Sorrow To The Grave:

Hell Know Theodore Johnstone M.D.,2016-08-31 Having practiced medicine for more than 55 years Dr Johnstone has witnessed more than one of his patients take their last breath But sometimes in his mind questions popped up Is the persons soul in the presence of its maker Or is the soul now suffering in the flames of hell Or did it simply die with the body and with it will soon be encrypted buried or cremated What is the soul anyway Is it conscious Can it feel all of the stimuli coming to it from light sound heat taste smell and touch If so then a soul in heaven would be able to appreciate all of the blessings of that place but if in hell it would be suffering in the torment of eternal flames that never consume or destroy However if the soul dies with the body then it would experience nothing The above questions are not so meaningful if the person who has just died in your presence is not a loved one However a loved ones death makes these questions come alive sometimes with strong emotions not the least of which is sorrow Dr Johnstone experienced these feelings one summer afternoon when he was called by his mother who was at the bedside of his dying sister to come to the hospital and pronounced her dead Recently retired Dr Johnstone decided to research Scripture for himself to find answers in it as to what happens to a person after death In an effort to prevent bias from forming in his mind he decided not to consult with any commentaries but confine his studies mainly but not exclusively to The New International and King James versions of the Bible along with an English translation of the Septuagint He also decided to obtain help from the Interlinear Bible written in Hebrew Greek and English in conjunction with The New Strongs Expanded Exhaustive Concordance of the Bible From these sources he performed a metaphoric autopsy to ferret out the answers to the souls postmortem existence The pathology report portrayed in *Hell Know* came as a complete surprise *A Critical Lexicon and Concordance to the English and Greek New Testament* E. W. Bullinger,1999-08-01 This classic lexicon and concordance is now back in print based on popular demand English words appear in alphabetical order along with the equivalent Greek words their literal and derivative meanings and a list of passages in which they appear Includes a comprehensive Greek English index **Sorrow's Kitchen** Mary E. Lyons,1993-04-30 Describes the life and work of the prolific black author who wrote stories plays essays and articles recorded black folklore and was involved in the Harlem Renaissance *The Resurrection and Immortality* William West,2006-08 THE RESURRECTION AND IMMORTALITY Is man born with an immortal soul or do the saved put on immortality at the resurrection This is one of the most important questions of all times It has more influence on our conception of our nature our view of life in this world and life after death the nature of God than any other question The resurrection and an undying immortal soul are not compatible If one is true then the other one cannot be YOUR WHOLE THEOLOGY what you believe IS DETERMINED BY YOUR VIEW OF THE SOUL Not only does man now having an immortal soul make the resurrection impossible it makes the judgment be passed and the second coming of Christ pointless for there could not be a resurrection or a judgment at His coming The resurrection doctrine of unconditional immortality are

contradictory to each other You must choose one or the other You cannot believe both Christ taught the resurrection It is our only hope of life after death not now having immortality and never dying The undead cannot be raised If the soul is immortal and never dies there cannot be a resurrection of those not dead If there is to be a resurrection of the dead the dead cannot be alive cannot be living immortal souls The doctrine of unconditional immortality Changes the nature of God makes Him cruel and sadistic Changes the message we preach to the lost and their fate whether they will have an eternal life with torment or a second death form which there will never be a resurrection Changes the nature of man whether he is now mortal or immortal Changes the nature of the resurrection of Christ whether He was dead and raised by God or only His earthly body was dead and He just came back from Heaven to it Changes the nature of our resurrection whether we are dead and resurrected or just come back from somewhere The resurrection an immortal soul The wages of sin is death the wages of sin is an eternal life of torment
