## **Soul And Psyche The Bible In Psychological Perspective:**

*Soul and Psyche* Wayne G. Rollins,1999 The first introduction to the history and method of biblical psychological interpretation      **Psychological Insight Into the Bible** Wayne G. Rollins,D. Andrew Kille,2007 Foreword by Walter Wink In recent years theologians and biblical scholars have begun to delve into the insights that come from the application of psychology to biblical texts While these methods continue to be useful and popular nowhere have the foundational texts in the field been collected Wayne Rollins and Andrew Kille who have both published and taught widely in the area of psychological biblical criticism have assembled an excellent guide for those interested in this fascinating topic Included in this anthology are articles from across the landscape spanning over one hundred years and including such authors as Franz Delitzsch M Scott Fletcher Max Weber Walter Wink and many other scholars      Psychological Hermeneutics for Biblical Themes and Texts: HAROLD J. ELLENS,J. Harold Ellens,2012-04-26 An assessment of the development and achievements of the field of Psychological Hermeneutics      **Jungian and Psychoanalytic Perspectives on Christmas** Kendrick Lyddon Norris,2025-09-08 By examining its history traditions symbols and representation in the arts through the lens of three major schools of depth psychology Kendrick L Norris a Jungian Analyst and minister shows how better understanding of the promise of Christmas can allow us to discover what it is that we long for the most Why does the winter celebration of Christmas have such a deep rooted resonance individually and collectively This extensively researched book clearly and engagingly articulates the soul reasons why this holiday has such a significant impact on the human psyche The work begins with an explanation about how depth psychology can be used to understand the Christmas phenomenon followed by an investigation into the origins and symbols of Christmas The book closes by delving into the soul meaning of Christmas through the perspectives of Freud Kohut and Jung This thought provoking volume will appeal to Jungian Analysts psychoanalysts and psychotherapists as well as those interested in religion and its relation to depth psychology      **My Name is Legion** Michael Willett Newheart,2004 In My Name is Legion Professor Newheart interfaces narrative and psychological criticism with historical perspectives cultural examination and poetic reflection to create this unique book length treatment of the Gerasene demoniac that is described in Mark 5 1 20      Jesus Research James H. Charlesworth,Brian Rhea,Petr Pokorny,2014-01-23 This volume explores nearly every facet of Jesus research from eyewitness criteria to the reliability of memory from archaeology to psychobiography from oral traditions to literary sources and from narrative criticism to Gospel criticism Bringing together a wide variety of topics and perspectives in one volume this ambitious collaborative enterprise casts light on important debates and encourages creative links between ideas new and old This distinguished collection of articles by internationally renowned Jewish and Christian scholars originates with the Princeton Prague Symposium on Jesus Research It summarizes the significant advances in understanding Jesus that scholars have made in recent years chiefly through the development of diverse methodologies Even readers who are already knowledgeable

in the field will discover unique angles from well known New Testament scholars and all will be brought up to speed on the current state of play within Jesus studies

**Biblical Interpretation** W. Randolph Tate, 2008-05-01 This comprehensive exploration of the interpretive process now available in paperback has served as a successful textbook It focuses on the three worlds of biblical interpretation the world of the author the world of the text and the world of the reader to help students develop an integrated hermeneutical strategy The book offers clear explanations of interpretive approaches which are supported by helpful biblical examples and succinct synopses of various interpretive methods Pedagogical aids include end of chapter review and study sections with key terms study questions and suggestions for further reading

**City of Ruins** Dereck Daschke, 2010 This psychoanalytic study reads Jewish apocalypses as texts of mourning for the destruction of Jerusalem arguing that the seers experiences of traumatic loss then visions of healing and recovery all work to achieve the apocalyptic cure for ancient Jewish society

**The God of All Flesh** Walter Brueggeman, 2017-01-26 Biblical faith is passionately and relentlessly material in its emphasis This claim is rooted in the conviction that the creator God loves the creation and summons creation to be in sync with the will of the creator God This collection of essays is focussed on the bodily life of the world as it ordered in all of its problematic political and economic forms The phrase of the title all flesh in the flood narrative of Genesis 9 refers to all living creatures who are in covenant with God human beings animals birds and fish as recipients of God s grace as dependent upon God s generosity and as destined for praise and obedience to God The insistence on the materiality of life as the subject of the Bible means that the difficult issues of economics and the demanding questions of politics are front and centre in the text So the Pentateuch pivots around the Exodus narrative and the emancipation from an unbearable context of abusive labour practices In a similar manner the prophets endlessly address such questions of social policy and the wisdom teachers reflect on how to manage the material things of life and social relationships for the well being of the community This emphasis pervasive in these essays is a powerful alternative and a strong resistance against all of the contemporary efforts to transcend escape the material into some form of the spiritual All around us are efforts to find an easier more harmonious faith This may be evoked simply because of a desire to shield economic political advantage from the inescapable critique of biblical faith Such a temptation is a serious misreading of the Bible and a critical misjudgment about the nature of human existence Thus the Bible addressed the most urgent issues of our day and refuses the religious temptation that avoids lived reality where the power of God is a work

**A Critical History and Philosophy of Psychology** Richard T. G. Walsh, Thomas Teo, Angelina Baydala, 2014-03-20 Presents a fresh perspective that explores the development of psychology as both a human and a natural science

**A Smaller God** Petri Merenlahti, 2014-12-16 The Bible is a perplexing book It blends primitive beliefs with timeless truths swings between compassionate love and ruthless violence and forms a sympathetic heavenly father from the remains of a savage tribal god

What are we to make of it all Petri Merenlahti takes an entertaining journey through biblical literature and returns with an original theology of imperfection Looking at the Bible through the lenses of history culture literature and psychology he calls his readers to let go of an idealized image of the Christian Scriptures and embrace their limited human nature instead This is vital he argues because false idealization and psychological splitting are major sources of religious fanaticism and violence Merenlahti insists that we make a difference between the smaller God of human imagination and the transcendent God that should remain beyond it We will then be rewarded with wisdom instead of fanaticism mercy instead of moralism and peace instead of hatred and guilt

**Heaven, Hell, and the Afterlife** J. Harold Ellens, 2013-07-25 Christianity Islam and Judaism all feature ideas about heaven hell and afterlife and these concepts have evolved over time within these religions This work supplies a detailed and coherent understanding of the broad scope of spiritual thinking in the last 3 000 years within the Abrahamic traditions Heaven Hell and the Afterlife Eternity in Judaism Christianity and Islam provides an all encompassing examination of historic and contemporary perspectives on afterlife in Western religions In these three volumes Judaic Christian and Muslim scholars join forces providing an unprecedented review of their individual faith s traditions Every significant issue and major theme is discussed no controversial topic is avoided From ancient doctrines to modern day outlooks of conservatives progressives and liberals in all three religions all are analyzed and presented here The framework of the volumes underscores how the ethics and concepts of eternity in the Western action religions contrast with Eastern religions that tend to be characterized as passive or withdrawal religions in their ethics and their notions of afterlife as absorption within universal spirit Nirvana or nonexistence This work is well suited for undergraduate and graduate students general readers interested in religion and professional scholars particularly those in fields corollary to religious study

**Explaining Evil** J. Harold Ellens, 2011-02-18 In this three volume set international scholars from across a broad spectrum of scholarly fields examine the concept of evil throughout history and world cultures from religious scientific psychological and political perspectives The manifestation of evil has provided a convenient theme for popular culture entertainment ranging from the classic film The Exorcist to almost all of Stephen King s horror novels to video games such as Resident Evil Unfortunately dealing with and attempting to overcome the forces of evil is a pervasive problem in the real world as well Explaining Evil addresses incidents of evil from ancient times to modern day around the globe Concepts of evil within the big three religions Christianity Judaism and Islam are examined as well as in Chinese philosophy and Native American beliefs The political or national expressions of evil are explored such as the axis of evil that culminated in World War II These volumes identify the causes and effects of evil and suggest possible remedies to humanity s inescapable flaw

**Levinas Faces Biblical Figures** Yael Lin, 2014-03-20 This collection of essays is an attempt to capture the drama of the encounter of the facing of Levinas and the biblical text It seeks to link Jewish experience and Levinasian themes such as responsibility substitution hospitality suffering and forgiveness and at the same time make the biblical text accessible in a

new way The book offers new insights on the opening up of Levinas's thought and biblical stories to one another it considers the ways in which Levinas can open up the biblical text to questioning and how the biblical text can inform our reading of Levinas Setting up in dialogue the heteronomic texts the narrative texts of the bible and Levinas's philosophical texts allows an enforced and renewed understanding of both The examination of these issues is pursued from diverse perspectives and disciplines probing the role biblical figures play in Levinas's thought and the manner by which to approach them Do the biblical allusions serve in Levinas's thought merely as a rhetorical and literary device as illustrations of his ideas or perhaps they have a deeper philosophical meaning which contributes to his project in general Do the references to biblical figures work in Levinas's philosophy in a way that other literary figures are incapable of and how do these references comply with his conflicted attitude towards literature

Psychology for Christian Ministry Rebecca Nye, Sara Savage, Fraser Watts, 2003-09-02 A comprehensive introduction to psychology devised for those training for and working in the clergy Covers social developmental educational occupational and counselling psychology as well as the psychology of religion

*Psychology for Christian Ministry* Fraser N. Watts, Rebecca Nye, Sara B. Savage, 2002 This work is a comprehensive introduction to psychology as it is relevant to those training for and working in the clergy Proceeding from the understanding that psychology is the discipline that illuminates those processes of personal change and growth central to religion the volume ranges over many aspects of the subject covering social developmental educational occupational and counselling psychology as well as the psychology of religion This professional handbook is tailored to meet the specific needs of the Christian ministry as they encounter psychology in their training and their everyday work

**The Captivity of Innocence** Andre LaCocque, 2010-04-02 In this study the third panel of a trilogy on J's tales about evil and innocence in the primeval era the author turns to Genesis 11 1-9 another parable this time on the so called Tower of Babel The Captivity of Innocence analyzes a systemic robotization of society as a way of keeping innocence behind bars contending that innocence never fails to offend never fails to stir envy and hate Here evil is not wrought by an individual like Cain or Lamech but by all the earth so that the summit of evil is now reached before Abraham's breakthrough in Genesis following chapter The present analysis uses a variety of techniques to interpret the biblical text including historical critical literary sociopolitical psychoanalytic and deconstructive approaches The inescapable conclusion is that Babel is the Kafkaesque image of our world and is a powerful paradigm of our hubristic contrivances and constructions Des Tours de Babel says Derrida in order to deny our finiteness Then innocence is trampled upon but it is not overcome Babel Babylon's fate is to crumble down and to bring up from her ashes the Knight of Faith

**Pastor John, Volume II** Brian N. Tebbutt, 2022-01-28 John's Gospel can be both inspiring and bewildering This book enables insight into the Gospel in a fresh way How is it that we respond to it as we do Understanding is enhanced by studying the text and by being aware of the kind of responses we make Reading and working with it will deepen fellowship and skill in pastoral care John's text is mined for gems of insight into ourselves and as a rich resource of

ample illustrative material for preachers and teachers This book elucidates chapters five to nine of the Gospel presenting insights that involve us in the story The content derives from years of teaching John's Gospel in workshops and reflection groups in varying church contexts Guidance is given in working in this way and in how we can share our insights with each other in the light of the text This experience of John's Gospel is illuminated using recent ways of reading What the story means is conveyed in detailed Bible study It becomes real for us How this happens is explored by understanding the process of reading and by observing our reactions to the text John's Christ becomes central to who we are

**The Healing Power of Spirituality** J. Harold Ellens, 2009-12-30 This three volume set addresses how the role of spirituality and its constructive expressions in various religions and outside of formal religion enhances human personality and experience Theologian and acclaimed scholar J Harold Ellens now offers a breakthrough work on the positive impact of faith In The Healing Power of Spirituality and Religion an extraordinary group of scholars discuss the latest scientific research into the connection between belief and psychological and physical well being Each volume of The Healing Power of Spirituality focuses on a specific aspect of the scientific exploration of faith and well being volume one examines the healing power of personal spiritualities like I Ching and Transcendentalism volume two looks at the subject in the context of Christianity Judaism and other world faiths and volume three explores the psychodynamics of healing spirituality and religion including the role of biochemical and chemical reactions in heightening psychospiritual apperception
