Songs Of My Heart:

Songs of My Heart Lucila Rollins,2013-05-07 A dream is a mysterious realm that has always fascinated me and I have always been fortunate enough to receive a dream or two each night They have always had an ethereal quality impalpable and spiritual The Songs of My Heart are descriptions of dreams I have had that have stayed with me and provided a secret doorway if you will to the world of my childhood and then to an ideal place created by my heart Having access to these sweet remembrances has gladdened my spirit strengthened me in times of sorrow and confirmed my faith and hope in Gods goodness and abiding love My descriptions of these dreams are done in lyrical prose to portray and convey the essence of my dream world as I have known it The second part of this volume Evensong are poems of love and praise delineating the greatness of God and His omniscient presence in our lives I have written of His kindness and mercy to encourage others who may not know Him yet to come and taste the sweetness of the Lord Songs of my Heart K Lakshmi Rao,2022-06-23 Songs of my Heart is a dream project of the author for many years It has taken three decades to bring out this book as a 108 poems compilation not for any other reason but to complete her responsibilities as Educator This book comprises 108 poems coming directly from her heart on various occasions expressing a vast range of feelings from remorse to sadness to happiness and contentment and not forgetting the philosophy of life Most of the poems expressed my feelings on nature and human emotions purely imaginative and very few reflect my interest in the description of physical structures she tried creating visual and auditory images through her poems I am sure that each poem triggers the inner feelings among the readers

Songs from My Heart Daisaku Ikeda,2014-10-01 For many years Daisaku Ikeda has

used poetry to express his innermost observations and sensations He has given poetic voice to feelings that have emerged from real life and from the activities of an internationally known champion of peace and education and the leader of a worldwide lay Buddhist movement With a vigour and simplicity that derive from a style rooted in classical rather than colloquial traditions his poems celebrate the themes of youth and of progress and the mysteries of the natural world whether a wind that sighs with its melancholy chant to the traveller or a great sky with its transcendent beauty and stillness or a moon that shines with the light of the silver monarch These are poignant meditations above all on time transience and the eternal rendered visible through a palette of diverse poetic colour and framed within a universe where all people are called to strive for a better world Such a world is characterized not by division but by peace and love In that sense these are verses expressive of the author s deepest hopes and sentiments not merely poems but keenly felt songs from his heart The music of my heart [poems]. Arthur BENNETT (F.C.A., J.P.),1889 Draw My Heart After You in the Song of Love Virginia Helweg,2012-07-20 Readers will take a journey through the Song of Solomon Song of Songs which describes God s heart and His love Written as a devotional author Virginia Helweg uses the poetic metaphors from Solomon s song to teach how God created man and woman in His image and therefore have the capacity within to know Him intimately parallel to the same love in a marriage Helweg explains that the Song is about romantic love but not as man perceives romance It is an example of God s persistence to have a relationship with His creation and a love poem Solomon framed as a song because of a faith in a God of love singing praising and worshipping **Music of America from My Heart** Mubo Adenike Lala,2015-01-16 Sarah was born to an unskilled young mother who suddenly finds herself alone with young Sarah when her then live in boyfriend which is Sarah s father decided to leave them both for a tour of the duty a circumstance that made Sarah separated from her biological parents Sarah was raised by her maternal grandmother and her auntie in a small town called Opelika At an appointed time all people that matter in her life came back to favor her She fell in love and married a Nigerian student who encouraged her to fine tune her career as a singer When the family moved to Nigeria she was not found of rigidity in Nigerian school system where students just study do exam study and do the test Nothing excited her therefore she suggested a ceremony similar to the American version of homecoming to her daughter s school They not only accepted her idea but also granted her absolute right to coordinate and implement the entire event The event was so successful that it eventually transformed Sarah from an elite house wife to a well known socialite in the Nigerian high class inner circle Songs from My Heart Katherine Dietzel DuTremble,2014-08-12 In the past two decades I have had many wonderful people in my life This is my first endeavor in published form on my written word incorporated with my paintings and it has been a long awaited piece of the puzzle of my artistic life All my life I have been a professional artist and I have traveled a great deal and met an incredible variety of people and their very different lifestyles With a little encouragement from friends I decided to let the world into the secret spaces of my heart and share some of my musings I feel that my life has been very blessed charmed
