 This comprehensive guide is a must have for the legions of fans of the beloved and perennially popular music known as soul and rhythm blues A member of the definitive All Music Guide series the All Music Guide to Soul offers nearly 8 500 entertaining and informative reviews that lead readers to the best recordings by more than 1 500 artists and help them find new music to explore Informative biographies essays and music maps trace R B s growth from its roots in blues and gospel through its flowering in Memphis and Motown to its many branches today Complete discographies note bootlegs important out of print albums and import only releases Extremely valuable and exhaustive The Christian Science Monitor *Love in Five Acts; A Study of the Song of Solomon* Marvin McKenzie, 2015-05-27 For approximate twenty five years now the focus on most studies of the Song of Solomon has been on the relationship between husband and wife Some teachers have gone so far as to imply it is heresy and abusive to the Bible to teach any other application for it Previous to that however most Bible preachers and teachers taught that the Song of Solomon represents Christ s love for His church This book reaches back to those less modern students of the Bible and applies the Song of Solomon to Christ s relationship to believers The Song of Solomon is seen as a drama having five acts each one presenting a different phase in the growing relationship between Christ and the believer *Songs of Grace and Glory ... Fudge, 2003 Grounded in primary source research this boldly revisionist book examines the doctrine of salvation in Oneness Pentecostalism United Pentecostal Church from its origins through its several developmental stages The gradual rise of a literal interpretation of Acts 2 38 eliminated a tradition of doctrinal diversity within Oneness thought which regarded salvation as occurring at repentance prior to water and Spirit baptism With this development a main link to the wider stream of evangelical Christianity was severed The water and Spirit theology resulted in a form of Christianity which does not necessarily require the cross in any meaningful sense for salvation This study recovers the lost theological tradition associated with important figures such as Howard A Goss A D Gurley W M

Greer C H Taddon Wynn T Stairs Earl Jacques E P Wickens John Paterson and the Pentecostal Church Incorporated Combining traditional historical methodology and theological research with the principles of a broadly based oral history this study argues for a theological diversity within the history of Oneness Pentecostalism and in so doing bridges an important gap in the history and theology of the United Pentecostal Church **The School Song Book** Osbourne McConathy, 1909
