Department of Bibliography,1978-11 *Your Soul - Past, Present and Future* Leslie McIntosh,2014-07-15 I wrote this book for anyone who wishes to know more about Hypnosis Past Lives Future Lives and my exclusive technique called Soul Screening in alternate lifetimes If your Soul has been calling to you then this book may be for you For the Hypnotherapist I have included details on how to use this technique and effectively incorporate it into your practice for the benefit of both you and your clients This book contains actual cases If you are not a Hypnotherapist you will enjoy the awareness and intrigue of the Soul s communications with the Hypnotherapist as the Hypnotherapist is able to help the client permanently clear the issues they presented It will also help you to understand what questions to ask when looking for a Hypnotherapist to help you *Spiritual Journeys* Howard F. Batie,2014-08-11 Although this book is intended to be read by everyone the primary objective of the Spiritual Journeys Program is to provide a very practical and proven methodology for trained Hypnotherapists to significantly accelerate the spiritual development of their clients and to then guide their clients to vividly experience and explore in detail their own personal spiritual and soul level experiences A secondary objective is to provide specific real world examples of the type of spiritual information you can learn about yourself

as a client if you decide to begin your own Spiritual Journeys sessions This book provides a general description of the steps to be taken in providing each Journey to each client as well as extracts from actual sessions from my own clients and students however it does not supply a complete step by step script for guiding them through that Journey It provides a suggested process of what the Hypnotist should do and many clear examples of what you will learn as a client but it does not provide the specific details of how to provide a Spiritual Journeys session to others It is not a do it yourself program for those not trained in hypnotic techniques The Spiritual Journeys Program always begins with three Journeys foundational and necessary individual session that will support the processes of all subsequent Journeys In these three initial sessions you will learn to establish a conscious two way conversational dialog with your own Higher Self and with your personal Spirit Guide Once this basic foundation has been established you are well prepared to begin safely exploring the higher dimensional spiritual realms in one or more of three optional paths of investigation Journeys 4 6 focus on stepping into your own Mastery as an adept Spiritual Healing Facilitator by enlisting the active assistance of the Angelic Kingdom Journeys 7 10 focus on exploring your own previous experiences as a purely spiritual consciousness and Journeys 11 16 focus on researching and learning about nearly any topic you wish to know more about by gaining access to and reading the Universal Akashic Records You may find that this book ignites a deep curiosity and yearning to learn more about your own true spiritual nature If so and you are a Certified Hypnotherapist this book will provide an excellent overview of the objectives and general procedures for providing each Spiritual Journeys session to your clients Details of how to become a Spiritual Journeys Practitioner are on my website go to www.howardbatie.com and view the Spiritual Journeys page If you are not a Hypnotherapist take this entire book to a properly trained Certified Hypnotherapist and ask them to become a Spiritual Journeys Practitioner so they can guide you into your own conscious knowledge of who and what you are as a spiritual being To view a list of qualified and trained Spiritual Journeys Teachers go to www.spiritualjourneying.org or to www.howardbatie.com and view the Spiritual Journeys page I invite the reader to seek out the nearest trained Spiritual Journeys Practitioner and begin your own Spiritual Journeys
