Hill, 1977 Songs, Carols, and Other Miscellaneous Poems from the Balliol Ms 354, Richard Hill's Commonplace Book Richard Hill (époque), 1907 Songs, Carols, and Other Miscellaneous Poems Richard Hill, 1907 Songs, Carols, and other miscellaneous poems, from the Balliol

MS. 354, Richard Hill's Common-Place Book. Edited by Roman Dyboski. Early English Text Society, 1937 **Songs, Carols and Other Miscellaneous Poems** Richard Hill, 1937 Songs, Carols, and Other Miscellaneous Poems, From the Balliol Ms. 354, Richard Hill's Commonplace Book Richard Hill (époque), 1907 **Songs, Carols, and Other Miscellaneous Poems** Richard Hill, 1981 *Songs, Carols and Other Miscellaneous Poems, from the Balliol Ms. 354, Richard Hill's Commonplace Book. Ed. by Roman Dyboski* Richard Hill, 1908 Catalogue of the Pepys Library at Magdalene College, Cambridge Pepys Library (Cambridge), Pepys Library Cambridge, 1978 Poems and Carols (Oxford, Bodleian Library MS Douce 302) John the Blind Audelay, 2009-10-01 Audelay's idiosyncratic devotional tastes, interesting personal life history and declared political affiliations, loyalty to king, upholder of estates, anxiety over heresy make him worthy of careful study beside his better known contemporaries. Of particular note, MS Douce 302 preserves Audelay's own alliterative *Marcolf* and *Solomon*, a poem thought to be descended from Langland's *Piers Plowman*. The Audelay Manuscript also contains unique copies of other alliterative poems of the ornate style seen in *Gawain and the Green Knight* and *The Pistel of Swete Susan*. These pieces are *Paternoster* and *Three Dead Kings*, both set at the end of the book. Whether or not they are Audelay's own compositions, they seem certain to be his own selections. Audelay also displays a persistent habit of sequencing materials in generic and devotionally affective ways. His is a pious sensibility delicately honed by reverence for the liturgy and by an awe of God. That Audelay's poetry can awaken us to new poetic sensitivities in medieval devotional verse is reason enough to bring him into the ambit of canonical fifteenth-century English poets **A Companion to Renaissance Poetry** Catherine Bates, 2018-01-09 The most comprehensive collection of essays on Renaissance poetry on the market. Covering the period 1520-1680, *A Companion to Renaissance Poetry* offers 46 essays which present an in-depth account of the context, production and interpretation of early modern British poetry. It provides students with a deep appreciation for and sensitivity toward the ways in which poets of the period understood and fashioned a distinctly vernacular voice while engaging them with some of the debates and departures that are currently animating the discipline. *A Companion to Renaissance Poetry* analyzes the historical, cultural, political and religious background of the time, addressing issues such as education, translation, the Reformation, theorizations of poetry and more. The book immerses readers in non-dramatic poetry from Wyatt to Milton, focusing on the key poetic genres: epic, lyric, complaint, elegy, epistle, pastoral, satire and religious poetry. It also offers an inclusive account of the poetic production of the period by canonical and less canonical writers, female and male. Finally, it offers examples of current developments in the interpretation of Renaissance poetry, including economic, ecological, scientific, materialist and formalist approaches. Covers a wide selection of authors and texts. Features contributions from notable authors, scholars and critics across the globe. Offers a substantial section on recent and developing approaches to reading Renaissance poetry. *A Companion to Renaissance Poetry* is an ideal resource for all students and scholars of the literature and culture of the Renaissance period **The Historical Literature of the Jack Cade Rebellion** Alexander L.

Kaufman,2016-03-16 Accounts of Jack Cade s 1450 Rebellion an uprising of some 30 000 middle class citizens protesting Henry VI s policies and resulting in hundreds of deaths as well as the leaders execution form the dominant entry in a group of quasi historical documents referred to as the London chronicles of the Fifteenth Century However each chronicle is inherently different and highly subjective In the first study of the primary documents related to the Cade Rebellion Alexander L Kaufman shows that the chroniclers produced multiple representations of the event rather than a single unified narrative Aided by contemporary theories of historiography and historical representation Kaufman scrutinizes the differing representations and distinguishes the writers objectiveness their underrated literary skills and their ideological positions on the rebellion and fifteenth century politics He demonstrates how the use of figurative language is related to writing about trauma and how descriptions of Cade s procession through London are a violent parody of midsummer festivals In an exploration of authenticity in the descriptions of Cade Kaufman also examines the characterization and plot devices that push Cade towards the realm of myth showing that representations of Cade are influenced by popular fifteenth century stories of Robin Hood

Death and Purgatory in Middle English Didactic Poetry Takami Matsuda,1997 The concept of Purgatory in Middle English didactic writings is explored through examination of visions of the afterlife sermons homiletic treatises and lyrics

The Heroic Couplet in the Sixteenth and Early Seventeenth Centuries George Pope Shannon,1926 The Cambridge History of English Literature Sir Adolphus William Ward,Alfred Rayney Waller,1908
