## Soul Of Russia:

*The Soul of Russia* Winifred Stephens Whale,1916

**The Slave Soul of Russia** Daniel Rancour-Laferriere,1995-03

Why asks Daniel Rancour Laferriere in this controversial book has Russia been a country of suffering Russian history religion folklore and literature are rife with suffering The plight of Anna Karenina the submissiveness of serfs in the 16th and 17th centuries ancient religious tracts emphasizing humility as the mother of virtues the trauma of the Bolshevik revolution the current economic upheavals wracking the country these are only a few of the symptoms of what The Slave Soul of Russia identifies as a veritable cult of suffering that has been centuries in the making Bringing to light dozens of examples of self defeating activities and behaviors that have become an integral component of the Russian psyche Rancour Laferriere convincingly illustrates how masochism has become a fact of everyday life in Russia Until now much attention has been paid to the psychology of Russia s leaders and their impact on the country s condition Here for the first time is a compelling portrait of the Russian people s psychology

**The Soul of Russia** Cherry Gilchrist,2008-01 In the heart of Russia fairy stories folk art and customs still carry hints of the old ways of perceiving the gods and spirits of home and nature The Russian soul whether in the city or the country remains open to the Slavic way of life and its ancient beliefs Such traditions link human life to the landscape and rhythms of nature in ways that have been lost elsewhere Soul dusha is of prime importance to Russians and not only reigns supreme in their art and culture but is essential to understanding the Russian outlook on the world Many Russians even those trained in modern schools such as archaeologists scientists and doctors are open to embracing this heritage of myth and the mysteries of the universe and include it in their everyday outlook Cherry Gilchrist has visited Russia over fifty times and researched its traditional lore arts and crafts often staying deep in the Russian countryside Weaving her firsthand experience with a thorough knowledge of history and culture she invites us to enter the world of the Russian soul and discover its magic
