Soul Of Wood Other Stories:

Soul of Wood Jakov Lind, 2010-01-05 Soul of Wood made Jakov Lind's reputation as one of the most boldly imaginative postwar writers and it remains his most celebrated achievement. In the title novella and six subsequent stories Lind distorts and refashions reality to make the deepest horrors of the twentieth century his own. Set during World War II, Soul of Wood is the story of Wohlbrecht, a peg-legged veteran of World War I who smuggles Anton Barth, a paralyzed Jewish boy, to a mountain hideout after the boy's parents have been sent to their deaths. Abandoning the helpless boy to the elements, Wohlbrecht returns to Vienna where, having been committed to an insane asylum, he helps the chief psychiatrist to administer lethal injections to other patients. But Germany is collapsing and the war will soon be over. The only way Wohlbrecht realizes that he can evade retribution is by returning to the woods to redeem his hidden Jew. Others, however, have had the same bright idea.

A Schoolboy's Diary and Other Stories Robert Walser, 2013-09-03 A Schoolboy's Diary brings together more than seventy of Robert Walser's strange and wonderful stories, most never before available in English. Opening with a sequence from Walser's first book, Fritz Kocher's Essays, the complete classroom assignments of a fictional boy who has met a tragically early death, this selection ranges from sketches of uncomprehending editors, overly passionate readers, and dreamy artists to tales of devilish adultery, sexual encounters on a train, and Walser's service in World War I. Throughout, Walser's careening, confounding, delicious voice holds the reader transfixed.

The Mangan Inheritance Brian Moore, 2011-08-09 Not so long ago James Mangan was a brilliant young poet. These days, however, he toils as a journalist and shivers in the shadow of his glamorous movie star wife. And now she has left him for her lover. Adrift and depressed, Jamie takes refuge with his father in whose house he turns up a 19th-century daguerreotype bearing the initials J. M. and depicting a man who, as it happens, is Jamie's spitting image. Could this be the only existing photograph of his purported ancestor, the legendarily dissolute Irish poet James Clarence Mangan? Obsessed by this strange resemblance and aided by an unexpected financial windfall, Jamie heads to Ireland, thinking at last to discover that elusive entity himself. Instead, in the dreary coastal village of Drishane, he meets the Mangans' derelict, Eileen, sullen, Dinny, drunken, and shrunken; Conor, and the sexy and very available Kathleen. They know something, for sure, something to do with Jamie, and something they don't want him to find out. The Mangan Inheritance is melodrama at its most inventive and suggestive, an inquiry into the problem of identity and the nature of ancestry that beguiles the reader with dark deeds, wild humor, and weird goings-on on its way towards a shocking and terrifying and utterly satisfying conclusion.

American Bandstand John A. Jackson, 1999 Based on extensive interviews with dozens of photographers, this is a riveting and uncensored account of a show that managed to survive countless revolutions in popular music.

Admitting the Holocaust Lawrence L. Langer, 1996-06-20 In the face of the Holocaust, writes Lawrence L. Langer, our age clings to the stable relics of faded eras as if ideas like natural innocence, innate dignity, the inviolable spirit, and the triumph of art over reality were immured in some kind of immortal shrine, immune to the ravages of

history and time But these ideas have been ravaged and in *Admitting the Holocaust* Langer presents a series of essays that represent his effort over nearly a decade to wrestle with this rupture in human values and to see the Holocaust as it really was His vision is necessarily dark but he does not see the Holocaust as a warrant for futility or as a witness to the death of hope It is a summons to reconsider our values and rethink what it means to be a human being These penetrating and often gripping essays cover a wide range of issues from the Holocaust's relation to time and memory to its portrayal in literature to its use and abuse by culture to its role in reshaping our sense of history's legacy In many Langer examines the ways in which accounts of the Holocaust in history literature film and theology have extended and sometimes limited our insight into an event that is often said to defy understanding itself He singles out Cynthia Ozick as one of the few American writers who can meet the challenge of imagining mass murder without flinching and who can distinguish between myth and truth On the other hand he finds Bernard Malamud's literary treatment of the Holocaust never entirely successful it seems to have been a threat to Malamud's vision of man's basic dignity and he argues that William Styron's portrayal of the commandant of Auschwitz in *Sophie's Choice* pushed Nazi violence to the periphery of the novel where it disturbed neither the author nor his readers He is especially acute in his discussion of the language used to describe the Holocaust arguing that much of it is used to console rather than to confront He notes that when we speak of the survivor instead of the victim of martyrdom instead of murder regard being gassed as dying with dignity or evoke the redemptive rather than grievous power of memory we draw on an arsenal of words that tends to build verbal fences between what we are mentally willing or able to face and the harrowing reality of the camps and ghettos A respected Holocaust scholar and author of *Holocaust Testimonies The Ruins of Memory* winner of the 1991 National Book Critics Circle Award for criticism Langer offers a view of this catastrophe that is candid and disturbing and yet hopeful in its belief that the testimony of witnesses in diaries journals memoirs and on videotape and the unflinching imagination of literary artists can still offer us access to one of the darkest episodes in the twentieth century

Walkabout James Vance Marshall, 2012-01-17 A plane crashes in the vast Northern Territory of Australia and the only survivors are two children from Charleston South Carolina on their way to visit their uncle in Adelaide Mary and her younger brother Peter set out on foot lost in the vast hot Australian outback They are saved by a chance meeting with an unnamed Aboriginal boy on *walkabout* He looks after the two strange white children and shows them how to find food and water in the wilderness and yet for all that Mary is filled with distrust On the surface *Walkabout* is an adventure story but darker themes lie beneath Peter's innocent friendship with the boy met in the desert throws into relief Mary's half adult anxieties and the book as a whole raises questions about what is lost and may be saved when different worlds meet And in reading Marshall's extraordinary evocations of the beautiful yet forbidding landscape of the Australian desert perhaps the most striking presence of all in this small perfect book we realize that this tale a deep yet disturbing story in the spirit of Adalbert Stifter's *Rock Crystal* and Richard Hughes's *A High Wind in Jamaica* is also a reckoning with the
