Sophoclean Fragments Sophocles,1921      **Shards from Kolonos** Alan H. Sommerstein,2003      **The Fragments of Sophocles** Sophocles,1917      The Fragments of Sophocles ,      The Fragment of Sophocles ,      **The Papyrus Fragments of Sophocles** Richard Carden,2011-09-27 The series publishes important new editions of and commentaries on texts from Greco Roman antiquity especially annotated editions of texts surviving only in fragments Due to its programmatically wide range the series provides an essential basis for the study of ancient literature      Sophocles: The Plays and Fragments Sophocles,1892      Sophoclean Fragments Sophocles,2013-06 Unlike some other reproductions of classic texts 1 We have not used OCR Optical Character Recognition as this leads to bad quality books with introduced typos 2 In books where there are images such as portraits maps sketches etc We have endeavoured to keep the quality of these images so they represent accurately the original artefact Although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy      Sophocles, the plays and fragments ,1892      A Companion to Sophocles Kirk Ormand,2015-06-02 A Companion to Sophocles presents the first comprehensive collection of essays in decades to address all aspects of the life works and critical reception of Sophocles First collection of its kind to provide introductory essays to the fragments of his lost plays and to the remaining fragments of one satyr play the Ichneutae in addition to each of his extant tragedies Features new essays on Sophoclean drama that go well beyond the current state of scholarship on Sophocles Presents readings that historicize Sophocles in relation to the social cultural and intellectual world of fifth century Athens Seeks to place later interpretations and adaptations of Sophocles in their historical context Includes essays dedicated to issues of gender and sexuality significant moments in the history of interpreting Sophocles and reception of Sophocles by both ancient and modern playwrights      **Sophocles, the Plays and Fragments, 1892-1900** Sophocles,1893      **Greek Fragments in Postmodern Frames** Eleftheria Ioannidou,2017 This volume focuses on the adaptation of Greek tragedy between 1970 and 2005 in order to interrogate the relationship between tragedy and postmodernism Analysis of a range of adaptations from this period demonstrates intertextual engagements with prototype texts that have much in common with the main ideas expressed in poststructuralist thought      Sophoclean Fragments Richard Johnson Walker,2019-03-05 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we

concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant

**Brill's Companion to Sophocles** Andreas Markantonatos, 2015-03-20 Brill's Companion to Sophocles offers 32 specially commissioned essays from leading international scholars which give critical examinations of the progress and direction of numerous wide ranging debates about various aspects of Sophoclean drama Each chapter offers an authoritative and state of the art survey of current thinking and research in a particular subject area as well as covering a wide variety of thematic angles Recent advances in scholarship have raised new questions about Sophocles and Greek tragedy and have overturned some long standing assumptions Besides presenting a comprehensive and authoritative guide to understanding Sophocles this companion provides scholars and students with compelling fresh perspectives upon a broad range of issues in the field of Sophoclean studies

**Sophocles and the Greek Language** Albert Rijksbaron, Irene de Jong, 2017-07-31 This volume offers an extensive overview of the various ways in which Sophocles use of the Greek language is currently being studied Greatly admired in antiquity Sophocles style only became a serious subject of investigation with Campbell's Introductory essay On the language of Sophocles 1879 Fourteen chapters divided into three sections diction syntax pragmatics discuss the linguistic register and use of *gnomai* in Ajax deception speech Homeric intertextuality the style of the Sophoclean satyr plays in relation to tragedy and comedy the relation between the repetition of words and focalization the language of blindness the image of fire the use of deictic pronouns the semantics of the middle passive and of counterfactuals the historic present and the constitution of the text the suggestive power of descriptions speech acts and strategies of politeness

**Sophocles: Ajax** Sophocles, 2011-08-25 Sophocles Ajax describes the fall of a mighty warrior denied the honour which he believed was his due This edition of the play presents a text and critical apparatus which take full advantage of advances in our understanding of Sophoclean manuscripts and scholarship The introduction and commentary scrutinise all important aspects of the drama from detailed analysis of style language and metre to consideration of wider issues such as ethics rhetoric and characterisation Notorious dramaturgical problems including the staging of Ajax's suicide receive particular attention so too do questions of literary history such as the date of the play and Sophocles creative interaction with previous accounts of the myth The translation which accompanies the commentary ensures that this edition will be accessible to Hellenists of all levels of experience as well as to readers with a general interest in the history of drama

**Gendered Politics in Sophocles' Trachiniae** Gesthimani Seferiadi, 2022-04-07 This is the first book length examination of the notion of gendered politics in Sophocles Trachiniae Making use of feminist theory and tackling the political nature of the categories of identity culture and sexuality Seferiadi brings the interpretation of Sophocles play up to date with the most recent scholarly developments She discusses the play in the light of its Amazonian and monstrous background and touches upon topics such as marriage and the exchange of women reciprocity within a corroded system of gift exchanges and the

dynamics of female silence and the impaired hegemonic masculinity Contributing to the topic of rape in the ancient world this book focuses on sexual violence and the intertwinement of marriage and rape from the perspective of tragedy With an Amazon being placed within the civilized arrangement of an oikos the play negotiates the position of the female and advocates the need to expel the monstrous sexualities from the polis Differing from previous analyses this study is a reminder that female subjectivity was less foreclosed than is often tacitly assumed Killing Hercules Richard Rowland, 2016-12-08 This book offers an entirely new reception history of the myth of Hercules and his wife killer Deianira The book poses and attempts to answer two important and related questions First why have artists across two millennia felt compelled to revisit this particular myth to express anxieties about violence at both a global and domestic level Secondly from the moment that Sophocles disrupted a myth about the definitive exemplar of masculinity and martial prowess and turned it into a story about domestic abuse through to a 2014 production of Handel's Hercules that was set in the context of the war on terror the reception history of this myth has been one of discontinuity and conflict how and why does each culture reinvent this narrative to address its own concerns and discontents and how does each generation speak to qualify or annihilate the certainties of its predecessors in order to understand contain or exonerate the aggression with which their governors of state and of the household so often enforce their authority and the violence to which their nations and their homes are perennially vulnerable **Sophocles: Fragments** Sophocles, 1994 Sophocles 497-640 BC considered one of the world's greatest poets forged tragedy from the heroic excess of myth and legend Seven complete plays are extant including Oedipus Tyrannus Ajax Antigone and Philoctetes Among many fragments that also survive is a substantial portion of the satyr play The Searchers Studies of the Greek Poets John Addington Symonds, 1879
