Soul Says On Recent Poetry:

Invisible Terrain Stephen Joseph Ross, 2017 Stephen J Ross examines the concept of nature in the work of John Ashbery Through close readings of Ashbery's poetry and critical prose he reveals Ashbery's work to be a case study of the dramatic transformation of nature in art and literature since World War II **Humanities**, 2002 John Ashbery and You John Emil Vincent, 2007 John Ashbery and You approaches Ashbery's critically neglected recent poetry with an ear to his use of the supremely elastic pronoun you and an eye toward his construction of his books as books Together these devices produce effects new to Ashbery's oeuvre and offer readers new ways in to his work John Ashbery and You argues that starting with April Galleons 1987 and reaching an apex in Your Name Here 2000 the poet has been paying increasingly keen and affectionate attention to his readers Vincent tracks these techniques but above all offers his readers tools to reapproach a dauntingly difficult body of work Some critics have suggested that Ashbery is producing books too quickly for criticism to keep up or that the later books represent as Vincent summarizes it a kind of logorrhea and therefore don't really register as separate events as much as episodic eruptions of one big volcano which is the Later Ashbery Vincent contends that critics are not keeping up with Ashbery not so much because it is all of a piece but rather because his work varies so much from volume to volume Each of the volumes from the latter part of Ashbery's career represents an individual and different poetic project depending precisely on the unit of the book to produce its effects By showing us that the entry point to Ashbery is not any given individual poem within a volume but the entire volume Vincent gives us a new and productive approach to reading the recent work of one of our most challenging poets **The Transatlantic Eco-Romanticism of Gary Snyder** Paige Tovey, 2013-12-18 Tracing connections between Gary Snyder and his Romantic and Transcendentalist predecessors Wordsworth Blake Emerson Whitman and Thoreau this study explores the tension between urbanization and overindustrialization The dialectical relationship between Snyder and his predecessors reminds readers that nature is never a simple concept **The Great William** Theodore Leinwand, 2016-05-02 A unique literary journey through seven great writers responses to Shakespeare including Virginia Woolf Allen Ginsberg John Keats and more No writer in the Western canon has been more influential on subsequent generations of writers than William Shakespeare In The Great William Theodore Leinwand explores how seven renowned writers Samuel Taylor Coleridge John Keats Virginia Woolf Charles Olson John Berryman Allen Ginsberg and Ted Hughes wrestled with this literary titan What emerges is a constellation of remarkable intellectual and emotional encounters Theodore Leinwand builds impressively detailed accounts of these writers experiences through their marginalia lectures letters journals and reading notes We learn why Woolf associated reading Shakespeare with her brother Thoby and what Ginsberg meant when referring to the mouth feel of Shakespeare's verse From Hughes's attempts to find a skeleton key to all of Shakespeare's plays to Berryman's tormented efforts editing King Lear Leinwand reveals the palpable energy and conviction with which these very different writers engaged with Shakespeare

In uncovering these public and private reactions The Great William reveals the inspired insights intense vexations and profound admiration these writers experienced while reading Shakespeare A CHOICE Outstanding Academic Title Award winner A World of Local Voices Klaus Martens,Paul Duncan Morris,Arlette Warken,2003 The present volume contains papers and poems presented at Saarland University s international conference A World of Local Voices Poetry in English Today October 22 23 1999 and the Day of International Poetry October 24 1999 both organised by the university s Department of North American Literature and Culture The conference set out to explore how the modernist tendency towards overarching concepts and a poetry of ideas is slowly being superseded by a more modest poetry of place which at the same time seems to be loosely subsumed within the unifying medium of English in its various forms The Day of International Poetry was meant to put into operation some of the poetic issues discussed during the conference by asking poets from several English speaking countries Canada India Jamaica and the USA to contribute their individual voices to an international reading of poetry This volume comprises critical contributions which deal with the interplay of aesthetic cultural and political forces in contemporary poetry The common reference of this collection is poetry written in varieties of the English language including translations The essays show awareness of the current critical debates concerning postcolonialism and intercultural literary relations while also suggesting new paradigms of critical understanding based on the analyses of individual poetic expression As a supplement selected poets and translators have submitted individual poetic texts with accompanying commentaries

John Ashbery and Anglo-American Exchange Oli Hazzard,2018-06-13 In 1966 John Ashbery wrote The English language is constantly trying to stave off invasion by the American language it lives in a state of alert which is reflected to some degree in English poetry This book shows how the work of a major post war American poet has been centrally concerned with questions of national identity and intercultural poetic exchange by reading crucial episodes in Ashbery s oeuvre in the context of an other tradition of modern English poets he himself has defined This line runs from the editor of Ashbery s recent Collected Poems Mark Ford through Lee Harwood in the late 1960s F T Prince in the 1950s to chronologically the first and therefore most important influence on his own work W H Auden Through detailed close readings of the poetry of Ashbery and these English poets original interviews and extensive archival research a new account of Ashbery s aesthetic and a significant re mapping of post war English poetry is presented The biographical slant of the book is highly significant as it reads these writers poetry and correspondence together for the first time suggesting how major poetic innovations arose from specific social contexts from the particulars of relations between poets and also from a broader climate of Anglo American exchange as registered by each poet The book s presentation of the process of poetic influence is attentive to actual exchanges between contemporaries as evidenced in correspondence as opposed to speculative relationships with dominant figures and as such represents a departure from many other studies of Ashbery s work Key themes include Englishness as a national imaginary the concept of the minor reciprocal influence and

the poetry of coteries The result is that both Ashbery himself and the landscape of post war English poetry are presented in significantly new lights

Form and Transformation in Asian American Literature Xiaojing Zhou, Samina Najmi, 2011-07-01 This critical anthology draws on current theoretical movements to examine the breadth of Asian American literature from the earliest to the most recent writers Covering fiction essays poetry short stories ethnography and autobiography **Form and Transformation in Asian American Literature** advances the development of a theoretically informed historically and culturally specific methodology for studying this increasingly complex field The essays in this anthology probe into hotly debated issues as well as understudied topics including the relations between Asian American and other minority American writings

Traveling Texts and the Work of Afro-Japanese Cultural Production William H. Bridges IV, Nina Cornyetz, 2015-06-24 Traveling Texts and the Work of Afro Japanese Cultural Production analyzes the complex conversations taking place in texts of all sorts traveling between Africans African Diasporas and Japanese across disciplinary geographic racial ethnic linguistic and cultural borders Be it focused on the make up of the blackface ganguro or the haiku of Richard Wright Rastafari communities in Japan or the black enka singer Jero the volume turns its attention away from questions of representation to ones concerning the generative aspects of transcultural production The contributors are interested primarily in texts in motion the contradictory motion within texts the traveling of texts and the action that such kinetic energy inspires in readers viewers listeners and travelers As our texts travel and travail the originary nodal points that anchor them to set significations loosen and are transformed the essays trace how in the process of traveling the bodies and subjectivities of those working to reimagine the text s in new sites moderate accommodate and transfigure both the texts and themselves

Reading Error Nerys Williams, 2007 This work considers the development of the lyric form in recent American poetry of the past three decades By concentrating on the writing of Charles Bernstein Michael Palmer and Lyn Hejinian the author considers the attempts of contemporary poetry to problematise the identification of the lyric as a static model of subjectivity

Contemporary Poets Harold Bloom, 2010 From the modernist explorations of the first half of the 20th century to the diverse styles and practitioners of the 21st century contemporary American poetry has forged a vital and enduring tradition This volume explores the genre s recent history and development as succeeding generations of poets have taken up the American idiom and molded it into their own unique modes of expression This new edition explores contemporary poetry through a selection of critical essays and also features an introductory essay by esteemed professor Harold Bloom

Allen Ginsberg's Buddhist Poetics Tony Trigilio, 2007 Publisher description **Gary Snyder and the Pacific Rim** Timothy Gray, 2006-10 In *Gary Snyder and the Pacific Rim* Timothy Gray draws upon previously unpublished journals and letters as well as his own close readings of Gary Snyder s well crafted poetry and prose to track the early career

of a maverick intellectual whose writings powered the San Francisco Renaissance of the 1950s and 1960s Exploring various aspects of cultural geography Gray asserts that this west coast literary community seized upon the idea of a Pacific Rim regional structure in part to recognize their Orientalist desires and in part to consolidate their opposition to America's cold war ideology which tended to divide East from West The geographical consciousness of Snyder's writing was particularly influential Gray argues because it gave San Francisco's Beat and hippie cultures a set of physical coordinates by which they could chart their utopian visions of peace and love Gray's introduction tracks the increased use of Pacific Rim discourse by politicians and business leaders following World War II Ensuing chapters analyze Snyder's countercultural invocation of this regional idea concentrating on the poet's migratory or creaturely sensibility his gift for literary translation his physical embodiment of trans-Pacific ideals his role as tribal spokesperson for Haight Ashbury hippies and his burgeoning interest in environmental issues Throughout Gray's citations of such writers as Allen Ginsberg Philip Whalen and Joanne Kyger shed light on Snyder's communal role providing an amazingly intimate portrait of the west coast counterculture An interdisciplinary project that utilizes models of ecology sociology and comparative religion to supplement traditional methods of literary biography Gary Snyder and the Pacific Rim offers a unique perspective on Snyder's life and work This book will fascinate literary and Asian studies scholars as well as the general reader interested in the Beat movement and multicultural influences on poetry

Emerson, Romanticism, and Intuitive Reason Patrick J. Keane, 2005 Comparative study in transatlantic Romanticism that traces the links between German idealism British Romanticism Wordsworth Coleridge Carlyle and American Transcendentalism Focuses on Emerson's development and use of the concept of intuitive Reason which became the intellectual and emotional foundation of American Transcendentalism Provided by publisher

Overheard Voices Ann Keniston, 2006-01-20 Overheard Voices examines poetic address and in particular apostrophe the address of absent or inanimate others in the work of four post World War II American poets with a focus on loss desire figuration audience and subjectivity By approaching these crucial issues from an unexpected angle through a study of the seldom examined lyric you Overheard Voices offers new insight into both contemporary lyric and the lyric genre more generally The book offers detailed readings of Sylvia Plath James Merrill Louise Glück and Frank Bidart

American Literature's Aesthetic Dimensions Cindy Weinstein, Christopher Looby, 2012 Rethinking the category of aesthetics in light of recent developments in literary theory and social criticism the contributors to this volume showcase the interpretive possibilities available to those who bring politics culture ideology and conceptions of identity into their critiques Essays combine close readings of individual works and authors with more theoretical discussions of aesthetic theory and its relation to American literature In their introduction Weinstein and Looby argue that aesthetics never left American literary critique Instead the essay casts the current return to aesthetics as the natural consequence of shortcomings in deconstruction and new historicism which led to a reconfiguration of aesthetics Subsequent essays demonstrate the value and versatility of aesthetic

considerations in literature from eighteenth century poetry to twentieth century popular music Organized into four groups politics form gender and theory contributors revisit the canonical works of Henry James Nathaniel Hawthorne and Stephen Crane introduce the overlooked texts of Constance Fenimore Woolson and Earl Lind and unpack the complexities of the music of The Carpenters Deeply rooted in an American context these essays explore literature s aesthetic dimensions in connection to American liberty and the formation of political selfhood Contributors include Edward Cahill Ivy G Wilson June Ellison Dorri Beam Christopher Castiglia Christopher Looby Wendy Steiner Cindy Weinstein Trish Loughran Jonathan Freedman Elisa New Dorothy Hale Mary Esteve Eric Lott Sianne Ngai The Classics in Modernist Translation Lynn Kozak, Miranda Hickman, 2019-02-07 This volume sheds new light on a wealth of early 20th century engagement with literature of Graeco Roman antiquity that significantly shaped the work of anglophone literary modernism The essays spotlight translation a concept the modernists themselves used to reckon with the Classics and to denote a range of different kinds of reception from more literal to more liberal translation work as well as forms of what contemporary reception studies would term adaptation refiguration and intervention As the volume s essays reveal modernist translations of Classical texts crucially informed the innovations of many modernists and often themselves constituted modernist literary projects Thus the volume responds to gaps in both Classical reception and Modernist studies essays treat a comparatively understudied area in Classical reception by reviving work in a subfield of Modernist studies relatively inactive in recent decades but enjoying renewed attention through the recent work of contributors to this volume The volume s essays address work significantly informed by Classical materials including Homer Sophocles Euripides Sappho Ovid and Propertius and approach a range of modernist writers Pound and H D among the modernists best known for work engaging the Classics as well as Cummings Eliot Joyce Laura Riding and Yeats **Selected Poems of James Merrill** James Merrill, 2008-10-28 This volume brings together the best of Merrill and dazzles at every turn This balanced and compact selection will be an ideal introduction to his work for both students and general readers and an instant favorite among his familiars James Merrill himself once called his body of work chronicles of love and loss and in twenty books written over four decades he used the details of his own life comic and haunting exotic and domestic to shape a portrait that in turn mirrored the image of our world and our moment Includes poems from the domestic rupture of The Broken Home to the universal connections of Lost in Translation from the American storyteller of The Summer People to the ecologically motivated satirist of Self Portrait in a Tyvek™ Windbreaker Log Then when the flame forked like a sudden path I gasped and stumbled and was less Density pulsing upward gauze of ash Dear light along the way to nothingness What could be made of you but light and this **Lyric Eye** Tyne Daile Sumner, 2021-08-05 Lyric Eye The Poetics of Twentieth Century Surveillance presents the first detailed study of the relationship between poetry and surveillance It critically examines the close connection between American lyric poetry and a burgeoning US state surveillance apparatus from 1920 to the 1960s The book explores the myriad ways that poets Ezra
