Riley, 1939 The School of Soul Winners and Soul Winning Zacharias Tanee Fomum, 2016-06-10 The School of Soul
Winners and Soul Winning contains the following books of Professor Zacharias Tanee Fomum You Can Lead Someone to the
Lord Today 36 Reasons for Winning the Lost The Power of the Holy Spirit in the Winning of the Lost Soul Winning Volume 1
Soul Winning Volume 2 Salvation and Soul Winning The Winning of the Lost as Life s Supreme Task Soul Winning and
Disciple making Victorious Soul Winning Once a person gets saved through repentance unto God and faith in the Lord Jesus
Christ he is qualified to go straight to heaven Once he comes to a loving saving and abiding knowledge of the Lord Jesus
Christ he is ready to march with the saints straight into heaven The only reason why a saved sanctified and perfected person
is left here on earth after salvation is that he may be a soul winner We are to daily and desperately win souls as if we won t
have another day again on earth And you can lead someone to the Lord anytime anywhere using an array of methods such as
sharing your faith witnessing to Christ preaching the Gospel and evangelising publicly or privately The terrific reasons for
winning the lost and the terrible consequences of not doing so should push every believer out where the sinners are If
sinners die in their sins without hearing the Gospel the believer is to blame for it Their blood is upon him The only way to
free yourself from the blood of all men is through the preaching of the Gospel Acts 20 26 However no one can win souls in his
own strength There is need to tap into the power of the Holy Spirit for the winning of the lost Then the resulting fruit will be
lasting and lustrous This volume presents several rapturous reasons for and benefits to be reaped from obeying the command
to soul winning It is not enough to win souls to Christ and leave them like that It would be like catching fish from the lake
admiring it celebrating the catch and then throwing it back into the lake to swim away Leading a soul to Christ is only the
beginning of a process That process must continue with making a disciple of Christ out of that soul you have won to Christ It
ends when that disciple becomes mature and complete in Christ Jesus not lacking any good thing This volume introduces you
to the School of Soul Winners and Soul Winning and carries you through various bends and bounds in the art and practice of
soul winning We send this first volume on soul winners and soul winning out with a cry to the Lord that He should use it to

transform every believer into a soul winner daily and deeply involved in soul winning *Soul Winner's Fire* Rice, John R.,1969 **Preaching to Convert** John Fletcher,2013-11-13 Preaching to Convert offers an intriguing new perspective on the outreach strategies of U S evangelicals Author John Fletcher frames these activities from door to door proselytizing to the spirited sermons of superstar televangelists as examples of activist performance broadly defined here as acts performed before an audience in the hopes of changing hearts and minds Most writing about activist performance has focused on left progressive causes events and actors and if evangelicals have appeared at all they often appear as one dimensional forces of ignorance or bigotry against which brave left leaning activists must fight Preaching to Convert argues against such a constricted view of activism and for a more nuanced understanding of U S evangelicalism as a movement defined by its desire to win converts and spread the gospel In other words evangelicals are activist performers par excellence The book positions evangelicals as a diverse complicated group confronting the loss of conservative Christianity's default status in twenty first century U S culture In the face of an increasingly secular age evangelicals have been reassessing models of outreach In acts like handing out Bible tracts to strangers on the street or going door to door with a Bible in hand in elaborately staged horror themed morality plays or multi million dollar creationist discovery centers in megachurch services beamed to dozens of satellite campuses and in controversial ex gay ministries striving to return gays and lesbians to the straight and narrow evangelicals are redefining what it means to be deeply committed in a pluralist world The book's engaging style and careful argumentation make it accessible and appealing to scholars and students across a range of fields
