Soul Harvest The World Takes Sides

William Powell Tuck

Soul Harvest The World Takes Sides:

Soul Harvest Tim LaHaye, Jerry B. Jenkins, 2011-03-16 Pilot Rayford Steele and reporter Buck Williams begin searching for their loved ones after the global earthquake in the twenty first month of the Tribulation **Soul Harvest: the World Takes Sides: Book 4 in Left Behind Series** Tim LaHaye, 1998 *Soul Harvest* Tim LaHaye, 2014-12 *Soul Harvest* Tim F. LaHaye, 1998 *Encyclopedia of American Popular Fiction* Geoff Hamilton, Brian Jones, 2015-04-22 Provides information on American authors and their works who have been ignored by most literary guides *The New Brothers Grimm and Their Left Behind Fairy Tales* David T. Morgan, 2006 The New Brother s Grimm examines the twelve volumes of the very popular Left Behind series by Tim LaHaye and Jerry B Jenkins relating the story and the theological arguments of each book and then challenging those arguments One of the centerpieces of their interpretation of the Bible is that the church of Christ will be raptured to be with Christ for seven years During that time people who have been left behind will have an opportunity to accept Christ as savior but they will have to pass through the tribulation a time of unimaginable horror with Satan ruling the world At its end Christ will appear with his heavenly army and defeat the forces of Antichrist in the battle of Armageddon After that Christ will establish an earthly kingdom lasting exactly 1000 years during which Satan will be bound in the bottomless pit Ultimately the author suggests that the theological premises set forth in the series are at best dubious and at worst theological snake oil **Evangelical America** Timothy J. Demy, Paul R. Shockley Ph.D., 2017-09-21 An essential new reference work for students and general readers interested in the history dynamics and influence of evangelicalism in recent American history politics and culture What makes evangelical or born again Christians different from those who identify themselves more simply as Christian What percentage of Americans believe in the Rapture How are evangelicalism and Baptism similar What is the influence of evangelical religions on U S politics Readers of Evangelical America An Encyclopedia of Contemporary American Religious Culture will learn the answers to these questions and many more through this single volume work s coverage of the many dimensions of and diversity within evangelicalism and through its documentation of the specific contributions evangelicals have made in American society and culture It also illustrates the Evangelical movement s influence internationally in key issues such as human rights environmentalism and gender and sexuality *The Paranoid Apocalypse* Richard Landes, Steven T. Katz, 2012 This text re examines The Protocols of the Elders of Zion s popularity investigating why it has persisted as well as larger questions about the success of conspiracy theories even in the face of claims that they are blatantly counterfactual and irrational *The Left Behind Fantasy* William Powell Tuck, 2010-02-18 The popular Left Behind series by Tim LaHaye and Jerry Jenkins has sold more than 62 million copies since the first volume appeared in 1995 Jerry Falwell pronounced it the most important series of books in the history of modern Christianity Many readers have assumed it gives the true facts about the way the world will end and what will happen to all the people in it But according to real biblical scholarship this series is seriously flawed Based on a misreading of many

scriptures including Daniel and the Book of Revelation it has fed a kind of hysteria in the Christian populace that has led many people to reorder their existence in expectation of an impending doom and the sudden unexpected return of Jesus In this book William Powell Tuck carefully and authoritatively refutes the premises and faulty theology of the Left Behind books critiquing them in the light of genuine biblical scholarship and common sense **Babylon Under Western Eyes** Andrew Scheil,2016-05-09 Babylon under Western Eyes examines the mythic legacy of ancient Babylon the Near Eastern city which has served western culture as a metaphor for power luxury and exotic magnificence for more than two thousand years Sifting through the many references to Babylon in biblical classical medieval and modern texts Andrew Scheil uses Babylon s remarkable literary ubiquity as the foundation for a thorough analysis of the dynamics of adaptation and allusion in western literature Touching on everything from Old English poetry to the contemporary apocalyptic fiction of the Left Behind series Scheil outlines how medieval Christian society and its cultural successors have adopted Babylon as a political metaphor a degenerate archetype and a place associated with the sublime Combining remarkable erudition with a clear and accessible style Babylon under Western Eyes is the first comprehensive examination of Babylon s significance within the pantheon of western literature and a testimonial to the continuing influence of biblical classical and medieval paradigms in modern culture *Impeachable Offense* Neesa Hart,2004 Four friends strengthen their bonds of faith with their recognition of Nicolae Carpathia s role as the Antichrist and they are forced to deal emotionally and spiritually with the world around them

End of State Neesa Hart,2003 This is the first book in a new Left Behind political thriller series that combines the Left Behind universe with the immediacy of West Wing style political thrills **The Apocalypse Is Everywhere** Anne Rehill,2009-11-12 This wide ranging exploration of the apocalypse in Western culture seeks to understand how we have come to be so preoccupied with spectacular visions of our own annihilation offering abundant examples of the changing nature of our imagined destruction and predisposing readers to discover many more all around them The Apocalypse Is Everywhere A Popular History of America s Favorite Nightmare explores why apocalyptic thinking exists how it has been manifested in Western culture through the ages and how it has woven itself so thoroughly into our popular culture today Beginning with contemporary apocalyptic expressions the book demonstrates how surprisingly widespread they are It then discusses how we inherited them and where they arose Author Annie Rehill surveys the ancient belief systems from which Christianity evolved including ancient Judaism and other faiths She explores the vision outlined in the Book of Revelation and traces the apocalyptic thread through the Middle Ages across the Reformation and Enlightenment and to the Americas Finally to prove that the Apocalypse is indeed everywhere Rehill returns to the present to consider the idea of apocalypse as it occurs in movies books comics and graphic novels games music and art as well as in televangelism and even presidential speeches Her fascinating scholarship will surely have readers looking about them with new eyes **Reading Religion in Text and Context** Peter Collins,2017-05-15 To what extent is religion inherently textual What might the term textual mean in relation

to religious faith and practice These are the two key questions addressed by the eleven thought provoking essays collected in this volume Accounts of the content and structure of sacred texts are commonplace The rather more adventurous aim of this book is to disclose within the context of religion the various ways in which meaning can be read of more or less obviously sacred writing and from discourses such as the body the built and natural environment drama and ritual

Rapture Culture Amy Johnson Frykholm, 2004-03-04 In the twinkling of an eye Jesus secretly returns to earth and gathers to him all believers As they are taken to heaven the world they leave behind is plunged into chaos Cars and airplanes crash and people search in vain for loved ones Plagues famine and suffering follow The antichrist emerges to rule the world and to destroy those who oppose him Finally Christ comes again in glory defeats the antichrist and reigns over the earth This apocalyptic scenario is anticipated by millions of Americans These millions have made the Left Behind series novels that depict the rapture and apocalypse perennial bestsellers with over 40 million copies now in print In Rapture Culture Amy Johnson Frykholm explores this remarkable phenomenon seeking to understand why American evangelicals find the idea of the rapture so compelling What is the secret behind the remarkable popularity of the apocalyptic genre One answer she argues is that the books provide a sense of identification and communal belonging that counters the social atomization that characterizes modern life This also helps explain why they appeal to female readers despite the deeply patriarchal worldview they promote Tracing the evolution of the genre of rapture fiction Frykholm notes that at one time such narratives expressed a sense of alienation from modern life and protest against the loss of tradition and the marginalization of conservative religious views Now however evangelicalism's renewed popular appeal has rendered such themes obsolete Left Behind evinces a new embrace of technology and consumer goods as tools for God's work while retaining a protest against modernity's transformation of traditional family life Drawing on extensive interviews with readers of the novels Rapture Culture sheds light on a mindset that is little understood and far more common than many of us suppose

Marks of the Beast Glenn W. Shuck, 2005 The Left Behind series by Tim LaHaye and Jerry B Jenkins has become a popular culture phenomenon selling an astonishing 40 million copies to date These novels written by two well known evangelical Christians depict the experiences of those left behind in the aftermath of the Rapture when Christ removes true believers leaving everyone else to suffer seven years of Tribulation under Satan's proxy Antichrist In Marks of the Beast Shuck uncovers the reasons behind the books unprecedented appeal assessing why the novels have achieved a status within the evangelical community even greater than Hal Lindsey's 1970 blockbuster The Late Great Planet Earth It also explores what we can learn from them about evangelical Christianity in America Shuck finds that ironically the series not only reflects contemporary trends within conservative evangelicalism but also encourages readers especially evangelicals to embrace solutions that enact rather than engage their fears Most strikingly he shows how the ultimate vision put forth by the series authors inadvertently undermines itself as the series unfolds

Left Behind Answered Verse by Verse David Reed, 2008-01-01

Will unbelievers and half hearted churchgoers have 7 more years to make up their minds about Christ after He raptures the Church LEFT BEHIND gives them all a second chance But is that what Jesus taught His parables of the talents the wise and foolish virgins the wheat and the tares and the faithful and evil servant all show him returning unexpectedly with both rewards and punishments in his hands Neither the parables nor the plain words of Christ teach a second chance for those surprised by his coming But LEFT BEHIND does Few Christians realize LEFT BEHIND tosses aside the teachings of Luther Calvin Tyndale Wesley Wycliffe and Spurgeon Read dozens of quotes from these and other respected sources that show LEFT BEHIND strays far from the truths Bible readers have understood for centuries Author of JEHOVAH S WITNESSES ANSWERED VERSE BY VERSE and MORMONS ANSWERED VERSE BY VERSE Baker Book House David A Reed is known worldwide as an expert in refuting false prophecy *The Paperback Apocalypse* Robert M. Price,2011-04-26 The great popularity of the Left Behind novels attests to the strong appeal of apocalyptic beliefs in many conservative Christian communities Biblical scholar Price traces the origin and scriptural basis for such beliefs as the Rapture the Second Coming the Antichrist and Messianic prophecy and explains the popularity of the books *Plotting Apocalypse* Jennie Chapman,2013-09-13 It is the not too distant future and the rapture has occurred Every born again Christian on the planet has without prior warning been snatched from the earth to meet Christ in the heavens while all those without the requisite faith have been left behind to suffer the wrath of the Antichrist as the earth enters into its final days This is the premise that animates the enormously popular cultural phenomenon that is the Left Behind series of prophecy novels co written by Tim LaHaye and Jerry Jenkins and published between 1995 and 2007 But these books are more than fiction it is the sincere belief of many evangelicals that these events actually will occur soon *Plotting Apocalypse* delves into the world of rapture prophecy and tribulation in order to account for the extraordinary cultural salience of these books and the impact of the world they project Through penetrating readings of the novels Chapman shows how the series offers a new model of evangelical agency for its readership The novels teach that although believers are incapable of changing the course of a future that has been preordained by God they can become empowered by learning to read the prophetic books of the Bible and the signs of the times correctly Reading and interpretation become key indices of agency in the world that Left Behind limns *Plotting Apocalypse* reveals the significant cultural work that Left Behind performs in developing a counter narrative to the passivity and fatalism that can characterize evangelical prophecy belief Chapman s arguments may bear profound implications for the future of American evangelicalism and its interactions with culture society and politics *Rapture, Revelation, and the End Times* B. Forbes,J. Kilde,2004-06-12 An indispensable exploration of the runaway bestselling series From Left Behind to Glorious Appearing the books in the Left Behind series have sold over 60 000 000 copies worldwide and their popularity continues to grow What makes the books about the apocalypse so popular What is it about the end times that fascinates millions around the globe And what does the Bible really say about the end of the world In *Rapture Revelation and the End*

Times six experts gather to answer these provocative questions and more guiding readers through the different Christian millennialist views and how they developed They explore the historical biblical social and political issues raised by the Left Behind series religious perspective present broad questions that curious readers might ask and encourage us to reflect on the issues the series raises An entertaining and informative book for fans as well as skeptics this is a top notch resource you won t want to be without Rapture Revelation and the End Times answers some of the most often asked questions about this fascinating series of books How popular are the Left Behind books and why What does the Bible say about the end times How did Left Behind s particular vision of the end times develop When do Christians think the end times will happen How are other religions treated in the Left Behind series What social and political messages appear in the Left Behind books This MUST HAVE book also includes a READER S GUIDE with Reader s Group Discussion Questions Full Glossary of Religious Terms Suggestions For Further Reading from a Variety of Perspectives This book has not been approved licensed or sponsored by any of the writers publishers or distributors of the books in the Left Behind series nor by any person or entity involved in the creation production or distribution of any media based on the series
