Soul Friend Spiritual Direction In The Modern World:

Soul Friend Kenneth Leech,2001-07 Explores the range of issues that concern both directors and those who seek direction the history of spiritual direction the relationship between director and directee the practice of prayer in the Christian spiritual tradition and the role of the spiritual director not just for the individual but in the larger society

Dissident Women, Beguines, and the Quest for Spiritual Authority Catherine Lambert,2024-11-12 Dissident Women Beguines and the Quest for Spiritual Authority focuses on the responses of a group of twenty first century women to the lives and writings of thirteenth century beguine mystics and reveals how the struggle to discover their own inner spiritual authority connects two groups of women across centuries For contemporary women who are disenchanted with the institutional church and who seek spiritual direction models deeply rooted within the tradition may not be the most helpful The author explores the value of exemplars from the fringes ushering Hadewijch of Brabant Mechthild of Magdeburg and Marguerite Porete into the spotlight The contemporary women studied developed a relationship with the beguines that transformed and influenced their own journeys Their encounters underline the importance of remembering the beguine mystics the value of contemplative engagement with historical mystics and the need for explicit validation of the richness of the edges of tradition within spiritual direction Dissident Women Beguines and the Quest for Spiritual Authority will be of particular interest to scholars of mysticism and spirituality as well as practical pastoral and feminist theology **Spiritual**

Direction Sue Pickering,2014-09-16 Spiritual direction has been an intrinsic part of the Christian tradition since the earliest days of the church when desert mothers and fathers were sought out for their wisdom and guidance This guide aims to equip clergy and laity engaged in this task or in training for it **Secularism and the Pursuit of Transcendence, Volume I**

Stanley E. Porter,Wendy J. Porter,2025-02-20 We live in a secular age or so we have been told Nevertheless the Christian church strongly believes that we still experience and in fact are surrounded by acts of transcendence encounters with God that often defy imagination and explanation And yet we do try to explain such phenomena whether theologically experientially biblically historically philosophically literarily or even or especially artistically These two volumes are more than just papers from a major conference on secularism and the pursuit of transcendence held at McMaster Divinity College in Hamilton Ontario They contain genuine attempts by people deeply engaged with their secular surroundings to explain what we mean by transcendence Transcendence has been a longstanding topic among the best thinkers of this and previous ages and the same is true for these volumes which include contributions by Charles Taylor Robert Wuthnow Merold Westphal and Christina Gschwandtner but also by a wide range of others who address the question from divergent vantage points The responses vary as much as the orientations of those involved in the pursuit of defining not only what it means to live in our secular age but to be involved in the pursuit of transcendence or even to perceive the Transcendent s pursuit of us

Making Confession, Hearing Confession Annemarie S. Kidder, 2010-03-01 Is confession obsolete Far from it Annemarie Kidder has learned At unexpected times and in unexpected places we hear the confession of a friend or a perfect stranger at crucial times in our lives we tend to unburden ourselves of matters that trouble our conscience While some churches offer opportunities for sacramental confession others provide counseling outside the sacramental framework Some confessional practices have been secularized as in psychotherapy and professional counseling others find expression in evangelistic crusades and Christian 12 step programs Meanwhile the scope of confessors has widened to include men and women religious and lay spiritual directors Addressing this broad audience Kidder reviews the origins and history of confession from biblical times to the early modern era examines contemporary practices of confession penance and spiritual direction that have emerged in the twentieth century and offers practical considerations for evaluating and improving one's own practice either as confessor or penitent Readers will be grateful for this concise historical overview of confession and Kidder's assurance that despite its undervalued or misunderstood practice this cure of souls is anything but obsolete

The Monkhood of All Believers Greg Peters,2018-11-06 Although the institution of monasticism has existed in the Christian church since the first century it is often misunderstood Greg Peters an expert in monastic studies reintroduces historic monasticism to the Protestant church articulating a monastic spirituality for all believers As Peters explains what we have known as monasticism for the past 1 500 years is actually a modified version of the earliest monastic life which was not necessarily characterized by poverty chastity and obedience but rather by one s single minded focus on God a single mindedness rooted in one s baptismal vows and the priesthood of all believers Peters argues that all monks are Christians but all Christians are also monks To be a monk one must first and

foremost be singled minded toward God This book presents a theology of monasticism for the whole church offering a vision of Christian spirituality that brings together important elements of history and practice The author connects monasticism to movements in contemporary spiritual formation helping readers understand how monastic practices can be a resource for exploring a robust spiritual life
