

# SONS OF MISSISSIPPI

A STORY OF RACE AND ITS LEGACY

"A beautiful, poetic book about an ugly time in America's South. . . . Meticulously researched, exquisitely written and piercingly poignant."

—*Los Angeles Times Book Review*

PAUL HENDRICKSON

*Author of The Living and the Dead*

# Sons Of Mississippi A Story Of Race And Its Legacy

**Gene Roberts, Hank Klibanoff**

## **Sons Of Mississippi A Story Of Race And Its Legacy:**

Sons of Mississippi Paul Hendrickson, 2015-02-18 They stand as unselfconscious as if the photograph were being taken at a church picnic and not during one of the pitched battles of the civil rights struggle None of them knows that the image will appear in Life magazine or that it will become an icon of its era The year is 1962 and these seven white Mississippi lawmen have gathered to stop James Meredith from integrating the University of Mississippi One of them is swinging a billy club More than thirty years later award winning journalist and author Paul Hendrickson sets out to discover who these men were what happened to them after the photograph was taken and how racist attitudes shaped the way they lived their lives But his ultimate focus is on their children and grandchildren and how the prejudice bequeathed by the fathers was transformed or remained untouched in the sons Sons of Mississippi is a scalding yet redemptive work of social history a book of eloquence and subtlety that tracks the movement of racism across three generations and bears witness to its ravages among both black and white Americans

The Race Beat Gene Roberts, Hank Klibanoff, 2008-06-17 An unprecedented examination of how news stories editorials and photographs in the American press and the journalists responsible for them profoundly changed the nation's thinking about civil rights in the South during the 1950s and 60s Roberts and Klibanoff draw on private correspondence notes from secret meetings unpublished articles and interviews to show how a dedicated cadre of newsmen black and white revealed to a nation its most shameful shortcomings that compelled its citizens to act Meticulously researched and vividly rendered The Race Beat is an extraordinary account of one of the most calamitous periods in our nation's history as told by those who covered it

Between Remembrance and Repair Claire Whitlinger, 2020-04-28 Few places are more notorious for civil rights era violence than Philadelphia Mississippi the site of the 1964 Mississippi Burning murders Yet in a striking turn of events Philadelphia has become a beacon in Mississippi's racial reckoning in the decades since Claire Whitlinger investigates how this community came to acknowledge its past offering significant insight into the social impacts of commemoration Examining two commemorations around key anniversaries of the murders held in 1989 and 2004 Whitlinger shows the differences in how those events unfolded She also charts how the 2004 commemoration offered a springboard for the trial of former Klan leader Edgar Ray Killen for his role in the 1964 murders the 2006 passage of Mississippi's Civil Rights Human Rights education bill and the initiation of the Mississippi Truth Project In doing so Whitlinger provides the first comprehensive account of these high profile events and expands our understanding of how commemorations both emerge out of and catalyze associated memory movements Threading a compelling story with theoretical insights Whitlinger delivers a study that will help scholars students and activists alike better understand the dynamics of commemorating difficult pasts commemorative practices in general and the links between memory race and social change

In Remembrance of Emmett Till Darryl Mace, 2014-07-15 This provocative study explores how media coverage of Emmett Till's murder influences regional reactions and reignited the Civil Rights movement On August 28 1955

fourteen year old Chicago native Emmett Till was brutally beaten to death for allegedly flirting with a white woman at a grocery store in Money Mississippi Roy Bryant and J W Milam were acquitted of Till s murder then admitted to the crime in an interview with the national media They were never convicted Although Till s body was mutilated his mother ordered that his casket remain open so that the country could observe the results of racially motivated violence in the Deep South Media attention fanned the flames of regional tension and impelled many individuals including Rosa Parks to become vocal activists for racial equality In this innovative study Darryl Mace explores media coverage of Till s murder and analyses its influence on the regional and racial perspectives He investigates the portrayal of the trial in popular and black newspapers across the South documents posttrial reactions and examines Till s memorialization in the press to highlight the media s role in shaping opinions

Encyclopedia of Right-Wing Extremism in Modern American History Stephen E. Atkins,2011-09-13 This encyclopedia covers American right wing extremist groups and extremism from the 1930s to the present day including neo Nazis the Ku Klux Klan and various anti government organizations Right wing extremism in America has had an established presence from the 1930s through the present day The election of America s first African American president and the resuscitation of big government policymaking have stimulated a reaction from and a reemergence of right wing extremists Neo Nazis racist skinheads and white supremacists Unfortunately it seems Americans are still living in an age of extremism The Encyclopedia of Right Wing Extremism in Modern American History provides useful authoritative information about these groups and their histories covering conservative extremism from the 1930s onward such as white supremacist groups and neo Nazis Christian Identity and other right wing religious movements and anti American government extremists An introductory overview insightful conclusion chapter and useful up to date bibliography are also included

**Black Freedom, White Resistance, and Red Menace** Yasuhiro Katagiri,2014-01-06 In Black Freedom White Resistance and Red Menace Yasuhiro Katagiri offers the first scholarly work to illuminate an important but largely unstudied aspect of U S civil rights history the collaborative and mutually beneficial relationship between professional anti Communists in the North and segregationist politicians in the South In 1954 the Supreme Court outlawed racial segregation in public schools with the Brown v Board of Education ruling Soon after while the political demise of U S senator Joseph R McCarthy unfolded northern anti Communists looked to the South as a promising new territory in which they could expand their support base and continue their cause Southern segregationists embraced the assistance and the methods of these Yankee collaborators and utilized the northern messiahs in executing a massive resistance to the Supreme Court s desegregation decrees and the civil rights movement in general Southern white leadership framed black southerners crusades for social justice and human dignity as a foreign scheme directed by nefarious outside agitators race mixers and worse outright subversives and card carrying Communists Based on years of extensive archival research Black Freedom White Resistance and Red Menace explains how a southern version of McCarthyism became part of the opposition to the civil rights movement in the South an

analysis that leads us to a deeper understanding and appreciation for what the freedom movement and those who struggled for equality fought to overcome

**Going Places** Robert Burgin, 2013-01-08 Successfully navigate the rich world of travel narratives and identify fiction and nonfiction read alike with this detailed and expertly constructed guide Just as savvy travelers make use of guidebooks to help navigate the hundreds of countries around the globe smart librarians need a guidebook that makes sense of the world of travel narratives *Going Places* A Reader's Guide to Travel Narratives meets that demand helping librarians assist patrons in finding the nonfiction books that most interest them It will also serve to help users better understand the genre and their own reading interests The book examines the subgenres of the travel narrative genre in its seven chapters categorizing and describing approximately 600 titles according to genres and broad reading interests and identifying hundreds of other fiction and nonfiction titles as read alike and related reads by shared key topics The author has also identified award winning titles and spotlighted further resources on travel lit making this work an ideal guide for readers advisors as well a book general readers will enjoy browsing

**There Goes My Everything** Jason

Sokol, 2008-12-10 During the civil rights movement epic battles for justice were fought in the streets at lunch counters and in the classrooms of the American South Just as many battles were waged however in the hearts and minds of ordinary white southerners whose world became unrecognizable to them Jason Sokol's vivid and unprecedented account of white southerners attitudes and actions related in their own words reveals in a new light the contradictory mixture of stubborn resistance and pragmatic acceptance as well as the startling and unexpected personal transformations with which they greeted the enforcement of legal equality

Hemingway's Student Paul Hendrickson, 2015-07-21 From the award winning biography of Ernest Hemingway *Hemingway's Boat* the poignant story of Arnold Samuelson who looked to the great author for mentorship in writing and life He was a Midwesterner a young journalist haunted by inner demons with a rambling gene who headed down to Key West and was keen to establish his place in the pantheon of American writers This was not Papa but Arnold Samuelson a tormented and scarred young man who pocketed a newspaper photograph of his hero and role model and set off to find him in May of 1934 As luck would have it Hemingway was home he was in need of assistance on his new boat *Pilar* and happy to dole out writing advice between fishing and beers This is the story of Hemingway the teacher a rare glimpse of Hemingway sharing his craft part education of a writer and part shadow story of a man who wanted to be Hemingway and what that meant for him

*Safe from the Neighbors* Steve Yarbrough, 2011-02-08 In a small town in the Mississippi Delta Luke May teaches local history to students too young to remember the turmoil of the civil rights era Luke himself was just a child in 1962 when James Meredith's enrollment at Ole Miss provoked a bloody new battle in the old Civil War But when a long lost friend suddenly returns to town bringing with her a reminder of the act of searing violence that ended her childhood Luke begins to realize that his connection to the past runs deeper than he ever could have imagined An intricate novel of family secrets extramarital affairs and political upheaval *Safe from the Neighbors* is a magnificent

achievement     *Perfect Killer* Lewis Perdue,2010-02-20 When a prominent Mississippi civil rights attorney asks renowned neurosurgeon Bradford Stone to help her save the life of a white racist condemned to death for the cold case murder of a black man he has no idea that he is about to be dragged through a deadly past he thought he had escaped once and for all

*Born of Conviction* Joseph T. Reiff,2016 In early 1963 twenty eight white Methodist ministers caused a firestorm of controversy by publishing a statement of support for race relations change *Born of Conviction* explores the statement s resulting influences on their lives their reasons for signing the statement and the various interpretations and legacies of the document

**American Culture in the 1960s** Sharon Monteith,2008-10-08 This book charts the changing complexion of American culture in one of the most culturally vibrant of twentieth century decades It provides a vivid account of the major cultural forms of 1960s America music and performance film and television fiction and poetry art and photography as well as influential texts trends and figures of the decade from Norman Mailer to Susan Sontag from Muhammad Ali s anti war protests to Tom Lehrer s stand up comedy from Bob Dylan to Rachel Carson and from Pop Art to photojournalism A chapter on new social movements demonstrates that a current of conservatism runs through even the most revolutionary movements of the 1960s and the book as a whole looks to the West and especially to the South in the making of the sixties as myth and as history

**The Price of Defiance** Charles W. Eagles,2009 Presents the history of the efforts to integrate the University of Mississippi describing James Meredith s struggles to become its first African American student and the conflict between segregationist Governor Ross Barnett and federal law enforcement officials

**SNCC's Stories** Sharon Monteith,2020-10-15 Formed in 1960 in Raleigh North Carolina the Student Non violent Coordinating Committee SNCC was a high profile civil rights collective led by young people For Howard Zinn in 1964 SNCC members were new abolitionists but SNCC pursued radical initiatives and Black Power politics in addition to reform It was committed to grassroots organizing in towns and rural communities facilitating voter registration and direct action through projects embedded in Freedom Houses especially in the South the setting for most of SNCC s stories Over time it changed from a tight cadre into a disparate group of many constellations but stood out among civil rights organizations for its participatory democracy and emphasis on local people deciding the terms of their battle for social change Organizers debated their role and grappled with SNCC s responsibility to communities to the walking wounded damaged by racial terrorism and to individuals who died pursuing racial justice SNCC s *Stories* examines the organization s print and publishing culture uncovering how fundamental self and group narration is for the undersung heroes of social movements The organizer may be SNCC s dramatis persona but its writers have been overlooked In the 1960s it was assumed established literary figures would write about civil rights and until now critical attention has centered on the Black Arts Movement neglecting what SNCC s writers contributed Sharon Monteith gathers hard to find literature where the freedom movement in the civil rights South is analyzed as subjective history and explored imaginatively SNCC s print culture consists of field reports pamphlets newsletters fiction essays poetry and plays which

serve as intimate and illuminative sources for understanding political action SNCC's literary history contributes to the organization's legacy

Plagued by Fire Paul Hendrickson, 2019-10-01 Frank Lloyd Wright has long been known as a rank egotist who held in contempt almost everything aside from his own genius Harder to detect but no less real is a Wright who fully understood and suffered from the choices he made This is the Wright whom Paul Hendrickson reveals in this masterful biography the Wright who was haunted by his father about whom he told the greatest lie of his life And this we see is the Wright of many other neglected aspects of his story his close and perhaps romantic relationship with friend and early mentor Cecil Corwin the eerie unmistakable role of fires in his life the connection between the 1921 Black Wall Street massacre in Tulsa Oklahoma and the murder of his mistress her two children and four others at his beloved Wisconsin home In showing us Wright's facades along with their cracks Hendrickson helps us form a fresh deep and more human understanding of the man With prodigious research unique vision and his ability to make sense of a life in ways at once unexpected poetic and undeniably brilliant he has given us the defining book on Wright

**The Battle of Ole Miss** Frank Lambert, 2009-09-03 James Meredith broke the color barrier in 1962 as the first African American student at Ole Miss The violent riot that followed would be one of the most deadly clashes of the civil rights era Frank Lambert who was a student at Ole Miss at the time and witnessed many of these events here provides an engaging narrative of the tumultuous period surrounding Meredith's arrival at the University of Mississippi Lambert excels at conveying the students perspective of the riot and its aftermath highlighting the great diversity of viewpoints

*Friends Disappear* Mary Barr, 2014-10-30 A sociologist returns to her suburban Illinois hometown to compare the paths of black and white childhood friends in a fascinating mix of study and memoir Chicago Tribune Mary Barr thinks a lot about the old photograph on her refrigerator door In it she and a dozen or so friends from the Chicago suburb of Evanston sit on a porch It's 1974 the summer after they graduated from Nichols Middle School and what strikes her immediately aside from the Soul Train era clothes is the diversity of the group boys and girls black and white in the variety of poses you'd expect from a bunch of friends on the verge of high school But the photo also speaks to the history of Evanston to integration and to the ways that those in the picture experienced and remembered growing up in a place that many at that time considered to be a racial utopia In *Friends Disappear* Barr goes back to her old neighborhood and pieces together a history of Evanston with a particular emphasis on its neighborhoods its schools and its work life She finds that there is a detrimental myth of integration surrounding Evanston despite bountiful evidence of actual segregation both in the archives and from the life stories of her subjects Curiously the city's own desegregation plan is partly to blame The initiative called for the redistribution of students from an all black elementary school to institutions situated in white neighborhoods That however required busing and between the tensions it generated and obvious markers of class difference the racial divide far from being closed was widened *Friends Disappear* highlights how racial divides limited the life chances of blacks while providing opportunities for whites and offers an insider's perspective on the social practices that

doled out benefits and penalties based on race despite attempts to integrate Barr's gripping exploration of the divergent paths friends took away from a childhood snapshot combines the rigor of scholarship with the personal touch of memoir I have rarely read a book that so effectively illustrates the persistence of racial disparities in the United States with unforgettable wrenching life stories Amanda Seligman University of Wisconsin Milwaukee Honorable Mention Midwest Sociological Society Distinguished Book Award

**History, Politics, and the American Past** Ari Helo, 2020-02-25 History Politics and the American Past assesses the connection between historiography and politics in America on the basis of an important methodological distinction between the past and the history written about it While necessarily interpreting the past professional historians and those with a general interest alike remain tempted consciously or not to make American history serve their own political and moral views There is a tendency to impose our present values on the past and sometimes go so far as to believe the past can be changed by present action In this volume Ari Helo analyzes examples of this including metahistorical narratives presidential speeches and the occasionally vague rhetoric of the Confederate statue campaigns before diagnosing the source of doing so and suggesting how we might avoid it Taking America as its example the book illuminates essential methodological issues related to history writing while deciphering the complicated relationship of history and politics The book will be of interest to scholars and students of American history historiography American studies and cultural studies providing a vivid account of how to make sense of American history

*The Readers' Advisory Guide to Nonfiction* Neal Wyatt, 2007-05-14 Navigating what at she calls the extravagantly rich world of nonfiction renowned readers advisor RA Wyatt builds readers advisory bridges from fiction to compelling and increasingly popular nonfiction to encompass the library's entire collection She focuses on eight popular categories history true crime true adventure science memoir food cooking travel and sports Within each she explains the scope popularity style major authors and works and the subject's position in readers advisory interviews Wyatt addresses who is reading nonfiction and why while providing RAs with the tools and language to incorporate nonfiction into discussions that point readers to what to read next In easy to follow steps Wyatt Explains the hows and whys of offering fiction and nonfiction suggestions together Illustrates ways to get up to speed fast in nonfiction Shows how to lead readers to a variety of books using her read around and reading map strategies Provides tools to build nonfiction subject guides for the collection This hands on guide includes nonfiction bibliography key authors benchmark books with annotations and core collections It is destined to become the nonfiction bible for readers advisory and collection development helping librarians library workers and patrons select great reading from the entire library collection
