**The City of Living Soul, Discovered in a Dream** James E. Ellison, 1887      The Dream of the Soul and Other Poems Alfred Bate Richards, 1848      *Soul Sister* Sereena Nightshade, 2014-04-22 Soul Sister is a softer version of The Killing Fields created by popular fan base demand Soul Sister thus contains many of the poems from The Killing Fields as well as some additional never before shared poetry from the time frame of the years this writer was mercilessly stalked and an objectified being caught within the tug of war between the predator The One from Afar the primary adult human co victim the local police force in their ineffectiveness made shockingly worse once a callous clueless seemingly chauvinistic spiteful and sometimes emotionally irrational detective was placed on the case and the many helpless oftentimes cages tame animal victims the predator went after in endless compulsive repetitions through the years spanning from October 1999 to the summer of 2004 This was the world of this writers nightmarish drafted status losing the right to be a mere human with human feelings wants and needs It was also the backdrop for the Black Market style beauty contest and dating winner gets the fantastical prize game put forth by The One From Afar in the middle of The Killing Fields of the stalkers design from 1999 to mid 2003 In mid 2003 The One From Afar married his true deceiver and vanished from the picture blatantly leaving Sereena Nightshade to die That final phase in the full range tug of war indicated clearly that Nightshade was left to whatever fate may occur including one of being further hunted stalked kidnapped and at some point tortured repeatedly raped and murdered since she held no value to the only person who seemed fictitiously to care about her at the time This was the reality of The Killing Fields One stalker terrorizing running endless surveillance tampering with torturing murdering animals when he didnt mess up likely on purpose leaving them to suffer until his primary human victim had to clean up after his mistakes One fool allegedly looking for love or reportedly in love with Nightshade One primary adult human co victim who was hapless and hopeless One police detective who didnt give a darn And all of the many innocent defenseless victims caught in the middle of this whirl in the stalkers predatory realm This scenario or many components of it are not entirely rare for stalking victims as the presence of a stalker isolates the victim and narrows her world until there is almost nothing left no contacts no friends no support system while she must become a soldier despite the inhumane senseless of it all it so continues      *How to Achieve the "American Dream" - Without Losing Your Latin Soul!* Don Daniel Ortiz, 2013-04-18 Many Latinos have a deep desire to achieve the American Dream to attain success and discover their life purpose Yet in the pursuit of these elusive goals many end up merely Keeping up with the Joneses or realize too late that the ladder of success they are climbing is leaning against the wrong wall Now in How to Achieve the American Dream Without Losing Your Latin Soul author and Americas 1 Latino Success Coach Don Daniel Ortiz shows readers of all backgrounds that not only is reaching your American Dream possible he also reveals a secret path hidden in the stories of ancient mythology that will lead you directly to the achievement of your deepest desire your highest hopes and personal fulfillment In How to Achieve the American Dream
