Soong Dynasty:

Falsifying China's History Donald G. Gillin, 1986 In this essay Gillin takes a look at Sterling Seagrave's book about the Soong Dynasty claiming it is so biased so unreliable so riddled with errors and so utterly lacking in historical perspective that much of it could be classified as fiction rather than as a work of history

The Soong Dynasty Sterling Seagrave, 2017-01-15 Fast paced and jammed with racy details New York Times Book Review The Soong Dynasty is the first full behind the scenes account of the extraordinary Soong family whose power and wealth dominated China and American policy towards Asia in the Twentieth Century It is an extraordinary work of historical detection which traces the family's roots from the middle of the last century and their explosive rise thereafter Descendants of a runaway they grew up in America under the protection of the Methodist church and returned to their homeland to make a fortune selling Western bibles The Soong Family became the principal rulers of China during the first half of the Twentieth Century In The Soong Dynasty Sterling Seagrave describes for the first time the intricate and fascinating rise to power of Charlie Soong and his children whom he married to some of China's most powerful men to create a network of power and influence which was to last for over fifty years It is a classic tale of power money corruption and greed with elements of tragedy and comedy Praise for The Soong Dynasty Seagrave knows China and has caught the atmosphere of that weird melancholy place he has shed light into so many dark places and turned a difficult piece of history into an engrossing narrative Daily Telegraph Seagrave's marathon probe includes much new evidence It is an important segment of twentieth century world history People should therefore be encouraged to read it Dervla Murphy Irish Times The Soong Dynasty brings much pungent material to light it is a story unraveled with fluency and flair Time A gripping book Seagrave has tackled a mighty subject with resourcefulness and spirit Washington Post Compulsively readable International Herald Tribune Mr Seagrave is a fine investigative reporter digging up information from a multitude of sources much of it original and piecing together a gripping account of epochal events Wall Street Journal Sterling Seagrave who grew up on the China Burma border in the 1940s his father was Dr Gordon Seagrave author of Burma Surgeon is the author of Yellow Rain The Marcos Dynasty Dragon Lady and Lords of the Rim and has written many articles for major newspapers and magazines In preparing The Soong Dynasty he drew on half a lifetime in Asia and on many sources including the files of Time Inc the National Archives many individuals and the FBI to produce a riveting and revealing narrative of major historical importance supplemented with much new material He lives in Europe

The Collapse of Nationalist China Parks M. Coble,2023-03-30 When World War II ended Chiang Kai shek seemed at the height of his power the leader of Nationalist China one of the victorious Allied Powers in 1945 and with the financial backing of the US Yet less than four years later he lost the China s civil war against the communists Offering an insightful chronological treatment of the years 1944 1949 Parks Coble addresses why Chiang was unable to win the war and control hyperinflation Using newly available archival sources he reveals the critical weakness of Chiang s style of governing the fundamental structural flaws in the Nationalist government bitter personal rivalries and Chiang s personal lack of interest in finance This major work of revisionist scholarship will engage all those interested in the shaping of twentieth century history

Madame Chiang Kai-shek and Miss Emma Mills Thomas A.

DeLong,2007-03-14 Mayling Soong came to America at the age of 10 Her father Charlie Soong a practicing Christian who had spent time in America was convinced that China s youth would need progressive Western educations before returning to their homeland to take their places as leaders in the fields of government education and engineering The youngest of three daughters Mayling followed her older siblings to the United States in search of a Western education eventually entering Wellesley in 1913 at age 16 Here she made numerous friends including classmate Emma DeLong Mills This lifelong friendship lasted through Mayling s 1927 marriage to General Chiang Kai shek and his subsequent rise to power After the undeclared Sino Japanese war broke out Emma began a series of letters detailing the political climate in the isolationist United States providing Mayling with invaluable insight into American attitudes regarding China and her Asian neighbors Beginning with the early days of their friendship in America the volume describes the identity struggle both women faced following their 1917 graduation from Wellesley Following Emma s visit to China and somewhat unwilling return to New York the friendship continued through their correspondence Emma s role in the newly organized American Bureau of Medical Aid to China is discussed as are Madame Chiang Kai shek s international fund raising efforts on behalf of Chinese war relief While military and political history is not the focus of the work it is portrayed as it impacts the friendship which is the subject of this book **Time** Briton Hadden, Henry Robinson Luce, 1929 Reels for 1973 include Time index 1973 Millard's Review of the Far East , 1918 Vol 37 includes Special number on extraterritoriality issued June 19 1926 **Dawn on the Hills of T'ang** Harlan Page Beach, 1905 Dawn on the Hill of T'ang Harlan Page Beach, 1905 *Dawn on the Hills of T'ang: or Mission in China* Harlan P. Beach, M.A., F.R.G.S, 1905 *The Making of Song Dynasty History* Charles Hartman, 2020-10-08 In this ambitious work of political and intellectual history Charles Hartman surveys the major sources that survive as vestiges of the official dynastic historiography of the Chinese Song dynasty 960 1279 Analyzing the narratives that emerge from these sources as products of Song political discourse Hartman offers a thorough introduction to the texts and the political circumstances surrounding their compilation Distilling from these sources a grand allegory of Song history he argues that the narratives embedded within reflect tension between a Confucian model of political institutionalism and the Song court s preference for a non sectarian technocratic model Fundamentally rethinking the corpus of texts that have formed the basis of our understanding of the Song and of imperial China more broadly this far reaching account of historiographical process and knowledge production illuminates the relationship between official history writing and political struggle in China **The Secret War for China** Panagiotis Dimitrakis, 2017-09-22 In 1927 Chiang Kai shek the head of China s military academy and leader of the Kuomintang KMT began the northern expeditions to bring China s northern territories back under the control of the state It was during this period that the KMT purged communist activities fractured the army and sparked the Chinese Civil War which would rage for over twenty years The communists led by General Mao Tse Tsung were for much of the period forced underground and concentrated in the Chinese countryside As the author argues

this resulted in China's war featuring unusually high levels of espionage and sabotage and increased the military importance of information gathering Based on newly declassified material Panagiotis Dimitrakis charts the double crossings secret meetings and bloody assassinations which would come to define China's future Uniquely *The Secret War for China* gives equal weighting to the role of foreign actors the role of British intelligence in unmasking Communist International Comintern agents in China for example and the allies attempts to turn nationalist China against the Japanese *The Secret War for China* also documents the clandestine confrontation between Mao and Chiang and the secret negotiations between Chiang and the Axis Powers whose forces he employed against the CCP once the Second World War was over In his turn Mao employed nationalist forces who had defected during the last three years of the civil war about 105 out of 869 KMT generals defected to the CCP This book is an urgent and necessary guide to the intricacies of the Chinese Civil War a war which decisively shaped the modern Asian world **Millard's Review**, 1918 **Library of Congress Subject Headings** Library of Congress, 2004

The Song, Liao, Xia, Jin and Yuan Dynasties Da Xue, The book is the volume of *The Song Liao Xia Jin and Yuan Dynasties* among a series of books of Chinese Dynastic History The earliest known written records of the history of China date from as early as 1250 BC from the Shang dynasty c 1600 1046 BC and the Bamboo Annals 296 BC describe a Xia dynasty c 2070 1600 BC before the Shang but no writing is known from the period The Shang ruled in the Yellow River valley which is commonly held to be the cradle of Chinese civilization However Neolithic civilizations originated at various cultural centers along both the Yellow River and Yangtze River These Yellow River and Yangtze civilizations arose millennia before the Shang With thousands of years of continuous history China is one of the world's oldest civilizations and is regarded as one of the cradles of civilization The Zhou dynasty 1046 256 BC supplanted the Shang and introduced the concept of the Mandate of Heaven to justify their rule The central Zhou government began to weaken due to external and internal pressures in the 8th century BC and the country eventually splintered into smaller states during the Spring and Autumn period These states became independent and warred with one another in the following Warring States period Much of traditional Chinese culture literature and philosophy first developed during those troubled times In 221 BC Qin Shi Huang conquered the various warring states and created for himself the title of Huangdi or emperor of the Qin marking the beginning of imperial China However the oppressive government fell soon after his death and was supplanted by the longer lived Han dynasty 206 BC 220 AD Successive dynasties developed bureaucratic systems that enabled the emperor to control vast territories directly In the 21 centuries from 206 BC until AD 1912 routine administrative tasks were handled by a special elite of scholar officials Young men well versed in calligraphy history literature and philosophy were carefully selected through difficult government examinations China's last dynasty was the Qing 1644 1912 which was replaced by the Republic of China in 1912 and in the mainland by the People's Republic of China in 1949 Chinese history has alternated between periods of political unity and peace and periods of war and failed statehood the most recent being the Chinese Civil War 1927 1949 China was occasionally

dominated by steppe peoples most of whom were eventually assimilated into the Han Chinese culture and population. Between eras of multiple kingdoms and warlordism, Chinese dynasties have ruled parts or all of China. In some eras, control stretched as far as Xinjiang and Tibet as at present. Traditional culture and influences from other parts of Asia and the Western world, carried by waves of immigration, cultural assimilation, expansion, and foreign contact, form the basis of the modern culture of China.
