The Effects of Childhood Abuse and Deprivation

"Superbly...
The reader comes away
with an educated and
informed compassion
for the victims, and a
renewed awareness of
the sometimes subtle
cruelty of abuse in
the mental landscape...
His observations on his
patients... give the
book immense dignity
and beauty."

Soul Murder The Effects Of Childhood Abuse And Depression:

Soul Murder Leonard Shengold, 1991-03-20 The term soul murder was first used to describe the case of Kaspar Hauser the 17 year old boy who had been confined his entire life in a cellar cut off from all communication The term was coined in 1832 but only now has the psychiatric community begun to grapple with its meaning Dr Shengold conveys the true tragedy of soul murder in this first comprehensive account of child abuse and deprivation The Healing Spirit Leo O.

Stossich, 2019-02-26 This book traces the journeys of seven victims of childhood sexual abuse who have experienced recovery through the activity of the Holy Spirit within the context of the local church These recovered victims have been enabled to move beyond the devastation of abuse by others whom they trusted to a place of emotional and psychological stability appropriate sexual intimacy with their spouses and a growing level of spiritual maturity While the Christian community has been slow to grasp the severity and extent of the problem or to provide the healing resources of the gospel some victims have found recovery in local churches The author has undertaken in depth interviews to elicit and explore the narratives of their journeys from woundedness to well being These narratives are an important source of information on the activity of the Holy Spirit in healing While the Spirit is an entity hidden to us the author has explored the experiences of seven recovered victims to disclose meaning for the work of the Spirit in all areas of Christian ministry *Soul Murder* Leonard

Shengold, 1991-03-20 To abuse or neglect a child to deprive the child of his or her own identity and ability to experience joy in life is to commit soul murder Soul murder is the perpetration of brutal or subtle acts against children that result in their emotional bondage to the abuser and finally in their psychic and spiritual annihilation In this compelling disturbing and superbly readable book Dr Leonard Shengold clinical professor of psychiatry at the New York University School of Medicine explores the devastating psychological effects of this trauma inflicted on a shocking number of children Drawing on a lifetime of clinical experience and wide ranging reading in world literature Dr Shengold examines the ravages of soul murder in the adult lives of his patients as well as in the lives and works of such seminal writers as George Orwell Dickens Chekhov and Kipling One hopeful note in this saga of pain is that a terrible childhood can if survived be a source of strength as Dr Shengold finds in the cases of Dickens and Orwell Provocatively original in its approach to literature and psychology unsettling in its vivid portrayal of the darker side of human nature far reaching in its conclusions *Soul Murder* will stand alongside such works as Alice Miller's *The Drama of the Gifted Child* as one of the most important studies of the psyche to appear in decades **I Just Keep Talking** Nell Irvin Painter, 2024-04-23 A NEW YORK TIMES NOTABLE BOOK From the

New York Times bestselling author of *The History of White People* and *Old in Art School* a finalist for the NBCC Award comes a comprehensive new collection of essays spanning art politics and the legacy of racism that shapes American history as we know it Throughout her prolific writing career Nell Painter has published works on such luminaries as Sojourner Truth Ralph Waldo Emerson and Malcolm X Her unique vantage on American history pushes the boundaries of personal narrative and

academic authorship Led by an unbridled curiosity for her subjects Painter asks readers to reconsider ideas of race politics and identity I Just Keep Talking assembles her writing for the first time into a single volume displaying the breadth and depth of Painter s decades long historical inquiry and the evolution of Black political thought and includes a dazzling introduction and coda being published for the first time in this collection From her mining of figures like Carrie Buck and Martin Delaney for their resonance today to a deep dive into the history of exclusion through the work of Toni Morrison to a discussion of the American political landscape after the 2016 election Painter nimbly portrays the trials of a country frequently at war with itself Along with Painter s writing this collection offers her original artwork threaded throughout the book as counterpoint and emphasis Her visual art shows a deft mind turning toward the tragedy and humor of her subjects pulling from newspapers personal records and original sketches Painter s artwork testifies to the dialectic of tremendous change and stasis that continues to shape American history These essays resist easy answers in favor of complexity the inescapable sense of our country s potential thwarted by its failures This collection will surely solidify Painter s place among the finest critics and writers of the last half century

Internal Desecration Carrie Doehring, 1993-08-11 Overwhelming life experiences such as physical and sexual abuse during childhood have the potential to obliterate internal representations of a loving God In this book the author explores the inter relationship between severity of childhood traumatization and mental representations of God through a comprehensive review of psychodynamic literature and quantitative research methodology The research findings of a study with forty seven women demonstrate the complexity of this subject and illustrate how the empirical truth of quantitative findings may or may not resonate with the metaphorical truth of psychodynamic models of traumatization The author discusses the significance of these findings for clinicians and faith communities One Friday in April: A Story of Suicide and Survival Donald Antrim, 2021-10-12 One of TIME's 100 Must Read Books of 2021 One of BuzzFeed's Best Books of 2021 One of Vulture's Best Books of 2021 Named one of the Most Anticipated of Books of 2021 by the Los Angeles Times Literary Hub and The Millions

A searing and brave memoir that offers a new understanding of suicide as a distinct mental illness As the sun lowered in the sky one Friday afternoon in April 2006 acclaimed author Donald Antrim found himself on the roof of his Brooklyn apartment building afraid for his life In this moving memoir Antrim vividly recounts what led him to the roof and what happened after he came back down two hospitalizations weeks of fruitless clinical trials the terror of submitting to ECT and the saving call from David Foster Wallace that convinced him to try it as well as years of fitful recovery and setback Through a clear and haunting reckoning with the author's own story *One Friday in April* confronts the limits of our understanding of suicide Donald Antrim's personal insights reframe suicide whether in thought or in action as an illness in its own right a unique consequence of trauma and personal isolation rather than the choice of a depressed person A necessary companion to William Styron's classic *Darkness Visible* this profound insightful work sheds light on the tragedy and mystery of suicide offering solace that may save lives Marie NDiaye Andrew Asibong, 2013 First critical study of prize winning French author Marie NDiaye

The Epic Trickster in American Literature Gregory E. Rutledge, 2013-04-26 Just as Africa and the West have traditionally fit into binaries of Darkness Enlightenment Savage Modern Ugly Beautiful and Ritual Art among others much of Western cultural production rests upon the archetypal binary of Trickster Epic with trickster aesthetics and commensurate cultural forms characterizing Africa Challenging this binary and the exceptionalism that underlies anti hegemonic efforts even today this book begins with the scholarly foundations that mapped out African trickster continuities in the United States and excavated the aesthetics of traditional African epic performances Rutledge locates trickster like capacities within the epic hero archetype the epic trickster paradigm and constructs an Homeric Diaspora which is to say that the modern Homeric performance foundation lies at an absolute time and distance away from the ancient storytelling performance needed to understand the cautionary aesthetic inseparable from epic potential As traditional epic performances demonstrate unchecked epic trickster dynamism anticipates not only brutal imperialism and creative diversity but the greatest threat to everyone an eco apocalypse Relying upon the preeminent scholarship on African American trickster heroes traditional African heroic performances and cultural studies approaches to Greco Roman epics Rutledge traces the epic trickster aesthetic through three seminal African American novels keenly attuned to the American Homeric Diaspora Charles Chesnut's *The Marrow of Tradition* Richard Wright's *Native Son* and Toni Morrison's *Beloved* *Between the Psyche and the Social* Kelly Oliver, Steve Edwin, 2002 *Between the Psyche and the Social* is the first collection that specifically features the field of psychoanalytic social theory emerging in and between psychoanalysis feminism postcolonial studies and queer theory and across the disciplines of philosophy literary film and cultural studies This collection of essays takes the psychoanalytic study of social oppression in some new directions by engaging indeed stirring up unconscious fantasies and ethical tensions at the heart of social subjectivity Saving Jenny Vivian Percy, 2018-06-05 Normal turned to PTSD and a substance abuse nightmare for Jenny the instant a taxi struck her catapulting her thirty feet across a busy New York City street Jenny is one of

the lucky ones to have survived the drug rehabilitation system which routinely fails those at risk Her story is multiplied across the US in the wrecked lives and torn apart families of hundreds of thousands of Jennies Saving Jenny is the story of a mother and daughter s long painful journey from tragedy through opioid addiction toward healing Its cautionary tale sheds light on drug dependency sexual violation and exploitation misdiagnosed psychological and physical injuries It exposes a healthcare industry focused more on profits than care which routinely fails those in its keeping We see firsthand the abuse negligence malpractice illegal and illicit activities going on in rehab facilities We hear about the complicity of Big Pharma insurance companies and healthcare providers in these schemas Beyond an expos this book offers practical and radical solutions to the countless individuals and families affected by opioid addiction and trauma People need physical psychological social and spiritual support to experience true healing

The Tavistock Learning Group Clive Hazell,2018-05-08 In The Tavistock Learning Group Exploration Outside the Traditional Frame the authors attempt to expand the heuristic theoretical and applied dimensions of Group Relations paradigms by pairing classical Group Relations concepts with typically non Tavistock psychology paradigms and social sciences concepts Under the broad domain of psychologically informed constructs Lacanian psychoanalysis existential philosophy and bioenergetics are applied Under a somewhat broader range of social science conceptualization the capacity for abstraction is linked with anti work in groups the large group is re imagined as an extension of community dynamics and dysfunction and the role of symbol systems symbology and semiotics are examined in relation to sophisticated work groups Lastly non Tavistock models of group development and conceptualization are re interpreted and explained using a group as a whole framework
