5 Soul Care & Soul Cure James V. Potter, Ph.d., Paula M. Potter MA, Paula M. Potter, 2013-07 Man's soul is priceless of value beyond measure so valuable only God's first beloved son could redeem his fallen brothers and sisters which he did through the Atonement A great deal has been taught within the Body of Christ regarding our need to crucify the flesh and to live and walk in the spirit but little has been taught about one's responsibility concerning their soul The need purpose goals and objectives of soul care and soul cure are far too often overlooked or misunderstood In nine chapters this book both reveals God's design for soul care and cure it provides a pattern for developing church and community based Pastoral Care Ministries which through a discipleship model can help transform souls into God's model for humanity It is a pattern that is

both therapeutically efficacious and soul winning Soul Care it reveals God's plan for the care cure and transformation of man's soul It sets forth a plan which integrates the principles of biblical theology and effective practices of psychology holding true to the tenets of each a model of integrative soul care cure Soul Care Soul Cure is an essential tool for pastors chaplains counselors Christian workers counseling students and all who are interested in the care cure and transformation of man's soul

Soul Care Carolyn J. Sweers, 2017-04-10 Soul care said Socrates was the most important activity a human could do It was far more important than such common human concerns as the desire for money or honor likes on Facebook Socrates demonstrated by example what he meant by soul care 1 a realistic attitude about death 2 the importance of an examined life 3 recognition of the limits of human understanding and 4 the responsibility of being a good citizen As this book tries to show these Socratic themes are very similar to the three Lenten practices fasting almsgiving and prayer Lent begins on Ash Wednesday a stark reminder of mortality and the importance of focusing on things that really matter Fasting though traditionally associated with food has a broader meaning of refraining from any and all impediments to spiritual development Almsgiving is a practice made necessary by the interconnectedness of the human community Prayer is the practice of recognizing what I call the framing Mystery of our lives Though nothing in the book is inconsistent with the Christian practices as I have understood and lived them the intent of the book is to describe the essentials of soul care in such a way as to engage the reader It is hoped that this engagement will lead to the sort of examined life that Socrates said was so essential Come See for yourself

Dreaming the Land Friedrich Schweitzer, International Academy of Practical Theology. Meeting, 2007 Dreaming the Land Theologies of Resistance and Hope is a theme that testifies to the contextual nature of practical theology This present volume contains a collection of essays with international contributions to practical theology In their original form these essays were presented at the seventh biennial conference of the International Academy of Practical Theology IAPT held at Brisbane Australia in June 2005 The dreaming and the land are both concepts central to the thinking of the aboriginal peoples of Australia The dreaming encompasses the creative and life giving forces which govern and express the lifeworld of these same people while the land is sacred space where the spirits of the ancestors of all human plant and animal life are represented The theme is the common thread in the first part of the book Here the search for Theologies of Resistance and Hope is related to experiences in the southern hemisphere to issues of the land as a concept for practical theology and to questions of human rights
